The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the Group’s unaudited consolidated management accounts for the six months ended 30 June 2020 currently available to the Board, the Group is expected to record a significant increase in net profit of not less than 40% for the six months ended 30 June 2020 as compared with that for the corresponding period in 2019.

The expected increase in net profit for the six months ended 30 June 2020 was mainly due to (a) the increasing customers demand of our Group’s heavy trucks’ decorative components and parts; (b) the absence of the listing expenses for the six months ended 30 June 2020, as compared with the listing expenses for the six months ended 30 June 2019, which was RMB4.0 million; and (c) the preferential income tax rate of 15% for Xian Tianrui Automotive Interiors Co., Ltd* (西安天瑞汽車內飾件有限公司) for the period ended 30 June 2020, as compared to the applicable tax rate of 25% for the period ended 30 June 2019 during which period the application for extending the qualification of “High and New Technology Enterprise” (“**HNTE**”) was in process.

The actual extent of the increase in the net profit is yet to be further ascertained as at the date of this announcement. The Company is in the process of preparing the interim results of the Group for the six months ended 30 June 2020. The information contained in this announcement is only based on the preliminary assessment made by the Board based on the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2020 currently available to the Board which have not been audited or reviewed by the independent auditor or audit committee of the Company. The actual results of the Group for the six months ended 30 June 2020 may be different from the disclosure herein.
