This announcement is made by Tomson Group Limited (the “**Company**”, and when together with its subsidiaries, the “**Group**”) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (“**SFO**”) and pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”).

The board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that the Group is expected to record a substantial decrease of approximately 55% in its consolidated profit after taxation attributable to the Shareholders for the six months ended 30th June, 2018 as compared with that of HK\$483 million for the corresponding period in 2017.

The expected decrease in the results of the Group is mainly attributable to the completion of disposal of the Group’s investment in the property projects in Tianjin, the People’s Republic of China in 2017. In contrast in the first half of 2018, there was a one-off gain on disposal of a joint venture recognized in the corresponding period in 2017. In addition, there was a decrease in the turnover of the Group for the first half of 2018 arisen from the completion of the disposal of subsidiaries in the second half of 2017.

As the Company is in the process of finalizing the interim results of the Group for the six months ended 30th June, 2018, the information contained in this announcement is only based on a preliminary assessment by the Company with reference to the information currently available and the consolidated management accounts of the Group, which have neither been confirmed nor audited by the Company's auditor. Details of the unaudited consolidated interim results of the Group for the six months ended 30th June, 2018 are expected to be announced by the Company in late August 2018.
