All these contributions have generated a profound influence on the long-standing development of the Company. At the same time, Mr. LIU advocates the commercial civilization in earnest and fulfills the corporate social responsibility. He is committed to passing down the spirit of “be a good person, do good deeds, and set a good example to society” from generation to generation in Legend. Beyond all the aforementioned, Mr. LIU has promoted China’s innovative transition towards an information-based society through Legend’s practice. Mr. LIU has also led Legend to gain the upper hand in facing fierce competition from international players in the domestic market. Mr. LIU has successfully implemented the shareholding reform of enterprise and also blazed a trail of institutional reform for high-tech enterprises under scientific research institutes in China. PROPOSED AMENDMENTS TO ARTICLES OF ASSOCIATION

The Board has approved the proposed amendments to Articles of Association of the Company ("Proposed Amendments"), details of which are set out in the appendix of this announcement.

Based on the following reasons and the actual circumstances of the Company, the main contents of the relevant terms of Articles of Association shall be amended accordingly:

- (1) In accordance with the Reply of the State Council on the Adjustment of the Notice Period of the General Meeting and Other Matters Applicable to the Overseas Listed Companies (Guo Han [2019] No.97) (《關於調整適用在境外上市公司召開股東大會通知期限等事項規定的批覆》(國函[2019]97號)), the requirements on the notice period of the general meetings and convening procedures for overseas listed companies shall be governed by the relevant provisions under the Company Law of the PRC, instead of the provisions under the Articles 20 to 22 of the Special Provisions of the State Council Concerning the Floatation and Listing Abroad of Stocks by Limited Stock Companies (《國務院關於股份有限公司境外募集股份及上市的特別規定》) issued in 1994 which required, among others, "When a company convenes a shareholders' general meeting, a written notice must be issued no later than 45 days before the meeting";
- (2) The sixth meeting of the Standing Committee of the Thirteenth National People's Congress reviewed and approved the revisions to Article 142 of the Company Law regarding repurchase by a company of its own shares, which supplements circumstances under which a company is allowed to repurchase its own shares. It is proposed to amend relevant provisions of the Articles of Association to reflect such revisions in the Company Law. In the event that the Company intends to repurchase H Shares, the Company will comply with the relevant Listing Rules, in particular Rule 10.06(5) of the Listing Rules, which provides that the listing status of all shares which are repurchased by the listing company shall be automatically cancelled upon repurchase and the listing company must apply for re-listing of any further issues of the same type of shares. The repurchase of H Shares is subject to the passing of a special resolution at the general meeting and the approval of H shareholders at class meeting; and

- (3) In order to secure sustainable and steady development of the Company, as well as optimize the governance structure, the Company intends to apply applicable adjustment of the above rules to amend the authority of the relevant governance body(s), as well as amend the title and scope for some of the senior management.

The independent legal adviser is of the opinion that, the Proposed Amendments to Articles of Association has complied with the laws of the PRC and requirements of the Listing Rules. The Board considers that the Proposed Amendments are in the interests of the Company and its Shareholders as a whole. The Proposed Amendment will take effect after being approved by the Shareholders by way of a special resolution at the forthcoming EGM.
