## 1. Basis of preparation

The financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards (“HKFRSs”), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards (“HKASs”) and Interpretations issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”), accounting principles generally accepted in Hong Kong and the requirements of the Hong Kong Companies Ordinance. The financial statements also comply with the applicable disclosure provisions of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The financial statements have been prepared in accordance with the same accounting policies adopted in the financial statements for the year ended 31 March 2017, except for the accounting policy changes that have been reflected in the financial statements for the year ended 31 March 2018. Details of these changes in accounting policies are set out in note 2.

The financial information relating to the years ended 31 March 2018 and 2017 included in this preliminary announcement of results does not constitute the Company’s statutory annual consolidated financial statements for those years but is derived from those financial statements. Further information relating to these statutory financial statements required to be disclosed in accordance with section 436 of the Hong Kong Companies Ordinance is as follows:

The Company has delivered the financial statements for the year ended 31 March 2017 to the Registrar of Companies as required by section 662(3) of, and Part 3 of Schedule 6 to, the Hong Kong Companies Ordinance and will deliver the financial statements for the year ended 31 March 2018 in due course.

The Company’s auditor has reported on the financial statements of the Group for both years. The auditor’s reports were unqualified; did not include a reference to any matters to which the auditor drew attention by way of emphasis without qualifying its reports; and did not contain a statement under sections 406(2), 407(2) or (3) of the Hong Kong Companies Ordinance.

## 2. Changes in accounting policies

The HKICPA has issued several amendments to HKFRSs that are first effective for the current accounting period of the Group. Of these, the following amendments are relevant to the Group:

- Amendments to HKAS 7, *Statement of cash flows: Disclosure initiative*
- Amendments to HKAS 12, *Income taxes: Recognition of deferred tax assets for unrealised losses*

None of these developments have had a material effect on how the Group’s results and financial position for the current or prior periods have been prepared or presented. However, additional disclosure has been included in the financial statements to satisfy the new disclosure requirements introduced by Amendments to HKAS 7 which require entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes.

The Group has not applied any new standard or interpretation that is not yet effective for the current accounting period.

## 3. Revenue

The principal activity of the Group is property investment.

Revenue represents gross rental income received and receivable from investment properties.

The Group’s customer base is diversified and does not include any customers with whom transactions have exceeded 10% of the Group’s revenue for the year ended 31 March 2018. During the year ended 31 March 2017, the Group includes only one customer with whom transactions have exceeded 10% of the Group’s revenue and revenue from this customer amounted to approximately \$77,251,000.

#### 4. Segment information

The Group has a single reportable segment which is “Property leasing”. Accordingly, the business segment information for this sole reportable segment is equivalent to the consolidated figures.

No separate geographical information is presented as the Group’s revenue and results of property leasing were derived from Hong Kong.

As the Company paid an interim dividend of \$0.60 per share during the year (2017: \$0.60 per share), the total distribution will be \$1.19 per share for the year (2017: \$1.20 per share).

Subject to the members' approval on the proposed final dividend at the forthcoming annual general meeting, the register of members of the Company will be closed for the purpose of determining entitlement to the said final dividend from Tuesday, 18 September 2018 to Thursday, 20 September 2018, both days inclusive, during which period no transfer of shares will be effected. All transfers accompanied by the relevant share certificates must be lodged with the Company's share registrar, Computershare Hong Kong Investor Services Limited, Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong not later than 4:30 p.m. (Hong Kong time) on Monday, 17 September 2018. ## **BUSINESS REVIEW AND COMMENTARY**

- The Group achieved a profit from operations before valuation changes in investment properties of \$516.4 million for the financial year ended 31 March 2018, representing a decrease of approximately 5.9% compared with the previous financial year. The decrease was mainly due to decrease in rental income from iSQUARE compared to the previous financial year.
- Net valuation losses on investment properties for the financial year ended 31 March 2018 amounted to \$269.8 million, compared with the net valuation losses of \$614.9 million for the previous financial year. The valuation losses will only affect the accounting profit or loss but not the cash flow of the Group.
- The Group recorded a profit attributable to equity shareholders of \$159.3 million, compared with a loss attributable to equity shareholders of \$159.1 million for the previous financial year.
- iSQUARE is a commercial complex housing retail, entertainment, food and beverage establishments. Rental income from iSQUARE amounted to approximately \$628.8 million for the financial year ended 31 March 2018, representing a decrease of approximately 4.4% compared with the previous financial year. The occupancy rate at 31 March 2018 was approximately 98.3% compared with approximately 96.8% at 31 March 2017.
- The total equity for the Group at 31 March 2018 was \$13,875.3 million, compared with \$14,148.0 million at 31 March 2017.
- On 7 October 2013, the Company entered into a facility agreement with a bank comprising of a 3-year term loan facility of up to \$200 million and a 3-year revolving loan facility of up to \$100 million both at floating interest rate. On 30 August 2016, the Company entered into a supplemental agreement with the bank for extension of the facilities for three years to 8 October 2019. The Company has an option to further extend the facilities for two additional years to 8 October 2021, subject to, among other things, the agreement of the lending bank. At 31 March 2018, the banking facilities were utilised to the extent of \$200 million (2017: \$200 million) and the Group's gearing ratio (calculated as total bank loans divided by total equity) was 1.4% (2017: 1.4%).

- At 31 March 2018, the total number of employees of the Group, excluding the staff employed by Cushman & Wakefield Property Management Limited (formerly known as DTZ Cushman & Wakefield Property Management Limited) for general building and property management of iSQUARE, was 37 (2017: 37) and the related costs incurred during the year were approximately \$25.5 million (2017: \$25.2 million).

## **OUTLOOK**

Recent reports on the Hong Kong retail market have indicated a strong consumer spending, reflecting favourable retail sentiments and optimistic business environment. Nevertheless, management still expects that the leasing market to be challenging due to the anticipated increase in new supply of retail premises in the Tsim Sha Tsui area. Management will adopt appropriate leasing strategies to minimise the likely impact on rental income from iSQUARE. It is anticipated that rental income from iSQUARE and the results from operations of the Group for the coming financial year will be adversely affected.

## **PURCHASE, SALE OR REDEMPTION BY THE COMPANY AND ITS SUBSIDIARIES OF ITS LISTED SECURITIES**

There were no purchases, sales or redemptions of the Company's listed securities by the Company or any of its subsidiaries during the year.

## **COMPLIANCE WITH THE CORPORATE GOVERNANCE CODE**

In the opinion of the Directors, the Company throughout the year ended 31 March 2018 complied with all the code provisions, where applicable, set out in the Corporate Governance Code in Appendix 14 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited ("Listing Rules"), except for the deviations as disclosed hereunder:

- Code Provision A.1.8: Appropriate insurance cover in respect of legal action against directors should be arranged

Currently, the Company does not have insurance cover for legal action against its Directors. The Board believes that with the current risk management and internal control systems and the close supervision of the management, the Directors' risk of being sued or getting involved in litigation in their capacity as Directors is relatively low. Benefits to be derived from taking out insurance may not outweigh the cost. Despite it, every Director is, subject to the provisions of the applicable laws, indemnified out of the assets of the Company against all costs, charges, expenses, losses and liabilities he/she may sustain or incur in or about the execution of his/her office or otherwise in relation thereto pursuant to the Articles of Association of the Company. In view of the above, the Board considers that the Directors' exposure to risk is manageable.

- Code Provision A.2.1: The roles of chairman and chief executive should be separated and performed by two individuals

Mr Cheong Hooi Hong is both the Chairman and chief executive of the Company. To avoid concentration of power and authority in any one individual, day-to-day management of the Company's business is shared by Executive Directors whilst formulation of objectives and strategic decisions are collectively made by the Board. In addition, the Board comprises Independent Non-executive Directors ("INEDs") with differing expertise/calibre who can provide a "check and balance" effect on the management through their high attendance at board meetings and therefore ensuring a balance of power. Given consideration to the aforesaid, the Board of Directors is of the view that the current structure does not have any adverse effect on the Company and believes that this structure enables the Group to make and implement decisions promptly and efficiently.

- Code Provision A.5.1: Issuer should establish a nomination committee which is chaired by the chairman of the board or an INED and comprises a majority of its members as INEDs

Following the passing away of Mr Yau Allen Lee-nam on 25 July 2017, the nomination committee then only consisted of 4 members (including 2 Executive Directors and 2 INEDs) which resulted in the nomination committee not comprising a majority of members who were INEDs as required under this code provision.

To rectify this situation, Mr Wong Yiu Tak was appointed as an INED and a member of the nomination committee on 3 October 2017. Subsequent to the appointments, the Company complies with this code provision as the nomination committee comprises 5 members with a majority of whom as INEDs since then.

- Code Provision B.1.5: Remuneration details of senior management should be disclosed by band in annual reports

The remuneration details of the senior management are not disclosed by band in the annual report. To ensure they are remunerated at a reasonable but not excessive rate, none of them is involved in deciding his/her own remuneration or related to the remuneration committee members (who are authorised to collectively determine the remuneration of the senior management based on a number of factors set out in the Company's remuneration policy). The Directors consider that the non-disclosure does not pose any negative impact on the Company. On the contrary, the disclosure of the remuneration details of the senior management may cause undue comparison and discontent among staff members, and would unnecessarily provide highly sensitive and confidential information to competitors and other third parties looking to recruit the senior management. In light of the above, the Directors are of the view that the disclosure of such information would neither provide pertinent information in furtherance of corporate governance, nor be in the interests of the members of the Company.

- Code Provision C.2.5: Issuer should have an internal audit function and review the need for one in case of its absence annually

At present, the Company does not have an internal audit function. The Board reviewed the need for setting up an internal audit function in March 2018 and considered that there was no such an immediate need after taking into account the Group's current circumstances, such as the focused nature and geographical spread of business, the relatively simple operating structure and small size of the Group and the close involvement and supervision of the management in daily operation, which could provide sufficient risk management and internal control for the Group. Despite it, the Board has taken initiatives to promote the adequacy and effectiveness of the risk management and internal control systems by creating a control environment across the Group (such as building up a corporate culture based on sound business ethics and accountability through the implementation of "whistle-blowing" arrangements and procedure manuals with defined roles, responsibilities and reporting lines) and putting control activities in place (such as conducting group-wide risk assessment exercise regularly). In addition, where the external auditor of the Company considers any internal controls that are relevant to the audit of the financial statements, it will report to the audit committee any significant deficiencies in internal control identified during the audit.

In view of the above considerations and the potential cost to be involved, the Board is of the opinion that it is not cost effective to set up and maintain an internal audit function and that the existing control mechanism could justify its absence for the time being. Nonetheless, the Board will review the need for an internal audit function on an annual basis.

- Code Provision F.1.3: The company secretary should report to the board chairman and/or the chief executive

Instead of reporting to the Chairman (who is also the chief executive of the Company), the company secretary reports directly to the Deputy Chairman. Since the company secretary is located in the same office as the Deputy Chairman and they work closely on a day-to-day basis, direct reporting to the Deputy Chairman can provide for a prompt and timely response to issues which require immediate attention. On the other hand, the Chairman keeps having ongoing discussion and dialogue with the Deputy Chairman on business affairs, in particular corporate governance and financial issues, which enables him to fully understand the operation of the Company and manage it in an effective manner. Taking into account of the above, the Board considers that the current reporting line is apposite to the Company.

## **MODEL CODE FOR SECURITIES TRANSACTIONS**

The Company has adopted the Model Code for Securities Transactions by Directors of Listed Issuers set out in Appendix 10 to the Listing Rules as its code for dealing in securities in the Company by its Directors ("Model Code"). Specific enquiry has been made to all Directors of the Company as to whether they have complied with or whether there has been any non-compliance with the Model Code, and all Directors have confirmed compliance with the required standard set out in the Model Code during the year ended 31 March 2018.

## **COMPLIANCE WITH RULES 3.10(1) AND 3.10A OF THE LISTING RULES**

Following the passing away of Mr Yau Allen Lee-nam on 25 July 2017, the Board then comprised eight members (including five Executive Directors, one Non-executive Director and two INEDs) and the Company was therefore not in compliance with Rules 3.10(1) and 3.10A of the Listing Rules, which respectively stipulate that every board of directors of a listed company must include at least 3 INEDs, and a listed company must appoint INEDs representing at least one-third of its board of directors.

In order to fulfil the said requirements, Mr Wong Yiu Tak was appointed as an INED of the Company with effect from 3 October 2017 (which is within the 3-month grace period in accordance with Rule 3.11 of the Listing Rules). Subsequent to his appointment, the number of INEDs of the Company meets the minimum number as required under the said Rule 3.10(1) and represents one-third of the Board as required under the said Rule 3.10A.
