This appendix serves as the explanatory statement to provide requisite information to the Shareholders for their consideration of the Buy-back Mandate to be granted to the Directors as required under Rule 10.06 of the Listing Rules.

BUY-BACK OF SECURITIES FROM CONNECTED PARTIES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to buy-back their own shares on the Stock Exchange subject to certain restrictions and obtaining prior Shareholders' approval. The Listing Rules, however, prohibit a company from knowingly purchasing securities on the Stock Exchange from a connected person and a connected person is prohibited from knowingly selling his securities to the Company.

SHARE CAPITAL

As at the Latest Practicable Date, the authorized share capital of the Company consisted of (1) 19,800,000,000 Shares, of which a total of 1,646,287,188 Shares were allotted, issued and fully paid or credited as fully paid; and (2) 200,000,000 Preference Shares of which no Preference Share was in issue. Subject to the passing of the ordinary resolution to approve the Buy-back Mandate at the AGM and on the basis that no further Shares or Preference Shares are issued or bought-back between the Latest Practicable Date and the date of the AGM, the Company would be allowed to buy-back up to a maximum of 164,628,718 Shares, representing 10% of the total issued Shares as at the date of the AGM.

REASONS FOR THE BUY-BACKS

The Directors believe that the Buy-back Mandate is in the best interests of the Company and its Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Directors to buy-back the Shares on the market. An exercise of the Buy-back Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value per Share and/or earnings per Share and will only be made when the Directors believe that a buy-back will benefit the Company and the Shareholders as a whole.

FUNDING OF BUY-BACKS

The buy-back of Shares shall be made out of funds legally available under the laws of the Cayman Islands, Hong Kong and the Articles for such purpose. Under the laws of Cayman Islands, buy-back may only be effected out of the capital paid up on the buy-backs Shares or out of the funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose. Any premium payable on a buy-back over the par value of the Shares to be bought-back must be provided for out of funds of the Company otherwise available for dividend or distribution or out of the share premium account before the Shares are bought-back. It is envisaged that the funds required for any buy-back would be derived from such sources.

As compared to the financial position of the Company as at 31 March 2020 (being the date of the Company's latest audited accounts), an exercise of the Buy-back Mandate in full may have a material adverse impact on the working capital and gearing position of the

Company. The Directors do not, however, intend to make any buy-back in circumstances that would have a material adverse impact on the working capital or gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous 12 calendar months preceding the Latest Practicable Date were as follows:
