INSIDE INFORMATION
PROFIT WARNING

This announcement is made by E-House (China) Enterprise Holdings Limited (the "**Company**", and together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary review of the Group's unaudited consolidated management accounts for the six months ended 30 June 2020 (the "**Reporting Period**") and information currently available to the Board, the Group expects to record a profit ranging from approximately RMB90 million to RMB120 million for the Reporting Period, a decrease of not more than 87% from approximately RMB654 million for the six months ended 30 June 2019, and the EBITDA[1] of the Group for the Reporting Period would range from approximately RMB420 million to RMB450 million. The decrease in profit for the Reporting Period is mainly attributable to business disruptions caused by the outbreak of the 2019 novel coronavirus ("**COVID-19**") pandemic and its negative impact on the macro-economy. Due to the COVID-19 pandemic, approximately 1,600 sales offices in Mainland China were closed in the first quarter of 2020 leading to a greater operating loss to the Group. The decrease in profit is also attributable to the increase in the Group's finance costs as a result of the issuance of US$500 million senior notes by the Company in 2019 and new bank loans to support the expansion of operations. In the second quarter of 2020, since the impact of the COVID-19 pandemic has reduced, the Group's operation has improved which offset the operating loss in the first quarter of 2020 and as a result, the Group is still able to achieve profit during the Reporting Period.

Note:

1 EBITDA is defined as (i) profit and total comprehensive income for the year, adjusted to add back (ii) finance cost (iii) depreciation and amortisation expenses and (iv) income tax expense.

The Company is currently in the process of finalizing the consolidated interim results of the Group for the Reporting Period. The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group for the Reporting Period and the information currently available to the Board, which have not been confirmed, audited or reviewed by the Company's independent auditor and is subject to finalization and necessary adjustments. The interim results announcement of the Company is expected to be published on 31 August 2020.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
