PROFIT WARNING

This announcement is made by SFK Construction Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company and potential investors that, based on the preliminary assessment of the information currently available to the Board, including the unaudited consolidated management accounts of the Group for the six months ended 30 June 2020 (the “**Period**”), it is expected that the turnover of the Group for the Period would reduce by approximately 40% and the Group would record a consolidated net loss of approximately HK\$30 million for the Period as compared to a consolidated net profit of approximately HK\$13 million for the six months ended 30 June 2019. Based on the information currently available, the Board believes such change from profit to loss was mainly attributable to the following factors:

1. Certain projects with relatively high profit margins were completed in the previous year resulting in a reduction of contributions in revenue and profit by such projects for the Period; and
2. The outbreak of the novel coronavirus disease (COVID-19) decelerated the progress of existing projects, resulting in a reduction in revenue, an increase in project overhead costs and subcontracting costs and a decline in the overall gross profit margin.

The Company is still in the process of finalising the interim results of the Group for the Period. The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the information currently available, including the unaudited consolidated management accounts of the Group for the Period, which have not been reviewed or audited by the Company’s auditor or reviewed by the audit committee of the Company and are subject to adjustment. The actual interim results of the Group for the Period may be different from the information disclosed in this announcement. Shareholders

of the Company and potential investors are advised to read carefully the interim results announcement of the Company for the Period, which is expected to be published on or about 26 August 2020 in accordance with the Listing Rules.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
