## EVENT OF DEFAULT

Under the indenture (the “**Indenture**”) governing the 2020 Notes, it is an event of default if there is a failure to make a principal payment of the 2020 Notes when due. ## TRIGGERING EVENTS

Based on the legal advice of the Company’s PRC legal adviser, as a result of the default of the 2020 Notes, it has resulted in certain triggering events (the “**Triggering Events**”) under certain loan agreements entered into by the Group in an aggregate outstanding principal amount of up to approximately RMB9.8 billion (the “**Yida Loans**”). As a result of such Triggering Events, the relevant lenders of the Yida Loans may demand immediate repayment of the outstanding loans, accrued interests and all other amounts accrued or outstanding under the Yida Loans. The Group has been actively communicating and negotiating with the relevant lenders to obtain waivers of the Triggering Events. As of the date of this announcement, the Group has not obtained any waiver from any such lenders, nor has it received any notice from such lenders to accelerate payments or take any other enforcement actions under any Yida Loans.

The Board and the management of the Company will continue to (i) maintain proactive and ongoing communication with the relevant lenders of the Yida Loans to obtain the necessary waivers from the respective lenders; and (ii) assess the potential impact on the financial condition and cash position of the Group under the circumstances.

The Company would also like to update shareholders and potential investors of the Company that the event of default under the Indenture in relation to the 2020 Notes and the Triggering Events (or any acceleration by the relevant lenders) under the Yida Loans solely as a result of the default resulting from the event of default under 2020 Notes will not lead to any event of default under the US\$ denominated senior notes due 2022 issued by the Company on 27 March 2020.

Save as disclosed above, the Board is not aware of any information which must be announced to avoid a false market in the Company’s securities or of any inside information that needs to be disclosed under the Inside Information Provisions (as defined in the Listing Rules) of Part XIVA of the SFO as at the date of this announcement.
