FOR THE YEAR ENDED 31 DECEMBER 2019

1. GENERAL INFORMATION

Flyke International Holdings Ltd. (the “Company”) was incorporated in the Cayman Islands as an exempted company with limited liability under the Companies Law of the Cayman Islands. The address of its registered office is Cricket Square, Hutchins Drive, P.O. Box 2681, Grand Cayman KY1-1111, Cayman Islands. The address of its principal place of business is Unit D, 12/F, Seabright Plaza, 9-23 Shell Street, North Point, Hong Kong. The Company’s shares are listed on the Main Board of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) and the trading in shares of the Company has been suspended since 31 March 2014.

The Company is an investment holding company.

2. BASIS OF PREPARATION

Suspension of trading in shares of the Company

References are made to the Company’s announcements dated 31 March 2014 and 30 April 2014 in relation to, among others things, clarification of the press release and delay in publication of the audited consolidated financial statements of the Company and its subsidiaries (collectively referred to as the “Group”) for the year ended 31 December 2013. At the request of the Company, trading in shares of the Company has been suspended since 31 March 2014.

On 23 September 2014, the Stock Exchange issued a letter to the Company stating that it considers appropriate to impose on the Company the following conditions for resumption of trading in shares of the Company (the “Resumption Conditions”):

- (i) disclose the findings of the investigation on the outstanding audit issues of previous auditors (the “Outstanding Audit Issues”) and if necessary, conduct further investigations with appropriate scope to resolve the Outstanding Audit Issues;
- (ii) publish all outstanding financial results and reports and address any audit qualifications;
and
- (iii) demonstrate adequate internal controls have been put in place by the Company.

Reference is made to the Company's announcement dated 5 September 2016, the Directors have recently tried and have not been able to gain access to the plants of the Group located in the People's Republic of China ("PRC"). In addition, the Company has not been able to contact Mr. Lin Wenjian, the legal representative of the subsidiaries of the Company established in the PRC ("PRC Subsidiaries"). In spite of repeated requests from the Company, since the resignation of Mr. Lin Wenjian as a director of the Company on 17 June 2016, Mr. Lin Wenjian has not tendered his resignation as director and legal representative of the PRC Subsidiaries. Furthermore, neither Mr. Lin Wenjian nor Mr. Lin Wenzu, both of whom have resigned as directors of the Company, have tendered resignations in relation to their directorship of those subsidiaries outside the PRC or provided assistance to the Company to change the authorised signatories mandates in respect of the bank accounts of the Group, as requested (the "Rejection of Assessment and Resignation").

There were several changes in the Directors of the Company and senior management of the Group including (i) resignation of four executive Directors on 10 February 2015, 17 June 2016 and 24 June 2016; (ii) appointment of two new executive Directors on 9 November 2015 and 13 July 2016; and (iii) resignation of the chief financial officer on 17 June 2016.

Reference is made to the Company's announcements dated 2 April 2015 and 21 May 2015, the Board has set up an investigation committee comprising the independent non-executive Directors (the "Special Committee") to look into the matter, including (i) make enquiries with the staff of the Company regarding contacts with banks, reconciliation of bank statements with the ledgers and procedures for obtaining bank confirmations; and (ii) contact the relevant banks to understand the discrepancies in bank balances as shown on the bank statements of the PRC Subsidiaries (the "Discrepancies") and the procedures for obtaining bank confirmations and bank statements. It was noted that the bank statements obtained by the independent non-executive Director confirmed the Discrepancies of approximately RMB374 million that had come to the attention of the Board.

Reference is made to the Company's announcements dated 9 September 2016 and 18 October 2016, the Company, Southern Global Holdings Limited ("Investor A") and Everlink Development Limited ("Investor B", together with Investor A, the "Investors") have entered into a non-legally binding investment framework agreement (the "Investment Framework Agreement") in relation to the proposed restructuring of the business and finances of the Group (the "Proposed Restructuring").

Reference is made to the Company's announcement dated 20 March 2017, Investor A, Investor B and the Company have entered into an agreement under which the parties conditionally agreed to undertake the Proposed Restructuring.

Reference is made to the Company's announcement dated 24 September 2018, the Company received a letter issued by the Listing Department of the Stock Exchange (the "Listing Department") to reject the Third New Listing Application on the basis that the target company would not be able to meet the minimum profit requirement under Rule 8.05(1)(a) of the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited (the "Listing Rules") (the "Decision"). The Company has on 24 September 2018 submitted a written request to the Listing Committee (as defined in the Listing Rules) pursuant to Rule 2B.05(1) of the Listing Rules for a review of the Decision (the "Review").

Reference is made to the Company's announcements dated 1 August 2018 and 1 November 2018, the acquisition is subject to a number of conditions including but not limited to independent shareholders' approval, which may or may not be fulfilled. In addition, the Listing Committee's approval on the third new listing application submitted to the Stock Exchange on 8 June 2018 (the "Third New Listing Application") may or may not be granted. In the event that the approval of the Third New Listing Application is not granted by the Listing Committee, the restructuring agreement will not become unconditional and the acquisition and the Proposed Restructuring will not proceed.

Reference is made to the Company's announcement dated 9 November 2018, the Company has withdrawn its request for the Review. The Company does not agree with the Listing Department's analysis and decision to reject the Third New Listing Application, but the Company has decided to withdraw its request for the Review, which is supported by the following practical considerations:

1. The Third New Listing Application submitted on 8 June 2018 contains the financial information of the target group for the four years ended 31 December 2017 and given that it is less than two months from the end of another financial year, the target group is in the process of updating the financial information for the year ended 31 December 2018 for inclusion in the Circular in compliance with Rule 4.06(1) of the Listing Rules;
2. The disposal gain for sale of two office buildings, which the Listing Department considered to be not arisen from the ordinary and usual course of business, is relevant to the financial information for the year ended 31 December 2017, which will no longer represent the most recent year for the purpose of Rule 8.05(1)(a) of the Listing Rules with the inclusion of the audited financial information for the year ended 31 December 2018; and
3. The directors of the target company are of the view that the requirement of Rule 8.05(1)(a) of the Listing Rules will be satisfied with the financial information of the target group updated to include the year ended 31 December 2018.

Reference is made to the Company's announcement dated 24 December 2018, 1 January 2019, 1 February 2019 and 25 February 2019, the Company has on 6 December 2018 submitted a resumption proposal (the "Resumption Proposal") in relation to the modified restructuring as terms and conditions revised and restated with the principal terms of the Proposed Restructuring (the "Modified Restructuring") to the Stock Exchange.

Reference is made to the Company's announcement dated 28 June 2019, the Stock Exchange issued a letter to the Company on 21 June 2019 setting out the following resumption conditions which the Company must also fulfil for resumption of trading of its shares on the Stock Exchange:

- (i) demonstrate that the Company has a sufficient level of operations or assets of sufficient value as required under Rule 13.24;
- (ii) address the Outstanding Audit Issues and the Discrepancies as mentioned in the Company's announcements dated 2 April and 21 May 2015, take all necessary remedial actions and inform the market of all material information;
- (iii) publish all outstanding financial results and address any audit qualifications; and
- (iv) demonstrate that the Company has in place adequate and effective financial reporting procedures and internal control systems to meet its obligations under the Listing Rules.

On 28 June 2019, the Company did not proceed with the Modified Restructuring.

Reference is made to the Company's announcement dated 3 January 2020, the Company submitted a resumption proposal (the "New Resumption Proposal") to the Stock Exchange in support of the resumption of trading in the Shares on 17 December 2019. The Company will issue further announcements as and when appropriate to update shareholders on the progress of the New Resumption Proposal and resumption of trading in the shares of the Company.

Deconsolidation of subsidiaries

The consolidated financial statements have been prepared based on the books and records maintained by the Group. However, as a result of the Rejection of Assessment and Resignation, by that time, the Directors considered that the control over the following subsidiaries had been lost. Since then, the Directors neither had control over the operating and financial activities, nor any access to the underlying accounting books and records of those subsidiaries. Due to the lack of control and thus the unavailability of financial records of these subsidiaries for the period beginning from 1 January 2013, the Directors considered that it was impracticable to consolidate the results, assets, liabilities and cash flows of these subsidiaries from 1 January 2013.

Going concern basis

The Group incurred a loss attributable to owners of the Company of approximately RMB2,509,000 for the year ended 31 December 2019 and as at 31 December 2019 the Group had net current liabilities and net liabilities of approximately RMB48,138,000. These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group's ability to continue as a going concern. Therefore, the Group may be unable to realise its assets and discharge its liabilities in the normal course of business.

The consolidated financial statements have been prepared on a going concern basis on the basis that the proposed restructuring of the Group will be successfully completed, and that, following the financial restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future.

Should the Group be unable to achieve a successful restructuring and to continue its business as a going concern, adjustments would have to be made to the consolidated financial statements to adjust the value of the Group's assets to their recoverable amounts, to provide for any further liabilities which might arise and to reclassify non-current assets and liabilities as current assets and liabilities, respectively.

3. ADOPTION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS

In the current year, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA") that are relevant to its operations and effective for its accounting year beginning on 1 January 2019. HKFRSs comprise Hong Kong Financial Reporting Standards; Hong Kong Accounting Standards; and Interpretations. The adoption of these new and revised HKFRSs did not result in significant changes to the Group's accounting policies, presentation of the Group's consolidated financial statements and amounts reported for the current and prior years.

The Group has not applied the new and revised HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of those new and revised HKFRSs but is not yet in a position to state whether these new and revised HKFRSs would have a material impact on its results of operations and financial position.

4. LOSS BEFORE TAX

The Group's loss before tax is stated after charging the following:

	2019 <i>RMB'000</i>	2018 <i>RMB'000</i>
Auditor's remuneration	485	354
Staff costs (including directors' emoluments):		
Salaries, bonuses and allowances	1,092	1,118
Retirement benefits scheme contributions	—	—
	1,092	1,118

5. INCOME TAX EXPENSE

No provision for Hong Kong profits tax has been made as the Group has no estimated assessable profits arising in Hong Kong for the years ended 31 December 2019 and 2018.

The reconciliation between income tax expense and loss before tax is as follows:

	2019 <i>RMB'000</i>	2018 <i>RMB'000</i>
LOSS BEFORE TAX	(2,509)	(4,743)
Tax at the applicable tax rate of 16.5% (2018:16.5%)	(414)	(783)
Tax effect of expenses not deductible	414	783
Income tax expense	—	—

The Group had no significant unrecognised deferred tax for the years ended 31 December 2019 and 2018.

Capital management

The Group manages its capital to ensure that entities in the Group will be able to continue as a going concern while maximising the return to shareholders through the optimisation of the debt and equity balance. The Group's overall strategy remains unchanged from prior year.

The capital structure of the Group consists of net debts, which includes amount due to the controlling shareholder and amount due to a deconsolidated subsidiary disclosed in notes 8 and 9, net of cash and cash equivalents and equity attributable to the owners of the Company, comprising issued share capital and reserves.

The Directors review the capital structure regularly. The Directors believe that the Group will be able to meet in full its financial obligations as they fall due upon the completion of the proposed restructuring of the Group, as further explained in note 2.

11. COMMITMENTS

Capital commitments

The Directors were not aware of any significant capital commitments of the Group at the end of the reporting period.

12. CONTINGENT LIABILITIES

The Directors were not aware of any significant contingent liabilities of the Group at the end of the reporting period.

13. EVENTS AFTER THE REPORTING PERIOD

Subsequent to the end of the reporting period, there are certain updates on the Group's business and financial restructuring in progress, and further details of which are stated in note 2.

EXTRACT OF THE INDEPENDENT AUDITOR'S REPORT ON THE COMPANY'S CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

Disclaimer of Opinion

We do not express an opinion on the consolidated financial statements of the Group and whether the consolidated financial statements have been properly prepared in compliance with the disclosure requirements of the Hong Kong Companies Ordinance. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these consolidated financial statements.

Basis for Disclaimer of Opinion

1. Opening balances and corresponding figures

Our audit opinion on the consolidated financial statements of the Group for the year ended 31 December 2018, which forms the basis for the corresponding figures presented in the current year's consolidated financial statements, was disclaimed because of the significance of the possible effect of the limitations on the scope of our audit and the material uncertainty relating to the Group's going concern, details of which are set out in our auditor's report dated 29 March 2019.

There were no satisfactory audit procedures to ascertain the existence, accuracy, presentation and completeness of certain opening balances and corresponding figures (as further explained in the following paragraphs) shown in the current year's consolidated financial statements.

2. Deconsolidation of subsidiaries

Certain subsidiaries of the Company in the People's Republic of China were deconsolidated from the Group since 1 January 2013. No sufficient evidence has been provided to satisfy ourselves as to whether the Company had lost control of those subsidiaries since 1 January 2013 and throughout the years ended 31 December 2019 and 2018.

Accordingly, no sufficient evidence has been provided to satisfy ourselves, in relation to the deconsolidated subsidiaries, as to the completeness of the transactions of the Group for the years ended 31 December 2019 and 2018 and the Group's financial position as at those dates.

3. Share options reserve

Given the fact that the supporting documents relating to the share options granted by the Company to its ex-directors and eligible persons were incomplete, we have been unable to obtain sufficient appropriate audit evidence to verify the presentation and accuracy of the carrying amount of the share options reserve of approximately RMB24,766,000 as at 31 December 2019 and 2018.

4. *Other payables*

We have been unable to obtain sufficient appropriate audit evidence in respect of the other payables of approximately RMB21,030,000 and RMB20,673,000 as at 31 December 2019 and 2018, respectively. There were no other satisfactory audit procedures that we could perform to satisfy ourselves as to whether the aforesaid balances were fairly stated as at 31 December 2019 and 2018.

5. *Amount due to the controlling shareholder*

We have been unable to obtain sufficient appropriate audit evidence in respect of the amount due to the controlling shareholder of approximately RMB1,393,000 and RMB1,369,000 as at 31 December 2019 and 2018, respectively. There were no other satisfactory audit procedures that we could perform to satisfy ourselves as to whether the aforesaid balances were fairly stated as at 31 December 2019 and 2018.

6. *Amount due to a deconsolidated subsidiary*

We have been unable to obtain sufficient appropriate audit evidence in respect of the amount due to a deconsolidated subsidiary of approximately RMB6,405,000 and RMB6,296,000 as at 31 December 2019 and 2018, respectively. There were no other satisfactory audit procedures that we could perform to satisfy ourselves as to whether the aforesaid balances were fairly stated as at 31 December 2019 and 2018.

7. *Bank balances*

We have been unable to obtain sufficient appropriate audit evidence in respect of the bank balances of approximately RMB245,000 and RMB240,000 as at 31 December 2019 and 2018, respectively. There were no other satisfactory audit procedures that we could perform to satisfy ourselves as to whether the aforesaid balances were fairly stated as at 31 December 2019 and 2018.

8. *Commitments and contingent liabilities*

No sufficient evidence has been provided to satisfy ourselves as to the existence and completeness of the disclosures of commitments and contingent liabilities as at 31 December 2019 and 2018.

9. *Related party transactions and disclosures*

No sufficient evidence has been provided to satisfy ourselves as to the existence, accuracy and completeness of the disclosures of the key management personnel compensation and related party transactions for the years ended 31 December 2019 and 2018 and balances as at 31 December 2019 and 2018 as required by Hong Kong Accounting Standard (“HKAS”) 24 “Related Party Disclosures”.

10. Other disclosures in the consolidated financial statements

No sufficient evidence has been provided to satisfy ourselves as to the accuracy and completeness of the disclosures as required by the following in relation to:

- (a) Hong Kong Financial Reporting Standard 2 “Share-based Payment” for the presentation of share option scheme in the notes to consolidated financial statements; and
- (b) HKAS 19 “Employee Benefits” for the staff costs as disclosed in note 7 to the consolidated financial statements.

Any adjustments to the figures as described from points 1 to 10 above might have a significant consequential effect on the Group’s financial performance and cash flows for the years ended 31 December 2019 and 2018 and the financial position of the Group as at 31 December 2019 and 2018, and the related disclosures thereof in the consolidated financial statements.

11. Material uncertainty related to going concern

In forming our opinion, we have considered the adequacy of the disclosures made in note 2 to the consolidated financial statements which explains that a proposal for the resumption of trading in the Company’s shares and the proposed restructuring of the Group has been submitted to The Stock Exchange of Hong Kong Limited to pursue a restructuring of the Company.

The consolidated financial statements have been prepared on a going concern basis on the assumption that the proposed restructuring of the Group will be successfully completed, and that, following the restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future. The consolidated financial statements do not include any adjustments that would result from a failure to complete the restructuring. We consider that the disclosures are adequate. However, in view of the extent of the uncertainty relating to the completion of the restructuring, we disclaim our opinion in respect of the material uncertainty relating to the going concern basis.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW

References are made to the Company's announcements dated 31 March 2014 and 30 April 2014 respectively in relation to, among others things, clarification of the press release and delay in publication of the audited consolidated financial statements of the Company and its subsidiaries (collectively "the Group") for the year ended 31 December 2013. At the request of the Company, trading in shares of the Company has been suspended since 31 March 2014.

In the announcement dated 5 September 2016, it was mentioned that the Directors have tried and have not been able to gain access to the plants of the Group located in The People's Republic of China ("PRC"). In addition, the Company has not been able to contact Mr. Lin Wenjian ("Mr. Lin"), the legal representative of the subsidiaries of the Company established in the PRC ("PRC Subsidiaries"), in spite of repeated requests from the Company. Furthermore, since the resignation of Mr. Lin as a director of the Company on 17 June 2016, Mr. Lin has not tendered his resignation as director and legal representative of the PRC Subsidiaries. Neither Mr. Lin nor Mr. Lin Wenzu, both of whom have resigned as directors of the Company, have tendered resignations in relation to their directorship of those subsidiaries outside the PRC or provide assistance to the Company to change the authorised signatories mandates in respect of the bank accounts of the Group, as requested (the "Rejection of Assessment and Resignation").

As the Company has not been able to gain access to the plants of the Group located in the PRC and has not been able to contact Mr. Lin, the legal representative of the PRC Subsidiaries, to better understand the status of the PRC Subsidiaries, the Company has engaged a firm of PRC legal advisors to check the public records of the affairs of the PRC Subsidiaries. The findings of the PRC legal advisors and the work done were detailed in the announcement made by the Company dated 10 November 2016 ("Announcement"). As explained in the sub-paragraph headed "Views of the Board" of the Announcement, having reviewed the report prepared by the PRC legal advisors, the Board concluded that the PRC Subsidiaries have ceased operations and the Company is no longer in control of the PRC Subsidiaries. As such, it is considered that they have lost the control over those subsidiaries which were deconsolidated from the Group since 1 January 2013.

Given that the current Directors did not have control, possession of, or access to the underlying accounting books and records of the deconsolidated subsidiaries, the discussion and analysis in this section is limited to discussion and analysis of the Company and those subsidiaries which it still has control over and the term "Group" as mentioned in this section should be construed accordingly.

FINANCIAL REVIEW

Fujian) for the period beginning from 1 January 2013, no operation nor revenue was recorded in the financial year 2019 ("FY2019"). Loss of RMB2,509,000 (2018: RMB4,743,000) was recorded for FY2019. Summary of derivations of the CG Code:

Code Provision A1.1

Regular Board meetings were held once during the year for reviewing and approving the financial and operating performance, and considering and approving the overall strategies and policies of the Company. As the Company did not announce its quarterly results hence did not hold quarterly meetings. In order to meet the Code Provision, the Company plans to hold at least four regular Board meetings in the future. As such, the Board considers that sufficient measures have been taken to ensure that the Company’s corporate governance practices are comparable with those in the Code.

Code Provision A1.8

Code Provision A.2

The roles of the chairman and chief executive of the Company were performed by the same individual, Mr. LIN Wenjian up to his resignation on 17 June 2016. Following the resignation of Mr. LIN Wenjian, the Company was not in compliance with the requirement under paragraph A.2 of the Code that there are two key aspects of the management, the chairman and chief executive.

Nevertheless, the current Board considered that the absence of the roles of chairman and chief executive would not impair the balance of power and authority between the Board and the management of the Company.

Arrangements will be made to appoint the chairman and chief executive as soon as practicable to comply with the Code.

Code Provision A4.1

The independent non-executive Directors are not appointed for a specific term after 13 July 2019 as the Company did not enter into new appointment letters with the independent non-executive Directors. However, all non-executive Directors are subject to the retirement and rotation requirements in accordance with the Company’s memorandum and articles. Upon the resignation of Mr. WANG Dong as an independent non-executive director, the chairman of remuneration committee and nomination committee and a member of audit committee of the Company on 17 June 2016, Mr. LEI Geng Qiang as a non-executive director and a member of the audit committee of the Company on 24 June 2016 and the subsequent resignation of Mr. Fong Sai Mo as an executive Director, an authorised representative of the Company and a member of the remuneration committee and the nomination committee of the Company on 17 December 2019, the numbers of independent non-executive Directors and the members of audit committee of the Company fell below the minimum number required under Rule 3.10(1) and Rule 3.21 of the Listing Rules.
