PROFIT WARNING

This announcement is made by FingerTango Inc. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to the Inside Information Provisions (as defined in the Listing Rules) of Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong) and Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”).

The Board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2019 (the “**Relevant Period**”) and information currently available to the Company, it is currently anticipated that the unaudited profit attributable to the owners of the Company for the Relevant Period is expected to be decreased by the range between 45% to 55% as compared to the profit attributable to the owners of the Company for the corresponding period of 2018.

Based on the information currently available, the Board wishes to further announce that the expected decline in unaudited profit attributable to the owners of the Company for the Relevant Period was mainly due to an increase in selling and marketing expenses as the Company has engaged in more extensive advertising and promotion activities for mobile games during the Relevant Period, coupled with the unrecovered growth momentum of the previously stressed market resulting from the suspension of approval of online game publication for over nine months in 2018.

The Company is still in the process of finalizing the interim results for the six months ended 30 June 2019. The information contained in this announcement is only based on the preliminary assessment by the management of the Company with reference to the unaudited consolidated management accounts of the Group and the information currently available, and is not based on any financial figures and/or information which have been audited, verified or reviewed by the auditor or the audit committee of the Company. The interim results announcement of the Company for the six months ended 30 June 2019 is expected to be published in late August 2019.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
