APPOINTMENT OF CHIEF OPERATING OFFICER

The board of directors (the “**Board**”) of TOT BIOPHARM International Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that Dr. Liu, Jun (“**Dr. Liu**”) has been appointed as the chief operating officer of the Company (“**COO**”) with effect from 21 April 2020. Dr. Liu will be fully responsible for the management of the Group’s operations, as well as assisting the general manager in promoting the development of overseas operations.

Dr. Liu joined the Group on 17 October 2016 as a vice general manager, and has served as an executive director and chief scientific officer of the Company since October 2018 and March 2019 respectively. He is responsible for the research and development (“**R&D**”) and quality control of products. With Dr. Liu’s vast experience of overseas R&D and management, the Board believes that the appointment of Dr. Liu as COO will be conducive to improving and enhancing the Group’s internal collaboration between R&D and production in preparation for its entry into the phase of commercialization development in the future, and at the same time strengthening the Group’s exploration of overseas R&D and international collaboration projects.

The Board would like to congratulate Dr. Liu on his new position.

The biographical details of Dr. Liu are as follows:

Dr. Liu, aged 52, joined the Group on 17 October 2016 as a vice general manager and was appointed as an executive director on 26 October 2018 and chief scientific officer on 12 March 2019. He is also a member of the Strategy Committee. He is responsible for the new drug development and quality control system of biological drugs.

Prior to joining the Group, Dr. Liu was the executive director of biologics research and development department in Shanghai ChemPartner Co., Ltd. between July 2010 and October 2016. Prior to that, he was employed by Bayer US LLC between April 2005 and July 2010 working with Bayer Healthcare as a senior scientist in the United States.

Dr. Liu obtained a Ph.D. in bioanalytical chemistry from the University of California, Davis in the United States in December 2002 and a bachelor's degree in chemistry from the University of Science & Technology of China in Hefei, Anhui Province, China in July 1991.

As at the date of this announcement, Dr. Liu does not have any relationship with any director, senior management, substantial shareholder or controlling shareholder (as defined in the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited) of the Company. Save as disclosed above, he has not held any other directorship in any public companies the securities of which are listed on any securities market in Hong Kong or overseas in the last three years.
