DISCLOSURE OF DEALINGS

Associates of TPV and the Offeror are reminded to disclose their dealings in any relevant securities of TPV.

In accordance with Rule 3.8 of the Takeovers Code, reproduced below is the full text of Note 11 to Rule 22 of the Takeovers Code:

“Responsibilities of stockbrokers, banks and other intermediaries

Stockbrokers, banks and others who deal in any relevant securities of TPV on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates of the Offeror or TPV and other persons under Rule 22 of the Takeovers Code and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant rules under the Takeovers Code. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security of TPV undertaken for a client during any 7 day period is less than HK\$1 million.

This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediaries are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in any relevant securities of TPV should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”

WARNING

The Proposal, the Scheme and the Option Offer are conditional upon the satisfaction or (where applicable) waiver of conditions. Accordingly, the Proposal may or may not be implemented, the Scheme may or may not become effective and the Option Offer may or may not be implemented. TPV Shareholders and potential investors of TPV should therefore exercise caution when dealing in the securities of TPV. Persons who are in doubt as to the action they should take should consult their licensed securities dealers or registered institutions in securities, bank managers, solicitors, professional accountants or other professional advisers.
