

FORWARD-LOOKING STATEMENTS

This document contains forward-looking statements that are, by their nature, subject to significant risks and uncertainties. The forward-looking statements are contained principally in the sections headed “Summary”, “Risk factors”, “Industry overview”, “Business”, “Financial information” and “Future plans and [REDACTED]” in this document. These statements relate to events that involve known and unknown risks, uncertainties and other factors, including those listed under “Risk factors” in this document, which may cause our actual results, performance or achievements to be materially different from performance or achievements expressed or implied by the forward-looking statements. These forward-looking statements include, without limitation, statements relating to:

- our business prospects;
- future events and developments, trends and conditions in the industry and markets in which we operate or plan to operate;
- our business strategies and plans to achieve these strategies;
- our objectives and expectations regarding our future operations, profitability, liquidity and capital resources;
- general economic, political and business conditions in the industry and markets in which we operate;
- changes to the regulatory environment and general outlook in the industry and markets in which we conduct or may conduct our business;
- our ability to reduce costs;
- our dividend policy;
- the amount and nature of, and potential for, future development of our business;
- capital market developments;
- the actions and developments of our competitors; and
- change or volatility in interest rates, foreign exchange rates, equity prices, volumes, operations, margins, risk management and overall market trends.

FORWARD-LOOKING STATEMENTS

The words “aim”, “anticipate”, “believe”, “could”, “estimate”, “expect”, “going forward”, “intend”, “may”, “might”, “plan”, “project”, “propose”, “seek”, “should”, “target”, “will”, “would” and the negative of these terms and other similar expressions, as they relate to us, are intended to identify a number of these forward-looking statements. These forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. Actual results may differ materially from information contained in the forward-looking statements as a result of a number of uncertainties and factors, including but not limited to:

- any changes in the laws, rules and regulations relating to any aspect of our business or operations;
- general economic, market and business conditions, including the sustainability of the economic growth;
- changes or volatility in interest rates, foreign exchange rates, equity prices or other rates or prices;
- business opportunities and expansion that we may pursue; and
- the risk factors discussed in this document as well as other factors beyond our control.

Subject to the requirements of applicable laws, rules and regulations, we do not have any obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. As a result of these and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect, or at all. Accordingly, you should not place undue reliance on any forward-looking information. All forward-looking statements contained in this document are qualified by reference to the cautionary statements set forth in this section as well as the risks and uncertainties discussed in the section “Risk factors” in this document.
