PROFIT WARNING

This announcement is made by Speedy Global Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to the provisions of inside information under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) and Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The board of directors (the "**Board**") of the Company hereby informs the shareholders of the Company ("**Shareholders**") and potential investors that, based on the information available to the Board, it is expected that that there would be a significant deterioration in the operating results of the Group for the six months ended 30 June 2018 as compared to the six months ended 30 June 2017. Such result was primarily attributable to the reduction of revenue generated from the apparel supply chain servicing business from approximately HK$511.0 million for the five months ended 31 May 2017 to approximately HK$344.6 million for the same period in 2018. Such decrease was mainly attributable to the intense competition in the apparel supply chain market which resulted in the decline in the sales of apparel products.

The information contained in this announcement represents only a preliminary assessment made by the Board based on the information made available to the Board as at the date hereof. The actual results of the Group for the six months ended 30 June 2018 may be different from what is disclosed herein. Furthers details on the financial results will be disclosed in August 2018 when the Group publishes its unaudited interim results for the six months ended 30 June 2018.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
