The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 215,037,625 Shares.

Subject to the passing of the ordinary resolution set out in item 6 of the notice of the Annual General Meeting in respect of the granting of the Share Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, i.e. being 215,037,625 Shares, the Directors would be authorised under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, a total of 21,503,762 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Share Repurchase Mandate is in the best interests of the Company and the Shareholders. Shares repurchase may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

3. FUNDING OF SHARE REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum of Association and the Bye-laws and the applicable laws of Bermuda. It is intended to finance the repurchases from the Company's available cash flow or working capital facilities. The Company is empowered under the Memorandum of Association to repurchase Shares and the same authority is given under section 42A of the Companies Act. The Bye-laws supplement the Memorandum of Association by providing that this power is exercisable by the Directors upon such terms and subject to such conditions as they think fit. The Companies Act provides that the funds permitted to be utilized in connection with a share repurchase may only be paid out of either the capital paid up on the relevant repurchased Shares, or the funds of the Company that would otherwise be available for dividend or distribution, or the proceeds of a fresh issue of shares made for such purpose. The amount of premium payable on redemption may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution, or out of the share premium account of the Company before the Shares are repurchased. Under Bermuda law, a company's repurchased shares shall be treated as cancelled upon purchase and the company's issued share capital shall be diminished by the nominal value of those shares accordingly (but such repurchase is not to be taken as reducing the amount of the company's authorised share capital) or be treated as treasury shares.

4. IMPACT OF SHARE REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 30 June 2018) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous 12 months up to and including the Latest Practicable Date were as follows:

Month	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
September, 2017	1.70	1.61
October, 2017	1.67	1.56
November, 2017	1.75	1.60
December, 2017	1.61	1.52
January, 2018	1.90	1.52
February, 2018	1.85	1.62
March, 2018	1.71	1.53
April, 2018	1.58	1.55
May, 2018	1.66	1.57
June, 2018	1.65	1.50
July, 2018	1.68	1.40
August, 2018	1.62	1.44
September, 2018 (up to the Latest Practicable Date)	1.55	1.43

6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares pursuant to the Share Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

7. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, Mr. Wong Chung Chong ("Mr. Wong") and his close associates (as defined in the Listing Rules) was in aggregate interested in 61,026,823 Shares representing approximately 28.38% of the total issued share capital whereas VdV was interested in 55,184,708 Shares, representing approximately 25.66% of issued share capital of the Company. In the event that the Directors exercise the proposed Share Repurchase Mandate in full and on the assumption that no further Shares are issued during the relevant period, the aggregate shareholding of Mr. Wong and his close associates would be increased to approximately 31.53% of the issued share capital of the Company whilst VdV's interest would be increased to approximately 28.51% of the issued share capital of the Company.

The Directors consider that such increase in shareholding held by Mr. Wong would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors do not consider such increase would reduce the issued share capital in the public to less than 25% (or the relevant prescribed minimum percentage required by the Stock Exchange). The Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

8. SHARE REPURCHASE MADE BY THE COMPANY

During the 6 months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
