LEASE AGREEMENT

The Previous Lease Agreement entered into between the Company and Changshou Iron & Steel on 19 December 2018 will expire on 31 December 2019. In order to ensure the consistent and stable production and operation of the Company, the Company and Changshou Iron & Steel entered into the Lease Agreement on 27 December 2019, pursuant to which Changshou Iron & Steel agreed to lease the Assets to the Company. The principal terms of the Lease Agreement are set out below:

Date:

27 December 2019

Parties:

- (i) the Company, as the lessee;
- (ii) Changshou Iron & Steel, as the lessor.

Assets to be leased:

Blast furnace, sintering machine, coke oven and other pre-ironmaking machinery and equipment

Lease period:

The lease period is one year, from 1 January 2020 to 31 December 2020.

Rent:

The rent shall be RMB17,875,000 per month, meaning that the annual cap shall be RMB214,500,000. If within the lease period, the number of actual leasing days is less than a month, the rent shall be calculated based on the monthly rent \div 30 days \times actual number of days of usage.

The rent shall be paid by cash monthly, and the Company shall pay the rent of the preceding month by the tenth day of the following month.

The annual depreciation rate of such assets as the production machinery and equipment of Changshou Iron & Steel shall be 5.588%. The total annual rent of such assets as the production machinery and equipment rented by the Company from Changshou Iron & Steel was calculated at 5.5% of the original asset value (inclusive of tax) of Changshou Iron & Steel and determined by the parties on arm's length basis, and the rent agreed shall not be higher than the prices offered by independent third parties for leasing the same kind of assets to the Company and its subsidiaries; the annual cap was determined based on the rent under the Lease Agreement.

REASONS AND BENEFITS FOR ENTERING INTO THE LEASE AGREEMENT

The lease of the machinery and equipment by the Company from Changshou Iron & Steel for the Company's own production and operation activities is necessary for the normal production and operation of the Company and will ensure its consistent and stable production.

The Directors (including the independent non-executive Directors) are of the view that the terms of the Lease Agreement, including the annual cap, are fair and reasonable, entered into on normal commercial terms or terms not less favorable than those offered by independent third parties in the ordinary and usual course of business of the Company, and are in the interests of the Shareholders as a whole.

INFORMATION OF THE PARTIES

The Company is principally engaged in the manufacture and sale of steel products such as medium-gauge steel plates, steel sections and wire rods.

Changshou Iron & Steel is principally engaged in the technology development, technology transfer, technical services and technical management consultancy in the fields of steel, metallurgy and mining, coal, chemical industry, electric power and transportation; sale of steel raw materials; operation of dock; warehousing service (excluding storage of dangerous goods); leasing of own property and equipment; import and export of goods and technology; corporate management and consultancy service.
