PROFIT WARNING

This announcement is made by Sinomax Group Limited (the “**Company**”, together with its subsidiaries, collectively the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the inside information provisions under Part XIVA of the Securities and Future Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company and potential investors that, based on the unaudited consolidated financial statements of the Group and other information currently available to the Board, the Group expects that the profit for the year ended 31 December 2017 (“**FY 2017**”) will decrease within the range of approximately HK\$47 million to HK\$53 million, or approximately 47% to 53%, as compared to the year ended 31 December 2016. Such decrease was mainly attributable to:

- (1) the costs incurred in the trial-run of production in the Group’s factory in United States of America (the “**U.S.**”) and recruiting sales force in the U.S. in FY 2017; and
- (2) the significant increase in the purchase price of a key raw material of polyurethane foam, namely toluene diisocyanate in FY 2017, as compared with the same period last year.

The Company is in the process of finalizing the Group’s audited consolidated financial results for FY 2017. The information contained in this announcement is only a preliminary assessment by the Board based on the information currently available to it and such information has not been audited or reviewed by the Company’s auditors or audit committee. Shareholders and potential investors of the Company are advised to read the annual results announcement of the Company for the year ended 31 December 2017 carefully, which is expected to be published on 27 March 2018.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
