The Board of the Company wishes to inform the shareholders and potential investors of the Company that, based on the information currently available to the Board, and the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2020 (the “**Period**”), the Company is expected to record a consolidated net profit of approximately not less than HK\$6.0 million for the Period, as compared to the consolidated net loss of approximately HK\$9.0 million for the corresponding Period in 2019. The expected turnaround from consolidated net loss to consolidated net profit is mainly attributable to, among other factors: 1) gradual resumption of certain projects which have been temporarily suspended under COVID-19 pandemic, and 2) resumption of a project which has fell behind schedule due to a change in main contractors in 2018.
