ANNOUNCEMENT PROFIT WARNING

This announcement is made by Beijing Capital International Airport Co., Ltd. (the “**Company**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company hereby informs the shareholders and potential investors of the Company that based on the preliminary assessment of the unaudited management accounts of the Company, the Company is expected to record a net loss in unaudited net profit for the six months ended 30 June 2020 as compared with the unaudited net profit for the six months ended 30 June 2019.

The Board considered that the expected net loss for the six months ended 30 June 2020 was mainly attributable to the worldwide outbreak of the COVID-19 pandemic in the first half of 2020, which brought about demanding challenges to the global civil aviation industry. Affected by the COVID-19 pandemic, the passenger throughput, aircraft movements and cargo and mail throughput of Beijing Capital International Airport during the six months ended 30 June 2020 recorded a relatively substantial decrease as compared with the corresponding period last year, which resulted in a decrease in the aeronautical revenues and non-aeronautical revenues of the Company.

The information contained in this announcement is only based on the preliminary assessment by the management of the Company with reference to the management accounts of the Company for the six months ended 30 June 2020, which have not been confirmed or reviewed by the auditors or the audit and risk management committee of the Company. The interim results announcement of the Company for the six months ended 30 June 2020 is expected to be published by the end of August 2020 in accordance with the requirements of the Listing Rules.

Shareholders and potential investors of the Company are reminded to exercise caution when dealing in the shares of the Company.

By order of the Board
