This announcement is made by Trio Industrial Electronics Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (“**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review by the Board on the unaudited consolidated management accounts of the Group for the five months ended 31 May 2019, and taking into consideration the sales and shipping plan of the Group for June 2019 and the information currently available to the Board, the Group is expected to record an increase of profit attributable to equity holders of the Company of approximately 40% to 70% for the six months ending 30 June 2019 as compared to the corresponding period in 2018. The expected increase is mainly due to the decrease in operating costs as a result of the depreciation of Renminbi against Hong Kong dollar coupled with the decrease in prices of certain raw materials.

The actual financial results of the Group for the six months ending 30 June 2019 may differ from the information disclosed in this announcement. Shareholders and potential investors are advised to read carefully the interim results announcement of the Company for the six months ending 30 June 2019, which is expected to be published in August 2019 in accordance with the requirements of the Listing Rules.
