### **UPDATES ON THE REVISED RESUMPTION PROPOSAL**

As disclosed in the announcement of the Company dated 30 August 2019, given that the approved total amount of import quotas is below that specified in the Quota Application, the Target Company is currently evaluating the feasibility of procuring additional quantities of domestic scrap metals, as well as the overall impact of the limited import quotas and the additional time and efforts that may be incurred in sourcing scrap metals domestically on the business and financial performance of the Target Company. In this regard, the Sponsor is closely monitoring the business condition and recent financial performance of the Target Company and in discussions with the Target Company and the relevant professional parties to ensure compliance of the New Listing Application with the relevant requirements of the Listing Rules.

It is currently expected that after the Sponsor and the other professional parties have fully addressed (i) the impact of the New PRC Regulations on the business and financial performance of the Target Group and the New Listing Application and; (ii) certain proposed amendments to the Revised

Proposed Restructuring to comply with the regulatory requirements with respect to, amongst others, the minimum market capitalisation requirement which took effect in February 2018, the Company will reactivate the New Listing Application, which has lapsed on 24 February 2019, by refiling a renewed New Listing Application pursuant to Rule 9.03(1) of the Listing Rules. The Company intends to despatch the Circular to the Shareholders and convene the extraordinary general meeting to approve the transactions contemplated under the Revised Restructuring Agreement as soon as practicable thereafter.

Subject to fulfillment or waiver (as applicable) of the conditions precedent of the Revised Restructuring Agreement and the Stock Exchange's approval of the resumption of trading of the Shares on the Stock Exchange, it is the Company's tentative plan to complete the aforesaid transactions and resume trading of its Shares on the Stock Exchange in 2020. As said above, the aforesaid tentative timing is subject to a number of conditions and may or may not materialise.

### **SUSPENSION OF TRADING**

At the request of the Company, trading in the Shares on the Stock Exchange has been suspended from 9:00 a.m. on 2 June 2015. Trading in the Shares will remain suspended until further notice.

**The publication of this announcement does not indicate any decision or conclusion from the Stock Exchange nor warrant any approval from the Stock Exchange on the trading resumption in the Shares. In addition, the transactions contemplated under the Revised Restructuring Agreement and trading resumption in the Shares are subject to the fulfillment of a number of conditions precedent and therefore may or may not materialise and proceed. Shareholders and potential investors of the Company are advised to exercise caution when dealing in the Shares.**
