## **Termination**

If at any time on or prior to Completion, the Company is of the opinion that it would not be able to obtain all necessary Authorisations in relation to the entering into of the Subscription Agreement and the issuance of the Convertible Bonds (which, for the avoidance of doubt, shall not include the Listing Approval), the Company may on or before Completion in its absolute discretion without any liability on its part, by notice in writing to Subscriber to terminate the Subscription Agreement.

## **PRINCIPAL TERMS OF THE CONVERTIBLE BONDS**

### **Convertible Bonds**

Subject to certain conditions to Completion, the Company will issue the Convertible Bonds in an aggregate principal amount of US\$210,900,000 which, unless previously redeemed or converted and cancelled, will mature on the date falling three (3) years from the Issue Date.

### **Form and Denomination**

The Convertible Bonds are issued in registered form and will be in denominations of US\$100,000, and integral multiples of US\$100,000 in excess thereof.

### **Issue Price of the Convertible Bonds**

100% of the aggregate principal amount of the Convertible Bonds.

### **Coupon**

Until the Convertible Bonds are fully converted or redeemed and cancelled, the Convertible Bonds shall bear interest at the rate of 20 per cent per annum, which shall be payable by the Company semi-annually in arrears in the sixth month after the Issue Date and in every sixth month thereafter to and including the Maturity Date.

### **Maturity Date**

The date falling on the third Anniversary Date of the Issue Date.

### **Transferability**

The Convertible Bonds shall only be transferable by a Holder to any person, in whole or in part, upon obtaining prior written consent from the Company, and any transfer to a connected person (as defined under the Listing Rules) of the Company shall be additionally subject to compliance with the relevant requirements and provisions under the Listing Rules and all applicable Laws and regulations. The Convertible Bonds may be transferred in whole multiples of US\$100,000 (or such lesser amount as may represent the entire principal amount thereof).

## **Ranking of the Convertible Bonds**

The Convertible Bonds shall, upon their issuance, constitute a direct, unconditional, unsecured and unsubordinated obligation of the Company and rank *pari passu* and rateably without preference (with the exception of obligations in respect of taxes and certain other statutory exceptions) with all other unsecured and unsubordinated obligations of the Company.

## **Redemption of the Convertible Bonds**

### ***Redemption by the Company***

On the Maturity Date, the Company shall redeem any principal amount of the Convertible Bonds which remains outstanding and not previously redeemed or converted into Conversion Shares by paying to each Holder 100% of the outstanding principal amount of the Convertible Bonds held by such Holder, plus accrued interest.

The Company shall have the right, at its sole discretion, to redeem the whole of the outstanding principal amount of the Convertible Bonds held by all Holders plus any accrued interest by paying to each Holder 100% of the outstanding principal amount of the Convertible Bonds held by such Holder, plus accrued interest, if subsequent to the issue of the Convertible Bonds, the Company is discovered to have failed or has failed to obtain all necessary Authorisations in relation to the entering into of the Subscription Agreement and/or the issuance of the Convertible Bonds.

### ***Redemption by the Holders***

A Holder shall have the right, to be exercised in its sole discretion, from the period commencing upon the occurrence of a Triggering Event and ending on the Maturity Date, to require the Company to redeem all of the outstanding principal amount of the Convertible Bonds that it holds by paying to the Holder an amount equal to 110% of the outstanding principal amount of the Convertible Bonds plus accrued interest in respect of the outstanding principal amount of the Convertible Bonds.

Upon the redemption of the full outstanding principal amount of the Convertible Bonds, the right of the Holders to convert the Convertible Bonds shall be extinguished and released.

## **Conversion Rights**

The conversion rights will only exist upon fulfillment of the Conversion Conditions, and subject to the following terms and conditions.

The Holders shall have the following conversion rights in relation to the Convertible Bonds:

- (1) At any time during the Conversion Period, each Holder shall have the right to convert into Conversion Shares the whole or part of the outstanding principal amount of the Convertible Bonds that it holds at the Conversion Price in amounts of not less than US\$100,000 or whole multiples thereof on each conversion, save that if at any time, the outstanding principal amount of the Convertible Bonds that it holds is less than US\$100,000, the whole (but not part) of the outstanding principal amount of the Convertible Bonds may be converted (the “**Conversion Right**”).

- (2) Upon the occurrence of a Triggering Event or Cancellation of Listing during the Conversion Period, each Holder shall have the right to convert into Shares the whole (but not part) of the outstanding principal amount of the Convertible Bonds that it holds at the time of occurrence of such Triggering Event or Cancellation of Listing (the “**Triggering Event Conversion Right**”) at the Conversion Price. In the event that a Holder elects to exercise the Triggering Event Conversion Right, the Holder shall be entitled to receive an amount in cash equal to the interest that would have accrued on the outstanding principal amount of the Convertible Bonds that it holds on the date of occurrence of the Triggering Event or Cancellation of Listing (the “**Triggering Event Date**”) for the period from the Triggering Event Date to the next Anniversary Date.

The Company shall have the following conversion right in relation to the Convertible Bonds:

- (1) Subject to the fulfillment of the Conversion Conditions, the Company shall have the right to convert into Shares the whole (but not part) of the outstanding principal amount of the Convertible Bonds (the “**Company Conversion Right**”) at the Conversion Price at any time during the period commencing from the 19th month following the Issue Date and up to and inclusive of 7 Business Days prior to the Maturity Date. In the event that the Company elects to exercise the Company Conversion Right, it shall pay to each Holder an amount equal to the interest that would have accrued on the Convertible Bonds of the Holder from the date on which the Company elects to exercise the Company Conversion Right (the “**Company Conversion Date**”) to the next Anniversary Date after the Company Conversion Date.

Subject to the General Mandate Threshold, the number of Conversion Shares to be issued by the Company to a Holder upon the exercise of the Conversion Right or the Triggering Event Conversion Right by a Holder or the exercise of the Company Conversion Right by the Company shall be determined by dividing (i) the outstanding principal amount of the Convertible Bonds to be converted by (ii) the Conversion Price in effect at the Conversion Date, Triggering Event Date or Company Conversion Date (whichever is applicable). Upon the conversion, the right of such Holder to redemption of the outstanding principal amount of the Convertible Bonds that has been converted shall be extinguished and released.

The maximum number of Conversion Shares issuable upon conversion of the Convertible Bonds shall be subject to the General Mandate Threshold. If any event occurs (including but not limited to any dilutive events which leads to the number of Conversion Shares issuable under the Convertible Bonds to exceed the General Mandate Threshold), then each Holder shall be entitled to a maximum number of Conversion Shares upon conversion of the outstanding principal amount of the Convertible Bonds that it holds that is equal to its Pro Rata Portion of the General Mandate Threshold, and any remaining principal amount of the Convertible Bonds of each Holder shall be redeemed by the Company in accordance with the section headed “Redemption of the Convertible Bonds” above.

## **Conversion Price**

The initial conversion price (“**Conversion Price**”) of HK\$6.29 per Conversion Share represents:

- (1) the same price as the closing price of HK\$6.29 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (2) a premium of approximately 1.75% to the average closing price of HK\$6.182 per Share as quoted on the Stock Exchange for the last five (5) trading days up to and including the Last Trading Day; and
- (3) a premium of approximately 6.63% to the average closing price of HK\$5.899 per Share as quoted on the Stock Exchange for the last ten (10) trading days up to and including the Last Trading Day.

The Conversion Price was determined after arm’s length negotiations between the Company and Subscriber with reference to, among others, the prevailing market price of the Shares before suspension of trading.

The Conversion Price will be subject to adjustment for, among other matters, sub-division, consolidation and reclassification of Shares, issue of Shares in lieu of the whole or any part of a specifically declared cash dividend, capital distributions, issue of convertible securities, issue of new shares in discount, consideration issues and other dilutive events.

## **UNDERTAKINGS**

The Company unconditionally and irrevocably undertakes that for so long as the Convertible Bonds remain outstanding:

- (1) unless prior written consent is obtained from Subscriber, the Consideration shall be used only for the purposes of (i) paying the costs and expenses (including legal fees) incurred by the Company in the preparation, negotiation and execution of the Transaction Documents, (ii) the redemption of the 2020 Notes and (iii) general corporate use; and
- (2) as soon as practicable after the resumption in trading in the Shares, it shall make an application to the Listing Committee of the Stock Exchange for Listing Approval.

Subscriber will not exercise any conversion right attaching to the Convertible Bonds, if such exercise would result in:

- (1) it and all other persons acting in concert with it jointly controlling or being interested in, directly or indirectly, such percentage of the voting rights of the Company as would trigger a mandatory general offer as may be specified from time to time under the Takeovers Code;
- (2) the violation by the Company of the minimum public float requirement under the Listing Rules; or
- (3) the Pro Rata Portion of the General Mandate Threshold of the Company being exceeded.

## USE OF PROCEEDS

The gross proceeds and the net proceeds from the issue of the Convertible Bonds will be US\$210.9 million and approximately US\$210.7 million, respectively. Therefore, the net issue price per Conversion Share is estimated to be approximately HK\$6.28 based on the Conversion Price assuming the conversion of the Convertible Bonds into the Conversion Shares in full at an exchange rate of US\$1: HK\$7.8. The Company intends to use the net proceeds for (i) paying the costs and expenses (including legal fees) incurred by the Company in the preparation, negotiation and execution of the Transaction Documents, (ii) partial redemption of the 2020 Notes and (iii) general corporate use.

The Company is in the process of evaluating various strategic options and implementing a consensual solution for the 2020 Notes, which may include a partial redemption of the 2020 Notes. The Directors are of the view that issuing the Convertible Bonds will facilitate the Company in agreeing a consensual solution for the 2020 Notes restructuring, which is crucial for the Company to optimise its future operations.

On the above premises, the Directors (including the independent non-executive Directors) are of the view that the terms of the Convertible Bonds (i) have been negotiated on an arm’s length basis; and (ii) are fair and reasonable and in the interests of the Company and its Shareholders as a whole.
