PROFIT WARNING

This announcement is made by Shougang Concord Grand (Group) Limited (the “Company”, the Company together with its subsidiaries, the “Group”) pursuant to rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined in the Listing Rules) of Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors of the Company (the “Board”) wishes to inform the shareholders of the Company (the “Shareholders”) and potential investors that, based on preliminary assessment of the Board with reference to the unaudited consolidated management accounts of the Company for the financial year ended 31 December 2017 and other information currently available to the Board, it is expected that the Group would record a loss attributable to the Shareholders for the financial year ended 31 December 2017 as opposed to profit attributable to the Shareholders recorded for the six months ended 30 June 2017. Such adverse change is primarily attributable to the following factors:

- (1) The Group would record a share of loss from an associate for the financial year ended 31 December 2017 as compared to a share of profit from the associate for the six months ended 30 June 2017; and
- (2) The Group would record an impairment loss on its interests in an associate for the financial year ended 31 December 2017 whereas no such loss has been made for the six months ended 30 June 2017.

The Group’s final results for the financial year ended 31 December 2017 are still under review and subject to finalization and confirmation by the auditor of the Company as well as approvals of the audit committee of the Company and the Board at the respective meetings to be held in late March 2018. The final results announcement of the Group for the financial year ended 31 December 2017 will be published in late March 2018.

Further announcements will be made by the Company if there is any significant change in the expected financial results of the Group as disclosed in this announcement.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
