PROFIT WARNING

This announcement is made by Synergis Holdings Limited (the “Company” and together with its subsidiaries, the “Group”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities (the “Listing Rules”) on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “Board”) wishes to inform the shareholders of the Company (the “Shareholders”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2020 (the “Relevant Period”) and information currently available, the Group expects to record a profit attributable to Shareholders within a range of HK\$1 million to HK\$5 million for the Relevant Period as compared with that of approximately HK\$20 million for the same period in 2019.

Although the Group has received and accounted for the subsidies of approximately HK\$13 million under HKSAR Government’s Employment Support Scheme for the Property and Facility Management Business during the Relevant Period, the Group still recorded a significant decrease in the profit attributable to Shareholders mainly because of the decrease in gross profit margin of the Interiors and Special Projects Business, and such decrease was due to (a) substantial loss being incurred in some of the project works; (b) certain costs incurred involving works done from construction projects still under negotiations with customers; and (c) the negative impact arising from the outbreak of COVID-19 which has affected the progress of some on-going projects and the number of available tenders in the industry.

The Company is still in the process of finalising the unaudited interim results of the Group for the Relevant Period. The Board wishes to emphasise that the information contained in this announcement is based on the preliminary review by the Board of the latest unaudited consolidated management accounts of the Company for the Relevant Period, which have not been reviewed by the Company's independent external auditor and may be subject to further adjustments. The interim results of the Group will be announced on 25 August 2020.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
