PROPOSED RE-ELECTION OF DIRECTORS

NOTICE OF ANNUAL GENERAL MEETING

INTRODUCTION

At the forthcoming AGM, Ordinary Resolutions will be proposed to seek Shareholders' approval for, among other things, (i) the granting of the Repurchase Mandate and the Share Issue Mandate to the Directors, and (ii) the re-election of the retiring Directors.

LETTER FROM THE BOARD

The purpose of this circular is to provide you with information regarding the proposed grant of the Repurchase Mandate and the Share Issue Mandate, the proposed re-election of the retiring Directors and the AGM Notice.

REPURCHASE MANDATE AND SHARE ISSUE MANDATE

At the AGM, the Directors propose to seek the approval of the Shareholders for the granting to the Directors of the Repurchase Mandate and the Share Issue Mandate.

Repurchase Mandate

At the AGM, an Ordinary Resolution will be proposed that the Directors be given an unconditional general mandate to repurchase Shares on the Stock Exchange or any other stock exchange on which the Shares may be listed and which is recognized by the SFC and the Stock Exchange for such purpose, of an aggregate nominal amount of up to 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of approval of the Repurchase Mandate. Details of the Repurchase Mandate are set out in the Ordinary Resolution no. 4 of the AGM Notice.

As at the Latest Practicable Date, the Company had an aggregate of 1,379,381,990 Shares in issue. Subject to the passing of the Ordinary Resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 137,938,199 Shares.

An explanatory statement as required under the Share Buyback Rules, giving certain information regarding the Repurchase Mandate, is set out in the appendix to this circular.

Share Issue Mandate

At the AGM, an Ordinary Resolution will also be proposed that the Directors be given an unconditional general mandate to allot, issue and deal with additional Shares of an aggregate nominal amount of up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of approval of the Share Issue Mandate.

An Ordinary Resolution will also be proposed to authorize the extension of the Share Issue Mandate by an addition thereto of an amount representing the aggregate nominal amount of the issued share capital of the Company repurchased by the Company under the Repurchase Mandate (if granted).

Subject to the passing of the Ordinary Resolution for the approval of the Share Issue Mandate and on the basis that the aforesaid repurchased Shares are cancelled and no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would have an aggregate of 1,379,381,990 Shares in issue on the date of the AGM and would be allowed under the Share Issue Mandate to allot, issue and deal with a maximum of 275,876,398 Shares.

LETTER FROM THE BOARD

Details of the Share Issue Mandate and the extension of the Share Issue Mandate are set out in Ordinary Resolutions nos. 5 and 6 of the AGM Notice, respectively.

The Repurchase Mandate and the Share Issue Mandate shall continue to be in force during the period from the date of passing of the Ordinary Resolutions for the approval of the Repurchase Mandate and the Share Issue Mandate up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable law to be held; or (iii) the revocation or variation of the Repurchase Mandate or the Share Issue Mandate (as the case may be) by ordinary resolution of the Shareholders at a general meeting, whichever occurs first.

LISTING RULES

The Listing Rules permit listed companies to repurchase their own shares on the Stock Exchange or any other stock exchange on which their shares may be listed and which is recognized by the SFC and the Stock Exchange for such purpose, subject to certain restrictions. This appendix serves as an explanatory statement, as required by the Share Buyback Rules to be sent to Shareholders in connection with the proposed grant of the Repurchase Mandate, to provide the requisite information to Shareholders for their consideration of the Repurchase Mandate.

EXERCISE OF THE REPURCHASE MANDATE

Whilst the Directors do not presently intend to repurchase any Shares immediately, they believe that the flexibility afforded by the Repurchase Mandate granted to them if the Ordinary Resolution set out as Ordinary Resolution no. 4 of the AGM Notice is passed would be beneficial to the Company and the Shareholders as a whole. It is proposed that up to 10 per cent. of the issued and outstanding Shares on the date of the passing of the Ordinary Resolution to approve the Repurchase Mandate may be repurchased. As at the Latest Practicable Date, 1,379,381,990 Shares were issued and outstanding. On the basis of such figures, the Directors would be authorized to repurchase up to 137,938,199 Shares during the period up to the date of the next annual general meeting in 2021, or the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable law to be held, or the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders at a general meeting of the Company, whichever of these three events occurs first.

REASONS FOR REPURCHASES

Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share.

FUNDING OF REPURCHASES

Repurchases pursuant to the Repurchase Mandate would be financed entirely from the Company's available cash flow or working capital facilities. Any repurchases will be made out of funds of the Company legally permitted to be utilized in this connection in accordance with its memorandum of association, the Articles, the Listing Rules and the applicable laws of the Cayman Islands. The Company may not repurchase its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited accounts for the year ended December 31, 2019) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as

would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

DISCLOSURE OF INTERESTS

None of the Directors, and to the best of their knowledge, having made all reasonable enquiries, none of their close associates (as defined in the Listing Rules), have any present intention, if the Repurchase Mandate is exercised, to sell any Shares to the Company or its subsidiaries.

No core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, nor have they undertaken not to do so, if the Repurchase Mandate is exercised.

DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Company's memorandum of association, the Articles, the Listing Rules and the applicable laws of the Cayman Islands.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company in the six months immediately preceding the Latest Practicable Date.

TAKEOVERS CODE CONSEQUENCES

If as a result of a repurchase of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of its or their shareholding, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. The Directors are aware of the consequences arising under the Takeovers Code of any repurchase.

As at the Latest Practicable Date, Freewings, a controlling Shareholder, was recorded in the register required to be kept by the Company under sections 336 and 352 of the SFO as having an interest in 663,768,000 Shares, and parties acting in concert with Freewings are interested in an aggregate of 112,300,000 Shares, representing approximately 48.12% and 8.14% of the issued and outstanding share capital of the Company as at that date, respectively. As at the Latest Practicable Date, the aggregate shareholding of Freewings and its parties acting in concert in the Company was approximately 56.26%.

In the event that the Repurchase Mandate is exercised in full and assuming that there is no change in the number of Shares held directly or indirectly by Freewings, the interest of Freewings in the Company will be increased to approximately 53.47% of the issued share capital of the Company immediately after the exercise in full of the Repurchase Mandate. To the best of the knowledge and belief of the Directors, such increase would give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase Shares to an extent that will trigger the obligations under the Takeovers Code to make a mandatory offer. In addition, in exercising the Repurchase Mandate (whether in full or otherwise), the Directors will ensure that the Company shall comply with the requirements of the Listing Rules, including the minimum percentage of Shares being held in public hands.

MARKET PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months immediately before the Latest Practicable Date were:

	Traded Market Price

EXTENSION OF SHARE ISSUE MANDATE

A resolution as set out in Ordinary Resolution no. 6 of the AGM Notice will also be proposed at the AGM authorizing the Directors to increase the maximum number of new Shares which may be issued under the general mandate for the issuance and allotment of Shares by adding to it the nominal amount of any Shares repurchased pursuant to the Repurchase Mandate.
