The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company and potential investors that based on a preliminary assessment by the Company's management of the unaudited consolidated management accounts of the Group, the Group is expected to record a substantial decrease in loss or even a profit for the six months ended 30 April 2019 (the "**Interim Period**") as compared with the loss recorded for the corresponding period in 2018.
