POSITIVE PROFIT ALERT

This announcement is made by Theme International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company and potential investors that, based on the preliminary review of the management accounts of the Group for the year ended 31 December 2017 (the “**Relevant Year**”), the Group is expected to record a positive total comprehensive profit for the Relevant Year as compared to a total comprehensive loss of approximately HK\$25,740,000 for the year ended 31 December 2016 (the “**Corresponding Year**”).

The estimated turnaround of the Group was mainly due to the following factors:

- (i) there was no share options granted during the Relevant Year while an one-off, non-cash, equity-settled, share-based expenses of approximately HK\$24,047,000 was recorded in the Corresponding Year as a result of grant of 201,000,000 share options in April 2016; and
- (ii) the significant increase in the Group’s distribution and trading segment revenue in the Relevant Year by more than three times as compared to the Corresponding Year, benefiting from the new capital raised from the rights issue in June 2017 and the availability of funds from short-term financing.

The information contained in this announcement is based only on the preliminary assessment by the Board upon its review of the unaudited management accounts of the Group for the year ended 31 December 2017 and other information currently available to the Company which has not been reviewed or audited by the Company’s independent auditor.
