PROFIT WARNING

This announcement is made by Hingtex Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the "**Board**") of the Company wishes to inform shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group and information currently available to the Board, the Group is expected to report a decrease of over 50% in its net profit for the six months ended 30 June 2019, as compared with its financial results for the six months ended 30 June 2018. Based on the relevant information currently available to the Board, the Board considers such expected decrease in net profit for the first half of 2019 is mainly due to the delay of denim fabric shipments to our garment manufacturing customers as requested by the U.S. brand owners, who use our denim fabric in their products. As a result of the ongoing Sino-U.S. trade war, additional U.S. import tariffs are imposed on numerous goods, including denim garments, manufactured in the PRC. Aiming to minimise the impact arising out of the aforementioned tariffs, the U.S. brand owners have requested us to hold off deliveries of denim fabric until they have successfully engaged qualified garment manufacturers located outside the PRC.

The information contained in this announcement is only based on a preliminary assessment by the management of the Company with reference to the information currently available including the unaudited consolidated management accounts of the Group, which have not been reviewed or audited by the independent auditors of the Company and are subject to possible adjustments arising from further review or audit. Shareholders and potential investors are advised to read carefully the unaudited consolidated interim results of the Group for the six months ended 30 June 2019 which are expected to be announced by the Company before the end of August 2019.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
