PROFIT WARNING

This announcement is made by Gome Finance Technology Co., Ltd. (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to the Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Based on a preliminary review of the unaudited consolidated management accounts of the Group up to 31 May 2019 and the information currently available to the board of directors (the "**Board**") of the Company, the Group is expected to record a loss attributable to the owners of the Company of not less than RMB 4,000,000 for the six months ending 30 June 2019 (the "**Interim Period**") as compared with a profit of approximately RMB 3,930,000 attributable to the owners of the Company for the six months ended 30 June 2018 (the "**Corresponding Period**"). The Board considers that the turnaround in the results for the Interim Period as compared to the Corresponding Period is principally attributable to the following factors:

(i) There is a slowdown in the domestic economy of China resulting in the decrease in revenue recognized by the Group during the Interim Period; and

(ii) Up to 31 May 2019, the Group had recognized provision for impairment loss on the Group's loans receivables of approximately RMB7,438,000, which was larger than the recognized in the Corresponding Period.

The Company is in the process of finalizing the financial results of the Group for the Interim Period. The information contained in this announcement is only a preliminary assessment by the management of the Company based on the unaudited consolidated management accounts of the Group up to 31 May 2019 and other information currently available and is not based on any figures or information which has been audited or reviewed by the auditors of the Company. Details on the financial information of the Group for the Interim Period to be disclosed in the interim results announcement (which is expected to be published by the end of August 2019) of the Company shall prevail.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
