PROFIT WARNING

This announcement is made by International Alliance Financial Leasing Co., Ltd. (the "**Company**" and together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2019 and the information currently available to the Board, it is expected that the Group will record a consolidated net loss for the six months ended 30 June 2019 as compared to the net profit recorded for the corresponding period in 2018. Based on the information currently available, the Board considers that the expected net loss was mainly attributable to the approach to make impairment provisions for the finance lease receivables due to certain lessees' delay in repaying the principal and/or interest under the International Financial Reporting Standard 9 – Financial Instruments. The Board wishes to emphasise that the aforementioned provisions made are non-cash in nature and do not have any material impact on the cash flow of the Group.

Notwithstanding the above, the Group's management will consider deploying different means, including but not limited to instituting legal proceedings, in order to protect its rights and entitlements under the relevant finance lease agreements.

The Company is still in the process of finalising the interim results of the Group for the six months ended 30 June 2019. The information contained in this announcement is only a preliminary assessment by the Board based on the information currently available to the Group, which has not yet been audited or reviewed by the Company's auditor and the audit committee of the Company. The actual unaudited consolidated interim results for the Group may be different from what is disclosed in this announcement. Shareholders and investors should read carefully the interim results announcement of the Company for the six months ended 30 June 2019, which is expected to be published in August 2019.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
