PROFIT WARNING

This announcement is made by the Company under Part XIVA of the SFO and pursuant to Rule 13.09(2)(a) of the Listing Rules.

The Board wishes to inform that based on a preliminary assessment, the Group is expected to record a substantial decrease of approximately 60% in its consolidated profit after taxation attributable to the Shareholders for the year ended 31st December, 2019 as compared with that of HK\$408 million for the corresponding period in 2018.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

This announcement is made by Tomson Group Limited (the “**Company**”, and when together with its subsidiaries, the “**Group**”) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (“**SFO**”) and pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”).

The board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that the Group is expected to record a substantial decrease of approximately 60% in its consolidated profit after taxation attributable to the Shareholders for the year ended 31st December, 2019 as compared with that of HK\$408 million for the corresponding period in 2018.

Unlike the case in the corresponding period in 2018 when a significant amount of an unrealized gain on fair value changes of investment properties of the Group arose from market valuation pursuant to accounting standards, there were lower fair value changes of those properties for the year under review, hence a decrease in the results of the Group is expected.

Although a decline in the consolidated results of the Group may be recorded, the Board believes that this will not have any material adverse impact on the financial position of the Group.

As the Company is in the process of finalizing the annual results of the Group for the year ended 31st December, 2019, the information contained in this announcement is only based on a preliminary assessment by the Company with reference to the information currently available and the consolidated management accounts of the Group, which have neither been confirmed nor audited by the Company's auditor. Details of the audited consolidated annual results of the Group for the year ended 31st December, 2019 are expected to be announced by the Company at the end of March 2020.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
