PROFIT ALERT

This announcement is made by Sheen Tai Holdings Group Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Company’s preliminary review of the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2020 (the “**Period**”), the Group expects to record a net profit of not more than HK\$2 million for the Period as compared with a net loss for the corresponding period in 2019.

Based on the information currently available to the Company, the Board considers that the turnaround of the Group’s performance for the Period was primarily due to (i) the decrease of price of the oil-related raw materials for manufacturing of BOPP films which contributed to a lower cost of goods sold and (ii) the decrease of administrative costs in the amount of approximately HK\$6 million due to the adoption of tightening financial measures during the Period in order to reduce the impact of COVID-19 on the operation of the Group.

The information contained in this announcement is based on the preliminary assessment by the Board on the unaudited consolidated management accounts of the Group for the Period and is not based on any figure or information which has been audited or reviewed by the Company’s auditors and the audit committee of the Company and is subject to possible adjustments upon further review. The Company is in the process of finalizing the Group’s unaudited interim results for the Period. Further information and other details of the Group’s financial performance for the Period will be announced in the forthcoming interim results announcement in August 2020.

Shareholders and potential investors should exercise caution when dealing in the shares of the Company.
