The Company did not make the coupon payments in respect of the Senior Bonds due on 22 March 2019, 22 September 2019, 22 March 2020 and 22 September 2020, which amounted to an aggregate sum of USD30,875,000. Pursuant to the terms of the trust deed of the Senior Bonds, the failure to make the coupon payments when due is an event of default.

UPDATE ON THE STATUS OF THE DEBT RESTRUCTURING PLAN

The Company is endeavoring to reach a consensual restructuring plan with its creditors, which will include the Senior Bonds. Since April 2019, the Company has convened eight meetings with its creditors to provide updates on its operational and financial status and future business plan, and to discuss about its restructuring plan. Key creditors, which will include the Senior Bonds, have established a clear understanding of the Company's financial status and have indicated their willingness to work constructively with the Company. Whilst the outbreak of COVID-19 has made the progress of restructuring more challenging, the Company and its professional advisors will continue working with its creditor constituencies to advance the restructuring in order to mitigate the impact brought by the strained liquidity position of the Company.
