INSIDE INFORMATION – POSITIVE PROFIT ALERT

This announcement is made by Inspur International Limited (the "**Company**" together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of the directors of the Company (the "**Board**") wishes to inform the shareholders of the Company and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2017, it is expected that the Group will record an increase of approximately 60% of its profit for the year attributable to owners of the Company for the year ended 31 December 2017 as compared to that for the year ended 31 December 2016.

The Board considers that such increase is mainly due to:

(1) the stable growth of turnover in software and service business of the Group as well as the relative increase of gross profit margin; and

(2) the increase of rental income from investment properties and the increase of fair value of the investment properties.

As the Company is still in the process of finalizing the results for the year ended 31 December 2017, the information contained in this announcement is only based on the preliminary assessment by the Board based on the management accounts of the Group and other information currently available to the Group, which has not been audited or reviewed by the auditors and/or audit committee of the Company and may subject to adjustments or amendments. Shareholders of the Company and potential investors are advised to refer to details of the financial information to be disclosed in the Company's announcement in respect of the audited results for the financial year ended 31 December 2017.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
