PROFIT WARNING

This announcement is made by Guangdong Kanghua Healthcare Co., Ltd. (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions under Part XIVA of the Securities and Future Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Board’s preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2020 and information currently available to the Board, the Group is expected to record a loss (the amount of which is still being finalised by the Group) for the six months ended 30 June 2020 (“**2020 Interim**”) as compared to the profit of approximately RMB55.5 million for the six months ended 30 June 2019.

The expected turnaround from profit to loss for the 2020 Interim is primarily attributable to the following:

- a decline in revenue, which is in turn primarily attributable to a decline in the number of patient visits and deferral of non-critical surgeries and other medical procedures or operations at the Group’s healthcare institutions during the COVID-19 pandemic in the first quarter of 2020, while the Group’s overall fixed costs remained at a relatively high level as there was no material lay off of staff members and reduction of the relevant expenses; and

- a continuing loss incurred at Chongqing Kanghua Zhonglian Cardiovascular Hospital Co., Ltd.* (重慶康華眾聯心血管病醫院有限公司), which continued to hinder the overall performance of the Group.

Notwithstanding the above, the Board would like to emphasise that the business operations of the Group have, in all material respects, resumed to normal in the latter half of the second quarter of 2020. The Board is of the view that the impact of COVID-19 pandemic is temporary and the Group's overall business and financial conditions remain solid.

The Company is still in the process of finalising the interim results for 2020 Interim. The information contained in this announcement is only based on the Board's preliminary review of the unaudited consolidated management accounts of the Group for 2020 Interim (which has not been reviewed by the auditors of the Company) and information currently available to the Board. It is expected that the Group's interim results announcement for 2020 Interim will be published on or before 31 August 2020.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
