CSOP LEVERAGED AND INVERSE SERIES

*(a Hong Kong umbrella unit trust authorized under
Section 104 of the Securities and Futures Ordinance (Cap. 571) of Hong Kong)*

CSOP Nifty 50 Daily (2x) Leveraged Product
Stock Code: 07202

CSOP Nifty 50 Daily (-1x) Inverse Product
Stock Code: 07335

SUPPLEMENTARY ANNOUNCEMENT

Net Asset Value of the Products

Reference is made to the announcement by CSOP Asset Management Limited (the “**Manager**”) dated 3 April 2018 (the “**Announcement**”) of CSOP Nifty 50 Daily (2x) Leveraged Product and CSOP Nifty 50 Daily (-1x) Inverse Product (collectively, the “**Products**”) in relation to proposed cessation of trading, termination, voluntary deauthorisation and delisting and waiver from strict compliance with certain provisions of the Code on HKEx’s website (<http://www.hkexnews.hk/>).

It is noted in the Announcement that as at 16 March 2018, the Net Asset Value and the Net Asset Value

per Unit of CSOP Nifty 50 Daily (2x) Leveraged Product were USD 2,072,135.55 and USD 2.3024 respectively, and the Net Asset Value and the Net Asset Value per Unit of CSOP Nifty 50 Daily (-1x) Inverse Product were USD 1,520,464.11 and USD 1.6894 respectively. The Manager wishes to provide investors with supplementary details of the Net Asset Value information as at 3 April 2018 of the Products.

	Net Asset Value	Net Asset Value per Unit
CSOP Nifty 50 Daily (2x) Leveraged Product	USD 2,069,307.11	USD 2.2992
CSOP Nifty 50 Daily (-1x) Inverse Product	USD 1,516,554.37	USD 1.6851

Unless otherwise defined, all capitalised terms shall have the same meaning as that in the Prospectus of the Products and the Announcement.

The Announcement may only be distributed if accompanied by this supplementary announcement.

If you have any queries or require further information in relation to any aspect of this announcement, please contact our Customer Service Hotline at (852) 3406 5688.

By Order of the Board
CSOP Asset Management Limited
 南方東英資產管理有限公司
 Chief Executive Officer
 Ding Chen

4 April 2018

As of the date of this Announcement, the board of directors of the Manager comprises 7 Directors namely, Mr. Yi Zhou, Ms. Chen Ding, Mr. Gaobo Zhang, Mr. Xiaosong Yang, Mr. Zhongping Cai, Mr. Zhiwei Liu and Ms. Xiuyan Liu.

THIS ANNOUNCEMENT AND NOTICE IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION AND DOES NOT CONSTITUTE AN INVITATION OR OFFER TO ACQUIRE, PURCHASE OR SUBSCRIBE FOR UNITS OF THE EXCHANGE TRADED FUNDS NAMED BELOW

If you are in any doubt about the contents of this Announcement and Notice or as to the action to be taken, you should consult your stockbroker, bank manager, solicitor, accountant or other professional adviser.

If you have sold or transferred all your units in CSOP Nifty 50 Daily (2x) Leveraged Product, and/or CSOP Nifty 50 Daily (-1x) Inverse Product, you should at once hand this Announcement and Notice to the purchaser or transferee or to the bank, stockbroker or other agent through whom the sale or transfer was effected for transmission to the purchaser or the transferee.

IMPORTANT: *The Stock Exchange of Hong Kong Limited (the “SEHK”), the Hong Kong Exchanges and Clearing Limited (the “HKEx”), the Hong Kong Securities and Futures Commission (the “SFC”) and the Hong Kong Securities Clearing Company Limited (the “HKSCC”) take no responsibility for the contents of this Announcement and Notice, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this Announcement and Notice.*

CSOP Asset Management Limited (the “Manager”) accepts full responsibility for the accuracy of the information contained in this Announcement and Notice as at the date of publication, and confirms, having made all reasonable enquiries, that to the best of its knowledge and belief, as at the date of publication, there are no other facts the omission of which would make any statement misleading.

SFC authorisation is not a recommendation or an endorsement of the Trust (as defined below) and the Terminating Products (as defined below) nor does it guarantee the commercial merits of the Trust and the Terminating Products or their performance. It does not mean the Trust and the Terminating Products are suitable for all investors nor is it an endorsement of their suitability for any particular investor or class of investors.

the “Terminating Products”)**

ANNOUNCEMENT AND NOTICE OF THE PROPOSED CESSATION OF TRADING, TERMINATION, VOLUNTARY DEAUTHORISATION AND DELISTING AND WAIVER FROM STRICT COMPLIANCE WITH CERTAIN PROVISIONS OF THE CODE

Terms not defined in this Announcement and Notice will have the meanings as are given to such terms in the prospectus dated 5 March 2018 (the “Prospectus”).

IMPORTANT: Investors are strongly advised to consider the contents of this Announcement and Notice. This Announcement and Notice is important and requires your immediate attention. It concerns the proposed cessation of trading, proposed termination, proposed deauthorisation and proposed delisting of CSOP Nifty 50 Daily (2x) Leveraged Product and CSOP Nifty 50 Daily (-1x) Inverse Product (the “Terminating Products”, each a Product as defined in the Prospectus) and the waivers from strict compliance of certain provisions of the Code for the period from 4 July 2018 (i.e. the Trading Cessation Date, as defined in section 2.3) to the date of deauthorisation (the “Deauthorisation Date”). In particular, investors should note that:

- **taking into account the relevant factors, including, in particular, the relatively small net asset value (“Net Asset Value”) of each of the Terminating Products (see details of the factors in section 1 below), the Manager has, by means of a resolution of the board of directors of the Manager dated 29 March 2018, decided to exercise its power under Clause 35.6(A) of the Trust Deed and proposed to seek termination of each of the Terminating Products with effect from the Termination Date (as defined in section 2.2). The Manager has given written notice to HSBC Institutional Trust Services (Asia) Limited (the “Trustee”) notifying the Trustee of its proposal to terminate the Terminating Products pursuant to Clause 35.6(A) of the Trust Deed and the Trustee does not object to this proposal;**
- **the Last Trading Day (as defined in section 2.3) of the units in the Terminating Products (“Units”) will be 3 July 2018, i.e. the last day on which investors may buy or sell Units on the SEHK and the last day for redemption of Units in accordance with the usual trading arrangements currently in place, but no creation of Units in the primary market through a Participating Dealer will be allowed from 4 April 2018 following the publication of this Announcement and Notice;**
- **the Units of the Terminating Products will cease trading as from 4 July 2018 (i.e. the Trading Cessation Date); that means no further buying or selling of Units on the SEHK and no redemption of Units will be possible from the Trading Cessation Date onwards;**
- **the Manager will realise all of the assets of each of the Terminating Products effective from the Trading Cessation Date. Accordingly, from the Trading Cessation Date onwards, (i) there will be no further trading of Units of each of the Terminating Products and no further redemption of Units of each of the Terminating Products; (ii) the Manager will start to realise all the assets of each of the Terminating Products and each Terminating Product will therefore cease to track the leveraged performance or inverse performance (as the case may be) of the respective underlying indices and will not be able to meet its investment objective of tracking the leveraged performance or inverse performance (as the case may be) of the respective underlying indices; (iii) the Terminating Products will no longer be marketed to the public; (iv) the Terminating Products will mainly hold cash; and (v) the Terminating Products will only be operated in a limited manner;**

- with a view to minimising further costs, fees and expenses in managing the Terminating Products following the Trading Cessation Date and in the best interest of investors, the Manager has applied to the SFC for, and has been granted, a waiver from strict compliance with the following provisions of the Code for the period from the Trading Cessation Date to the Deauthorisation Date:
 - Chapter 10.7 (with regard to publishing suspension announcements);
 - paragraphs 4, 17(a) and 17(b) of Appendix I (with regard to providing estimated Net Asset Value or R.U.P.V. (as defined in the Code and section 5.3) and last closing Net Asset Value on a real time or near-real time basis); and
 - Chapters 6.1 and 11.1B (with regard to updating the Prospectus and the product key facts statements (“KFS”) in respect of the Terminating Products).

The details and the conditions on which such waiver is granted are as described in section 5 below;

- the Manager confirms that, save for the particular provisions of the Code set out in sections 5.2 to 5.4 below, the Manager will continue to comply with all the other applicable provisions of the Code, the applicable provisions in the Trust Deed and other applicable laws and regulations until the Deauthorisation Date;
- the Manager will, after having consulted the Trustee and the Terminating Products’ auditors, declare a Final Distribution (as defined in section 1.2) to the investors who remain so as at 6 July 2018 (the “Distribution Record Date”), and the Final Distribution is expected to be payable on or around 6 August 2018 (the “Final Distribution Date”);
- based on the information available to the Manager as at the date of this Announcement and Notice, the Manager considers it unlikely there will be a further distribution after the Final Distribution. However, in the unlikely event there is a further distribution after the Final Distribution, the Manager will issue an announcement informing the Relevant Investors;
- by the date the Trustee and the Manager form an opinion that the Terminating Products cease to have any respective outstanding contingent or actual assets or liabilities, the Trustee and the Manager will commence the completion of the termination of the Terminating Products (i.e. the Termination Date);
- during the period from the Trading Cessation Date until, at least, the Termination Date, the Manager will maintain the Trust’s and the Terminating Products’ SFC authorisation status and SEHK listed status, and, subject to the SEHK’s approval, expects the delisting to take effect at or around the same time as the deauthorisation;
- the Manager will continue to cap the ongoing charges of CSOP Nifty 50 Daily (2x) Leveraged Product at 1.61% and CSOP Nifty 50 Daily (-1x) Inverse Product at 1.85% p.a. until the

Termination Date. The Manager will bear the unamortised preliminary expenses and all costs and expenses associated with the termination of each Terminating Product (other than normal operating expenses such as transaction costs and any taxes relating to the realisation of assets of each Terminating Product) from the date of this Announcement and Notice up to and including the Termination Date;

- the Manager expects that the deauthorisation and the delisting will take place either on the Termination Date or shortly after the Termination Date (please note that any product documentation for the Terminating Products previously issued to investors, including the Prospectus and the KFS in respect of the Terminating Products, should be retained for personal use only and not for public circulation); and
- investors should pay attention to the risk factors as set out in section 7.1 below (including liquidity risk, Units trading at a discount or premium risk, tracking errors during the period from the date of this Announcement and Notice to the Last Trading Day risk, Net Asset Value downward adjustment risk, failure to track the leveraged/inverse performance of the respective underlying indices risk, delay in distribution risk and Market Makers' inefficiency risk). Investors should exercise caution and consult their professional and financial advisers before dealing in the Units in the Terminating Products or otherwise deciding on the course of actions to be taken in relation to their Units in the Terminating Products.

Stockbrokers and financial intermediaries are urged to:

- forward a copy of this Announcement and Notice to their clients holding Units in the Terminating Products, and inform them of the contents of this Announcement and Notice as soon as possible;
- facilitate their clients who want to dispose of Units in the Terminating Products on or before the Last Trading Day;
- inform their clients as soon as possible if any earlier dealing deadline, additional fees or charges, and/or other terms and conditions will be applicable in respect of the provision of their services in connection with any disposal of Units in the Terminating Products; and
- inform their clients of the Final Distribution arrangements as set out in section 1.2 below and the possible impact in relation to such arrangements to their clients

The Manager will, until the Last Trading Day, issue reminder announcements on a weekly basis to investors informing and reminding them of the Last Trading Day, the Trading Cessation Date and the Distribution Record Date. Also, further announcements will be made, as and when appropriate in accordance with the applicable regulatory requirements, in due course to inform the investors of the Final Distribution Date, the Termination Date, the dates for the deauthorisation and the delisting.

The Manager reserves its right to terminate any Terminating Product in its absolute discretion by notice in writing to the Trustee under Clause 35.6(A) of the Trust Deed if the aggregate Net Asset Value of all the Units in the relevant Terminating Product outstanding shall be less than USD 20,000,000.

As at 16 March 2018, the Net Asset Value of all the Units outstanding in the CSOP Nifty 50 Daily (2x) Leveraged Product and CSOP Nifty 50 Daily (-1x) Inverse Product were USD 2,072,135.55 and USD 1,520,464.11 respectively, less than USD 20,000,000. The Manager therefore announces that it has, by means of a resolution of the board of directors of the Manager dated 29 March 2018, decided to terminate the Terminating Products and voluntarily seek deauthorisation and delisting. The proposed termination, deauthorisation and delisting will be subject to the final respective approval of the SFC and the SEHK, and will only be completed after the Trustee and the Manager have formed an opinion that the Terminating Products have no respective outstanding contingent or actual liabilities or assets.

Before the proposed termination, deauthorisation and delisting, the Units of each of the Terminating Products will cease trading on the SEHK as from 4 July 2018, the Trading Cessation Date. Accordingly, the last day on which the Units of the Terminating Products can be traded on the SEHK will be 3 July 2018, the Last Trading Day, and from the Trading Cessation Date onwards, no trading of Units on the SEHK will be allowed. Also, while investors may continue to trade Units on the SEHK on any trading day before the Trading Cessation Date, no creation of Units in the Terminating Products in the primary market through a Participating Dealer will be allowed from 4 April 2018 following the publication of this Announcement and Notice.

As required under Clause 35.8 of the Trust Deed, no less than three months' notice is hereby given to the investors, notifying them of the proposed termination of the Terminating Products. Also, as required under Chapter 11.1A of the Code, no less than one month's notice is hereby given to the investors, notifying them that the Terminating Products will cease to track the leveraged performance or inverse performance (as the case may be) of the respective underlying indices, and cease trading, from the Trading Cessation Date.

The Manager will bear the unamortised preliminary expenses and all costs and expenses associated with the termination of each Terminating Product (other than normal operating expenses such as transaction costs and any taxes relating to the realisation of assets of each Terminating Product) from the date of this Announcement and Notice up to and including the Termination Date.

1. Proposed termination of the Terminating Products, cessation of trading and realisation of assets

1.1 Proposed termination of the Terminating Products

According to Clause 35.6(A) of the Trust Deed, each Terminating Product may be terminated by the Manager in its absolute discretion by notice in writing in the event that the aggregate Net Asset Value of all the Units in the relevant Terminating Product outstanding shall be less than USD 20,000,000. The Trust Deed does not require investors' approval for terminating the Terminating Products on the ground set out in Clause 35.7 of the Trust Deed.

As at 16 March 2018, the Net Asset Value and the Net Asset Value per Unit of CSOP Nifty 50 Daily (2x) Leveraged Product were USD 2,072,135.55 and USD 2.3024 respectively, and the Net Asset Value and the Net Asset Value per Unit of CSOP Nifty 50 Daily (-1x) Inverse Product were USD 1,520,464.11 and USD 1.6894 respectively. Having taken into account the relevant factors including the interests of the investors as a whole, the current relatively small Net Asset Value of each of the Terminating Products, the Manager is of the view that the proposed termination of each of the Terminating Products would be in the best interests of the investors of the Terminating Products. Therefore, the Manager has decided to exercise its power under Clause 35.6(A) of the Trust Deed to terminate the Terminating Products on the date on which the Trustee and the Manager form an opinion that the Terminating Products cease to have any respective contingent or actual assets or liabilities. The Manager has given written notice to the Trustee notifying the Trustee of its proposal to terminate the Terminating Products pursuant to Clause 35.6(A) of the Trust Deed, and the Trustee does not object to such proposal.

1.2 The proposed cessation of trading

The Manager will apply to SEHK to have the Units of the Terminating Products cease trading on the SEHK with effect from 4 July 2018 (i.e. the Trading Cessation Date). The Manager will realise all of the assets of each of the Terminating Products effective from the Trading Cessation Date in exercise of its investment powers under Clause 35.10(B) of the Trust Deed. 3 July 2018 will be the Last Trading Day when investors may buy or sell Units in the Terminating Products on the SEHK in accordance with the usual trading arrangements currently in place.

Also, in view of the proposed cessation of trading, no further creation of Units in the Terminating Products through Participating Dealers will be allowed from 4 April 2018.

For the avoidance of doubt, redemption of Units in the Terminating Products by Participating Dealers will continue to be permitted until the Last Trading Day.

Investors should note that they cannot redeem Units directly from the Terminating Products in the primary market. Only Participating Dealers may submit redemption applications to the Manager and the Participating Dealers may have their own application procedures for their clients and may set application cut-off times for their clients which are earlier than those set out in the Prospectus. Investors are advised to check with the Participating Dealers as to the relevant timing deadlines and the client acceptance procedures and requirements.

The Manager will, after having consulted the Trustee and the Terminating Products' auditors, declare a Final Distribution of the assets (the "**Final Distribution**") of each Terminating Product to the investors who remain so as at 6 July 2018 (the "Distribution Record Date"). The Manager will declare the Final Distribution amount per unit on or around 30 July 2018 and proceed with the Final Distribution on or around 6 August 2018 (see details in section 2.2 below).

If there is any change to the dates mentioned in this paragraph, the Manager will issue an announcement of the revised dates.

1.3. Impacts on the proposed realisation of the assets of the Terminating Products

After the realisation of the assets of each of the Terminating Products (as described in section 1.2 above and subject to section 2.2 below), each of the Terminating Products will mainly hold cash, primarily consisting of the proceeds from the realisation of the assets of each of the Terminating Products. It therefore follows that, from the Trading Cessation Date, each of the Terminating Products will cease to track the leveraged performance or inverse performance (as the case may be) of their respective underlying indices, and will not be able to meet their investment objective of tracking the leveraged performance or inverse performance (as the case may be) of their respective underlying indices.

2. What will happen after the Trading Cessation Date?

2.1 Immediately from the Trading Cessation Date

Effective from the Trading Cessation Date, the Units of each of the Terminating Products will cease trading on the SEHK and there will be no further redemption of Units in the primary market. This means investors will only be allowed to buy or sell Units of the Terminating Products on the SEHK until (and including) the Last Trading Day, which is 3 July 2018 and will not be allowed to do so from the Trading Cessation Date onwards.

2.2 During the period from the Trading Cessation Date (as defined in section 2.3) until the Termination Date

The Manager will, after consulting the Trustee and the Terminating Products' auditors, declare a Final Distribution in respect of those investors who remain invested in the Terminating Products as of the Distribution Record Date (the "**Relevant Investors**"). Such Final Distribution is expected to be made on or around 6 August 2018.

On or around 6 August 2018, if the Manager and the Trustee form an opinion that the Terminating Products cease to have any respective contingent or actual assets or liabilities (the "**Termination Date**"), the Manager and the Trustee will commence the completion of terminating the Terminating Products.

During the period from the Trading Cessation Date until, at least, the Termination Date, the Terminating Products will continue to have listing status on the SEHK and will remain authorised by the SFC, although the Terminating Products will be operated only in a limited manner (as described in section 4.2 below). The Manager has therefore applied to the SFC, and has been granted, waivers from strict compliance of certain provisions of the Code for the period from the Trading Cessation Date to the Deauthorisation Date. The details and the conditions on which such waiver is granted are as described in section 5 below.

The deauthorisation and delisting of the Terminating Products will take place either on the Termination Date or shortly after the Termination Date, subject to the SFC's and SEHK's approval respectively. The Manager expects, subject to the SEHK's approval, that the delisting will only take place at or around the same time of the deauthorisation.

The proposed termination, deauthorisation and delisting will be subject to the payment of all outstanding fees and expenses (please refer to section 6 below for further information), discharge of all outstanding liabilities of the Terminating Products, as well as the final respective approvals by the SFC and the SEHK.

Following deauthorisation, the Terminating Products will no longer be subject to regulation by the SFC. Any product documentation for the Terminating Products previously issued to investors, including the Prospectus and any KFS in respect of the Terminating Products, should be retained for personal use only and not for public circulation. Stockbrokers, financial intermediaries and investors must not circulate any marketing or other product information relating to the Terminating Products to the public in Hong Kong as this may be in breach of the Securities and Futures Ordinance.

2.3 Important dates

Subject to the SFC's and the SEHK's respective approvals for the proposed arrangements set out in this Announcement and Notice, it is anticipated that the expected important dates in respect of the Terminating Products will be as follows:

Dispatch of this Announcement and Notice	3 April 2018, Tuesday
No further creation of Units in the Terminating Products	4 April 2018, Wednesday
Last day for dealings in the Units of each of the Terminating Products on the SEHK and last day for redemption of Units of each of the Terminating Products (the " Last Trading Day ")	3 July 2018, Tuesday
Dealings in the Units of each of the Terminating Products on the SEHK cease and no further redemption of Units of each of the Terminating Products (the " Trading Cessation Date "), i.e. same date on which the Manager will start to realise all the investments of the Terminating Products and each of the Terminating Products will cease to be able to track the leveraged performance or inverse performance (as the case may be) of their respective underlying indices	4 July 2018, Wednesday
The date as at which an investor needs to be recorded by HKSCC as the beneficial owner of Units which are registered in the name of HKSCC Nominees Limited and held in CCASS to be entitled to the Final Distribution and further distribution, if any (the " Distribution Record Date ")	By close of business on 6 July 2018, Friday
The date as at which the Manager will, after having consulted the Trustee and the Terminating Products' auditors, declare the Final Distribution amount per unit	On or around 30 July 2018, Monday
Final Distribution, after the Manager having consulted with the Trustee and the Terminating Products' auditors, will be paid to the Relevant Investors (the " Final Distribution Date ")	On or around 6 August 2018, Monday

Termination of the Terminating Products (the “ Termination Date ”)	As soon as possible after 6 August 2018, Monday when the Manager and Trustee form an opinion that the Terminating Products cease to have any respective contingent or actual assets or liabilities.
Deauthorisation and delisting of the Terminating Products	<p>On or shortly after the Termination Date, which is the date the SFC and SEHK approve the deauthorisation and delisting respectively.</p> <p>The Manager expects that the deauthorisation and delisting will take place either on or immediately after the Termination Date.</p>

The Manager will issue the following:

- (on a weekly basis from the date of this Announcement and Notice to the Last Trading Day) reminder announcements informing and reminding investors of the Last Trading Day, the Trading Cessation Date and the Distribution Record Date;
- (in due course) an announcement to inform the investors of the Final Distribution Date;
- (on or around the Termination Date) an announcement informing investors about the Termination Date, dates for the deauthorisation and delisting of the Terminating Products,

in accordance with the applicable regulatory requirements. If there is any change to the dates mentioned in this section, the Manager will issue an announcement to inform the Relevant Investors of the revised dates.

All stockbrokers and financial intermediaries are urged to forward a copy of this Announcement and Notice, together with any further announcements, to their clients investing in the Units of the Terminating Products, and inform them of the contents of this Announcement and Notice and any further announcements, as soon as possible.

3. Potential actions to be taken by investors on or before the Last Trading Day

3.1 Trading on the SEHK on any trading day up to and including the Last Trading Day

On any trading day up to (and including) the Last Trading Day, an investor may continue to buy or sell its Units in the Terminating Products on the SEHK in accordance with the usual trading arrangements, during the trading hours of the SEHK and based on the prevailing market prices. The Market Makers of the Terminating Products will continue to perform its market making functions in accordance with the Trading Rules of the SEHK.

Investors should note that stockbrokers or other financial intermediaries may impose brokerage fees on any sale of the Units of each of the Terminating Products on the SEHK on investors, and a transaction levy (at 0.0027% of the price of the Units of each of the Terminating Products) and a trading fee (at 0.005% of the price of the Units of each of the Terminating Products) will be payable by the buyer and the seller of the Units.

No charge to stamp duty will arise in Hong Kong in respect of sale or purchase of Units of the Terminating Products on the SEHK.

The trading price of Units of each of the Terminating Products may be below or above the Net Asset Value per Unit. Please see the “Units trading at a discount or premium risk” and “Market Makers’ inefficiency risk” in section 7.1 below.

3.2 Holding Units after the Last Trading Day

For Relevant Investors who are still holding Units in the Terminating Products after the Last Trading Day, the Manager will, after having consulted the Trustee and the Terminating Products’ auditors, declare Final Distribution in respect of such Relevant Investors. Each Relevant Investor will be entitled to a Final Distribution of an amount equal to the relevant Terminating Product’s then Net Asset Value in proportion to the Relevant Investor’s interests in that Terminating Products as at the Distribution Record Date. The Terminating Product’s then Net Asset Value will be the total value of the net proceeds from the realisation of the assets of the relevant Terminating Product as described in section 1.3 above.

The Final Distribution payable to each Relevant Investor is expected to be paid to the accounts of its financial intermediary or stockbroker maintained with CCASS on or around 6 August 2018. The Manager will issue a further announcement to inform the Relevant Investors of the exact day of payment of the Final Distribution, together with the amount of Final Distribution per Unit in respect of the relevant Terminating Product in due course.

3.3 Further distribution

The Manager does not expect or anticipate there will be a further distribution after the Final Distribution. However, in the unlikely event there is a further distribution after the Final Distribution, the Manager will issue an announcement informing the Relevant Investors.

If there is any change to the dates mentioned in this paragraph, the Manager will issue an announcement of the revised dates.

IMPORTANT NOTE: Investors should pay attention to the risk factors as set out in section 7.1 below and consult their professional and financial advisers before disposing of the Units in the Terminating Products. If an investor disposes of its Units in the Terminating Products at any time on or before the Last Trading Day, such investor will not in any circumstances be entitled to any portion of the Final Distribution or any further distribution (if any) in respect of any Units so disposed. Investors should therefore exercise caution and consult their professional and financial

advisers before dealing in their Units in the Terminating Products or otherwise deciding on any course of actions to be taken in relation to their Units in any of the Terminating Products.

4. Consequences of the commencement of the cessation of trading

4.1 Continued existence of the Terminating Products

The Terminating Products will maintain their SFC authorisation status and their SEHK listing status, until the deauthorisation and delisting. Deauthorisation and delisting will follow as soon as possible after the termination of the Terminating Products.

When the Manager and Trustee form an opinion that the Terminating Products cease to have any respective contingent or actual assets or liabilities, the Manager and the Trustee will complete the proposed termination process and the Manager will proceed with applying to the SFC for deauthorisation, and to the SEHK to complete the delisting.

4.2 Limited operation of the Terminating Products

During the period from the Trading Cessation Date up until deauthorisation, each of the Terminating Products will only be operated in a limited manner as there will not be any trading of Units of the Terminating Products and the Terminating Products will have no investment activities from the Trading Cessation Date onwards.

Relevant Investors are reminded to contact their stockbrokers or financial intermediaries to check whether there will be any fees or charges including custody fees that they may need to bear with regard to their unitholding in the Terminating Products during the period from the Trading Cessation Date up till the date on which they cease to hold Units.

5. Waiver

5.1 Background

As set out in section 2.2 above, while the Units in each of the Terminating Products will cease trading effective from the Trading Cessation Date, because of certain outstanding actual or contingent assets or liabilities in relation to the Terminating Products, the Terminating Products will remain in existence after the Trading Cessation Date until the Termination Date. During such period, the Terminating Products will maintain their SFC authorisation status, and their SEHK listed status, until the completion of the proposed termination, deauthorisation and delisting.

However, following the date of this Announcement and Notice, there will be no further creation of Units, and from the Trading Cessation Date onwards:

- (i) there will be no further trading of Units of the Terminating Products and no further redemption of Units of each of the Terminating Products;

- (ii) the Manager will start to realise all of the assets of the Terminating Products and the Terminating Products will therefore cease to track the leveraged performance or inverse performance (as the case may be) of the respective underlying indices and will not be able to meet their investment objective of tracking the leveraged performance or inverse performance (as the case may be) of the respective underlying indices;
- (iii) the Terminating Products will no longer be marketed to the public;
- (iv) the Terminating Products will mainly hold cash; and
- (v) the Terminating Products will only be operated in a limited manner.

Accordingly, with a view to minimising further costs, fees and expenses in managing the Terminating Products following the Trading Cessation Date and in the best interest of investors, the Manager has applied to the SFC for, and has been granted, a waiver from strict compliance with certain provisions of the Code for the period from the Trading Cessation Date to the Deauthorisation Date.

The details of the waiver granted and the conditions on which such waiver was granted are set out in this section 5.

5.2 Publishing of the suspension of dealing

Under Chapter 10.7 of the Code, the Manager is required to: (a) immediately notify the SFC if dealing in Units ceases or is suspended; and (b) publish the fact that dealing is suspended immediately following the decision to suspend and at least once a month during the period of suspension in an appropriate manner (the requirements under (b) are referred to as the “**Investor Notification Requirements**”).

The Manager has applied to the SFC for, and has been granted, a waiver from strict compliance with the Investor Notification Requirements under Chapter 10.7 of the Code (for the period from the Trading Cessation Date to the Deauthorisation Date), subject to the condition that a statement shall be posted in a prominent position of the Manager’s website from the Trading Cessation Date until the Deauthorisation Date to notify investors that the Units of the Terminating Products have ceased trading on the SEHK from 4 July 2018, and draw investors’ attention to this Announcement and Notice and all other relevant announcements.

Because the Terminating Products will maintain their SEHK listing status after the Last Trading Day, 3 July 2018 until the Deauthorisation Date, investors may continue to access further announcements in relation to the Terminating Products via the HKEx’s website and the Manager’s website during such period.

5.3 Provision of estimated Net Asset Value or R.U.P.V.¹ and last closing Net Asset Value on a real time or near real time basis

Under Paragraphs 4, 17(a) and 17(b) of Appendix I to the Code, the Manager is required to provide estimated Net Asset Value or R.U.P.V. and last closing Net Asset Value of the Terminating Products to the public on a real time or near-real time basis unless otherwise waived, via any suitable channels in paragraph 18 of Appendix I of the Code (which include the Terminating Products' own website).

As following the date of this Announcement and Notice, there will be no further creation of Units in the Terminating Products, and from the Trading Cessation Date onwards, there will be no further trading of Units in the Terminating Products on the SEHK and no further redemption of Units in the Terminating Products, and the Terminating Products will mainly hold cash and only be operated in a limited manner. The Manager proposes and the Trustee consents that the Net Asset Value per Unit of each of the Terminating Products will be updated on the Manager's website only when there is any event which causes the Net Asset Value to change. The Manager and the Trustee expect that the events which will cause the Net Asset Value per Unit of the Terminating Products to change are: (i) the Final Distribution (please see further in section 3.2 above); (ii) further distribution (if any); and (iii) any deduction of transaction costs or taxes relating to the realisation of assets of each of the Terminating Products.

Accordingly, the Manager has applied to the SFC for, and has been granted, a waiver from strict compliance with the above-mentioned requirements under Paragraphs 4, 17(a) and 17(b) of Appendix I to the Code (for the period from the Trading Cessation Date to the Deauthorisation Date), subject to the following conditions:

- (A) the Net Asset Value per Unit of each Terminating Product as of 3 July 2018 (i.e. the Last Trading Day), which will be the latest available Net Asset Value per Unit of each Terminating Product, will be published on the Manager's website; and
- (B) the Manager shall update the latest available Net Asset Value per Unit of each of the Terminating Products on the Manager's website as soon as practicable should there be any other change to the Net Asset Value of each Terminating Product, including but not limited to changes arising from (i) the Final Distribution (please see further in section 3.2 above); (ii) further distribution (if any); and (iii) any deduction of transaction costs or taxes relating to the realisation of assets of each of the Terminating Products.

5.4 Updating of the Prospectus and KFS in respect of the Terminating Products

Under Chapters 6.1 and 11.1B of the Code, the Prospectus and the KFS in respect of the Terminating Products must be up-to-date and must be updated to incorporate any relevant changes to the Terminating Products.

¹ R.U.P.V stands for "Reference Underlying Portfolio Value" which is updated at 15-second intervals during trading hours.

In view of the cessation of trading of Units of the Terminating Products from the Trading Cessation Date, and there being no further creation or redemption of Units of the Terminating Products, the Manager considers that it is not necessary to update the Prospectus and the KFS in respect of the Terminating Products (which by their nature are offering documents) to reflect any future changes to the Terminating Products prior to the Deauthorisation Date.

As such, the Manager has applied to the SFC for, and has been granted, a waiver from strict compliance with the above-mentioned requirements under Chapters 6.1 and 11.1B of the Code so that the Prospectus and the KFS in respect of the Terminating Products need not be updated in respect of disclosure affecting the Terminating Products only from the Trading Cessation Date.

Without prejudice to the other obligations of the Manager under Chapter 11.1B of the Code, the Manager has undertaken and confirmed with the SFC that it shall:

- (A) promptly notify investors of any changes to the Terminating Products or to the Prospectus or the KFS of the Terminating Products by means of publishing the announcement(s) on its and the HKEx's websites (each, a "**Relevant Future Announcement**");
- (B) ensure that each Relevant Future Announcement shall include a statement to refer investors to read this Announcement and Notice together with the Prospectus, the KFS of the relevant Terminating Product, and any other Relevant Future Announcement(s); and
- (C) issue an updated Prospectus on the Deauthorisation Date to remove all references to the Terminating Products.

5.5 Other related matter

The Manager confirms that, save for the particular provisions of the Code set out in sections 5.2 to 5.4 above, the Manager will continue to comply with all the other applicable provisions of the Code, the applicable provisions in the Trust Deed and other applicable laws and regulations in respect of the Terminating Products.

6. Costs

6.1 Trading on the SEHK

As indicated in section 3.1 above, stockbrokers or financial intermediaries may levy certain fees and charges for any orders to dispose of Units of the Terminating Products on or before the Last Trading Day.

6.2 Redemption by Participating Dealers

All redemptions of Units of the Terminating Products by Participating Dealers will be subject to the fees and costs as set out in the Prospectus. Participating Dealers may pass on to the Relevant Investors such fees and costs, and may also impose fees and charges in handling redemption requests which would

increase the cost of redemption. Investors are advised to check with Participating Dealers as to their relevant fees, costs and charges.

6.3 Cost of termination, deauthorisation and delisting

The Manager will bear the unamortised preliminary expenses and all costs and expenses associated with the termination, deauthorisation and delisting of the Terminating Products (other than normal operating expenses such as transaction costs and any taxes relating to the realisation of assets of the Terminating Products) from the date of this Announcement and Notice up to and including the Termination Date.

6.4 Ongoing charges of the Terminating Products

The ongoing charges for CSOP Nifty 50 Daily (2x) Leveraged Product and CSOP Nifty 50 Daily (-1x) Inverse Product, as disclosed in the KFS, are currently capped at 1.61% per annum and 1.85% per annum respectively. The ongoing charges figure represents the ongoing expenses expressed as a percentage of the Net Asset Value of the relevant Terminating Product over a period of one year. The Manager will continue to charge a management fee up to and including the Final Distribution Date.

The Manager will continue to cap the ongoing charges of each of the Terminating Products until the Termination Date.

The Manager does not expect that the termination of the Terminating Products will impact the ongoing charges figures. Please note for completeness the ongoing charges figures are calculated in accordance with the guidance under the relevant SFC circular, and exclude the following costs and expenses associated with the termination of the Terminating Products (which are to be borne by each relevant Terminating Product): (i) normal operating expenses such as transaction costs and (ii) any taxes relating to the realisation of assets of the Terminating Products.

Each of the Terminating Products does not have any contingent liabilities (such as outstanding litigation) as at the date of this Announcement and Notice.

7. Other matters

7.1 Other implications of the proposed cessation of trading, the proposed termination of the Terminating Products and the proposed delisting and deauthorisation

In consequence of this Announcement and Notice and the proposed cessation of trading, the proposed termination of the Terminating Products and the proposed delisting and deauthorisation, investors should note the following:

Liquidity risk - Trading of Units in each of the Terminating Products on the SEHK from the date of this Announcement and Notice may become less liquid;

Units trading at a discount or premium risk - Although up to (and including) the Last Trading Day, the Market Makers of the Terminating Products will continue to perform its market making functions in accordance with the Trading Rules of the SEHK, Units in each of the Terminating Products may trade at a discount compared to its Net Asset Value in extreme market situations. This is because many investors may want to sell their Units in the Terminating Products after this Announcement and Notice has been published but there may not be many investors in the market who are willing to purchase such Units. On the other hand, it is also possible that the Units in each of the Terminating Products may trade at a premium because there will be no creation of new Units after 4 April 2018 and consequently the divergence between the supply of and demand for such Units may be larger than usual. The Market Makers may not be able to effectively perform its market making activities to provide liquidity of the trading of Units of each Terminating Product on the SEHK in these extreme market situations. As a result, the price volatility of the Units of each Terminating Product may be higher than usual from the date of this Announcement and Notice up to (and including) the Last Trading Day;

Tracking errors during the period from the date of this Announcement and Notice to the Last Trading Day risk – It is possible that the size of the Terminating Products may drop drastically before the Last Trading Day. This may impair the Manager's ability to fulfill the investment objectives of the Terminating Products and result in significant tracking error. In the extreme situation where the size of the Terminating Products becomes so small that the Manager considers that it is not in the best interest of the Terminating Products to continue to invest in the market, the Manager may decide to convert the whole or part of the investments of the Terminating Products into cash or deposits in order to protect the interest of the investors of the Terminating Products;

Net Asset Value downward adjustment risk – Changes in economic environment, consumption pattern and investors' expectations may have significant impact on the value of the investments and there may be significant drop in value of the assets. Such market movements may result in substantial downward adjustment of the Net Asset Value per Unit before the Last Trading Day;

Failure to track the leveraged/inverse performance of the respective underlying indices risk – All assets of the Terminating Products, to the extent possible, will be realised with effect from the Trading Cessation Date. Thereafter, the Terminating Products' assets will mainly be cash. The Terminating Products will only be operated in a limited manner. It therefore follows that, from the Trading Cessation Date, each of the Terminating Product will cease to track the leveraged performance or inverse performance (as the case may be) of the respective underlying indices, and will not be able to meet its investment objective of tracking the leveraged performance or inverse performance (as the case may be) of the respective underlying indices;

Delay in distribution risk - The Manager will aim to realise all of the assets of the Terminating Products and proceed with the Final Distribution as soon as practicable. However, the Manager may not be able to realise all of the assets in a timely manner during certain periods of time, for example, when trading on the relevant stock exchanges is restricted or suspended or when the official clearing and settlement depository of the relevant market is close. In this case, the payment of Final Distribution may be delayed; and

Market Makers' inefficiency risk – As there will be no creation of Units from the date of this Announcement and Notice onwards, the divergence between the supply of and demand for the Units may be larger than usual. In particular, should there be a large demand for the Units before the Trading Cessation Date, the Market Makers may not be able to effectively perform their market making activities to provide liquidity of the trading of Units on the SEHK. As a result, the price volatility of the Units may be higher than usual from the date of this Announcement and Notice through the Last Trading Day.

Investor attention is also drawn to the risks disclosed in the Prospectus of the Terminating Products.

7.2 Tax implications

Based on the Manager's understanding of the law and practice in force at the date of this Announcement and Notice, as the Terminating Products are collective investment schemes authorised under Section 104 of the Securities and Futures Ordinance (Cap. 571 Laws of Hong Kong), profits of the Terminating Products derived from realisation of their assets are exempt from Hong Kong profits tax. Notwithstanding that profits of each Terminating Product derived from realisation of its assets are exempt from Hong Kong profits tax, the Terminating Products may be subject to tax in certain jurisdictions where investments are made, on income or capital gains derived from such investments.

No Hong Kong profits tax is expected to be payable by investors in Hong Kong in respect of the Final Distribution or further distributions (if any) to the extent of distribution of profits and/or capital of the Terminating Products. For investors carrying on a trade, profession or business in Hong Kong, profits derived in redemption or disposal of Units in the Terminating Products may be subject to Hong Kong profits tax if the profits in question arise in or are derived from such trade, profession or business, sourced in Hong Kong, as well as the Units of the Terminating Products are revenue assets of the investors.

Investors should consult their professional financial advisers for tax advice.

8. Connected party transactions

None of the Connected Persons of the Manager and/or the Trustee are party to any transaction in relation to the Terminating Products, nor hold any interest in the Terminating Products.

9. Documents available for inspection

Copies of the following documents are available for inspection free of charge at the offices of the Manager (2801-2803 Two Exchange Square, 8 Connaught Place, Central, Hong Kong). Copies of (a) may be obtained from the Manager on payment of a reasonable fee:

- (a) the Trust Deed;
 - (b) the Participation Agreements;
 - (c) the Service Agreements;
 - (d) the audited accounts and the half-yearly unaudited reports of the Trust and the Terminating Products;
- and

(e) the Prospectus and the KFS.

10. Enquiries

If you have any queries in relation to the contents of this Announcement and Notice, please direct them to your stockbrokers or financial intermediaries or contact the Manager by calling (852) 3406 5688 during office hours (except Hong Kong statutory holidays), or visiting the Manager in person at 2801-2803, Two Exchange Square, 8 Connaught Place, Central, Hong Kong or visiting the Manager's website: <http://www.csopasset.com>².

The Manager accepts full responsibility for the accuracy of the information contained in this Announcement and Notice, and confirms, having made all reasonable enquiries, that to the best of its knowledge and belief there are no other facts the omission of which would make any statement misleading.
