The board of directors (the “**Directors**”) of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and the potential investors that, based on the information currently available to the Board and its preliminary review of the unaudited consolidated management accounts of the Group, the Group is expected to record a loss after tax for the six months ended 30 September 2019, as compared with the profit after tax of approximately HK\$2.9 million recorded by the Group for the six months ended 30 September 2018.
