The board of directors of the Company (the "**Board**") wishes to inform shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2019 (the "**Current Year**") and the information currently available to the Company, the Group expects to record a significant decrease in profit attributable to the equity holders of the Company for the Current Year as compared to profit attributable to the equity holders of the Company of approximately S$7.4 million for the year ended 31 December 2018.

As the Company is still in the process of preparing its consolidated annual results for the Current Year, the information contained in this announcement is only based on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group for the Current Year and information currently available to the Company, which financial figures or information have neither been audited or reviewed by the auditors of the Company, nor been approved by the audit committee of the Company. The results announcement of the Group for the Current Year is expected to be published by the Company within the timeframe as stipulated under the Listing Rules.
