PROFIT WARNING

This announcement is made by Petro-king Oilfield Services Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the Group’s unaudited consolidated management accounts for the six months ended 30 June 2018 and other information currently available, the Group expects to record a material increase in loss of approximately 30%-50% for the six months ended 30 June 2018 as compared with the corresponding period in 2017. The Board wishes to report that such increase in loss for the six months ended 30 June 2018 was mainly attributable to the (i) decrease in revenue from oilfield project tools and services, (ii) increase in finance costs and (iii) absence of any gain on disposal of assets-held-for-sale for the current period.

The information contained in this announcement is only based on a preliminary assessment by the Board based on information currently available to it, including the unaudited consolidated management accounts of the Group for the six months ended 30 June 2018, which have not yet been confirmed or reviewed by the Company’s auditors or the audit committee of the Company or finalised as at the date of this announcement. The Company is still in the process of finalising the interim results of the Group for the six months ended 30 June 2018 and the same may be subject to adjustments following further review by the Board and the audit committee of the Company.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
