### THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering as part of the Global Offering. The Global Offering comprises of:

- (a) the Hong Kong Public Offering of initially 9,130,500 Offer Shares (subject to reallocation and adjustment) in Hong Kong as described below in “— The Hong Kong Public Offering”; and
- (b) the International Offering of initially 356,088,100 Offer Shares (subject to reallocation, adjustment and the Over-allotment Option) outside the United States in reliance on Regulation S and in the United States to QIBs in reliance on Rule 144A or other available exemption from the registration requirements of the U.S. Securities Act.

Investors may apply for Hong Kong Offer Shares under the Hong Kong Public Offering or apply for or indicate an interest in International Offering Shares under the International Offering, but may not do both.

References in this prospectus to applications, **GREEN** Application Form, application monies or the procedure for application relate solely to the Hong Kong Public Offering.

### THE HONG KONG PUBLIC OFFERING

#### *Number of Class B Shares Initially Offered*

We are initially offering 9,130,500 Hong Kong Offer Shares, representing approximately 2.5% of the total number of Offer Shares initially available under the Global Offering, at the Offer Price for subscription by the public in Hong Kong. Subject to the reallocation of Shares between (i) the International Offering, and (ii) the Hong Kong Public Offering, the Hong Kong Offer Shares will represent approximately 0.22% of our Company’s issued share capital immediately after completion of the Global Offering (assuming (a) the Over-allotment Option is not exercised; (b) 363,146,799 Class B Shares will be issued pursuant to the exercised options under the Pre-IPO ESOP upon Listing; and (c) no other Shares are issued pursuant to the unexercised options under the Pre-IPO ESOP, Post-IPO Share Option Scheme and Post-IPO RSU Scheme).

The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors. Professional investors generally include brokers, dealers and companies (including fund managers) whose ordinary business involves dealing in shares and other securities, and corporate entities which regularly invest in shares and other securities.

---

## STRUCTURE OF THE GLOBAL OFFERING

---

Completion of the Hong Kong Public Offering is subject to the conditions as set out in “— Conditions of the Hong Kong Public Offering” in this section below.

### *Allocation*

Allocation of the Offer Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants. Such allocation could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

The total number of Hong Kong Offer Shares available under the Hong Kong Public Offering (after taking account of any reallocation referred to below) will be divided into two pools for allocation purposes:

Pool A: The Hong Kong Offer Shares in Pool A will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with a total subscription price of HK\$5 million (excluding the brokerage, SFC transaction levy and the Stock Exchange trading fee payable) or less.

Pool B: The Hong Kong Offer Shares in Pool B will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with a total subscription price of more than HK\$5 million (excluding the brokerage, SFC transaction levy and the Stock Exchange trading fee payable) and up to the total value of pool B.

For the purpose of this sub-section only, the “subscription price” for Hong Kong Offer Shares means the price payable on application (without regard to the Offer Price as finally determined).

Applicants should be aware that applications in Pool A and applications in Pool B may receive different allocation ratios. If Hong Kong Offer Shares in one (but not both) of the two pools are undersubscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly.

Applicants can only receive an allocation of Hong Kong Offer Shares from either Pool A or Pool B, but not from both pools. Multiple or suspected multiple applications and any application for more than 4,565,200 Hong Kong Offer Shares (being 50% of the 9,130,500 Offer Shares initially available under the Hong Kong Public Offering) will be rejected.

## STRUCTURE OF THE GLOBAL OFFERING

---

### *Reallocation*

The allocation of Shares between the Hong Kong Public Offering and the International Offering is subject to adjustment. Paragraph 4.2 of Practice Note 18 of the Listing Rules requires a clawback mechanism to be put in place, which would have the effect of increasing the number of Hong Kong Offer Shares to certain percentages of the total number of Offer Shares to be offered in the Global Offering if certain prescribed total demand levels in the Hong Kong Public Offering are reached. We have applied for, and the Hong Kong Stock Exchange has granted to us, a waiver from strict compliance with paragraph 4.2 of Practice Note 18 of the Listing Rules to the effect as further described below (the “**Mandatory Reallocation**”):

- (i) 9,130,500 Offer Shares are initially available in the Hong Kong Public Offering, representing approximately 2.5% of the Offer Shares initially available under the Global Offering;

*in the event that the International Offer Shares are fully subscribed or oversubscribed,*

- (ii) if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 13 times or more but less than 48 times the number of the Offer Shares initially available for subscription under the Hong Kong Public Offering, then Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering, so that the total number of Offer Shares available under the Hong Kong Public Offering will be 18,261,000 Offer Shares, representing approximately 5.0% of the Offer Shares initially available under the Global Offering;
- (iii) if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 48 times or more but less than 95 times the number of the Offer Shares initially available for subscription under the Hong Kong Public Offering, then Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering, so that the total number of Offer Shares available under the Hong Kong Public Offering will be 20,087,100 Offer Shares, representing approximately 5.5% of the Offer Shares initially available under the Global Offering; and
- (iv) if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 95 times or more than the number of the Offer Shares initially available for subscription under the Hong Kong Public Offering, then Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering, so that the total number of Offer Shares available under the Hong Kong Public Offering will be 21,913,200 Offer Shares, representing approximately 6.0% of the Offer Shares initially available under the Global Offering.

---

## STRUCTURE OF THE GLOBAL OFFERING

---

The Offer Shares to be offered in the Hong Kong Public Offering and the International Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Joint Representatives (for themselves and on behalf of the Underwriters) and the Joint Sponsors. Subject to the foregoing paragraph, the Joint Representatives and the Joint Sponsors may in their discretion reallocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering. In addition, if the Hong Kong Public Offering is not fully subscribed for, the Joint Representatives and the Joint Sponsors have the authority to reallocate all or any unsubscribed Hong Kong Offer Shares to the International Offering, in such proportions as the Joint Representatives and the Joint Sponsors deem appropriate.

In addition to any Mandatory Reallocation which may be required, the Joint Representatives (for themselves and on behalf of the Underwriters) and the Joint Sponsors may, at their discretion, reallocate Offer Shares initially allocated for the International Offering to the Hong Kong Public Offering to satisfy valid applications in Pool A and Pool B under the Hong Kong Public Offering pursuant to HKEx-GL91-18. In the event that (i) the International Offer Shares are undersubscribed and the Hong Kong Offer Shares are fully subscribed or oversubscribed irrespective of the number of times; or (ii) the International Offer Shares are fully subscribed or oversubscribed and the Hong Kong Offer Shares are fully subscribed or oversubscribed as to less than 13 times of the number of Hong Kong Offer Shares initially available under the Hong Kong Public Offering provided that the Offer Price would be set at HK\$105 (low-end of the indicative Offer Price), up to 9,130,500 Offer Shares may be reallocated to the Hong Kong Public Offering from the International Offering, so that the total number of the Offer Shares available under the Hong Kong Public Offering will be increased to 18,261,000 Offer Shares, representing 5.0% of the number of the Offer Shares initially available under the Global Offering (before any exercise of the Over-allotment Option).

### *Applications*

Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the application submitted by him/her/it that he/she/it and any person(s) for whose benefit he/she/it is making the application has not applied for or taken up, or indicated an interest in, and will not apply for or take up, or indicate an interest in, any International Offering Shares under the International Offering, and such applicant's application is liable to be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be) or it has been or will be placed or allocated International Offering Shares under the International Offering.

---

## STRUCTURE OF THE GLOBAL OFFERING

---

Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum price of HK\$115.00 per Offer Share in addition to the brokerage, SFC transaction levy and the Stock Exchange trading fee payable on each Offer Share. If the Offer Price, as finally determined in the manner described in “— Pricing and Allocation” in this section below, is less than the maximum price of HK\$115.00 per Offer Share, appropriate refund payments (including the brokerage, SFC transaction levy and the Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. Further details are set out below in “How to Apply for Hong Kong Offer Shares” in this prospectus.

### THE INTERNATIONAL OFFERING

#### *Number of Offer Shares Offered*

Subject to the reallocation as described above, the number of Offer Shares to be initially offered under the International Offering will be 356,088,100, representing approximately 97.5% of the total number of Offer Shares initially available under the Global Offering. Subject to the reallocation of the Offer Shares between the International Offering and the Hong Kong Public Offering, the number of Offer Shares initially offered under the International Offering will represent approximately 8.67% of our Company’s issued share capital immediately after completion of the Global Offering (assuming (a) the Over-allotment Option is not exercised; (b) 363,146,799 Class B Shares will be issued pursuant to the exercised options under the Pre-IPO ESOP upon Listing; and (c) no other Shares are issued pursuant to the unexercised options under the Pre-IPO ESOP, Post-IPO Share Option Scheme and Post-IPO RSU Scheme).

#### *Allocation*

Pursuant to the International Offering, the International Offering Shares will be conditionally placed on behalf of our Company by the International Purchasers or through selling agents appointed by them. International Offering Shares will be selectively placed with certain professional and institutional investors and other investors anticipated to have a sizeable demand for such Offer Shares in Hong Kong and other jurisdictions outside the United States in offshore transactions in reliance on Regulation S and in the United States to QIBs as defined in Rule 144A. The International Offering is subject to the Hong Kong Public Offering being unconditional.

Allocation of Offer Shares pursuant to the International Offering will be effected in accordance with the “book-building” process described in “— Pricing and Allocation” in this section below and based on a number of factors, including the level and timing of demand, total size of the relevant investor’s invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely hold or sell, Shares, after the listing of our Shares on the Stock Exchange. Such allocation is intended to result in a distribution of the Shares on a basis which would lead to the establishment of a solid shareholder base to the benefit of our Company and our Shareholders as a whole.

---

## STRUCTURE OF THE GLOBAL OFFERING

---

The Joint Representatives (for themselves and on behalf of the Underwriters) may require any investor who has been offered Offer Shares under the International Offering and who has made an application under the Hong Kong Public Offering, to provide sufficient information to the Joint Representatives (for themselves and on behalf of the Underwriters) so as to allow them to identify the relevant applications under the Hong Kong Public Offering and to ensure that they are excluded from any application of Offer Shares under the Hong Kong Public Offering.

### ***Reallocation***

The total number of Offer Shares to be issued or sold pursuant to the International Offering may change as a result of the clawback arrangement described in “— The Hong Kong Public Offering — Reallocation” in this section above, the exercise of the Over-allotment Option in whole or in part described in “— Over-allotment Option” in this section and any reallocation of unsubscribed Offer Shares originally included in the Hong Kong Public Offering at the discretion of the Joint Representatives.

### **OVER-ALLOTMENT OPTION**

In connection with the Global Offering, it is expected that the Company and the Option Grantors will grant the Over-allotment Option to the International Underwriters, which will be exercisable by the Joint Representatives (on behalf of the International Underwriters).

Pursuant to the Over-allotment Option, the International Underwriters have the right, exercisable by the Joint Representatives (on behalf of the International Underwriters) at any time from the effective date of the International Underwriting Agreement to the 30th day after the last day for lodging applications under the Hong Kong Public Offering, to require the Company to issue up to 50,737,300 new Class B Shares and to require the Option Grantors to sell up to 4,045,400 Class B Shares, representing in aggregate approximately 15% of the total number of Offer Shares initially available under the Global Offering, at the Offer Price under the International Offering, to, among other things, cover over-allocations in the International Offering, if any. In the event that the Over-allotment Option is exercised, a public announcement will be made.

### STABILIZATION

Stabilization is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilize, the underwriters may bid for, or purchase, the securities in the secondary market, during a specified period of time, to curb and, if possible, prevent any decline in the market price of the securities below the offer price. It may be effected in jurisdictions where it is permissible to do so and subject to all applicable laws and regulatory requirements. In Hong Kong, the price at which stabilization is effected is not permitted to exceed the Offer Price.

In connection with the Global Offering, the Stabilizing Manager or any person acting for it, on behalf of the Underwriters, may over-allocate or effect short sales or any other stabilizing transactions with a view to stabilizing or maintaining the market price of the Offer Shares at a level higher than that which might otherwise prevail in the open market. Short sales involve the sale by the Stabilizing Manager of a greater number of Shares than the Underwriters are required to purchase in the Global Offering. “Covered” short sales are sales made in an amount not greater than the Over-allotment Option. The Stabilizing Manager may close out the covered short position by either exercising the Over-allotment Option to purchase additional Offer Shares or purchasing Shares in the open market. In determining the source of the Offer Shares to close out the covered short position, the Stabilizing Manager will consider, among other things, the price of Offer Shares in the open market as compared to the price at which they may purchase additional Offer Shares pursuant to the Over-allotment Option. Stabilizing transactions consist of certain bids or purchases made for the purpose of preventing or curbing a decline in the market price of the Offer Shares while the Global Offering is in progress. However, there is no obligation on the Stabilizing Manager or any person acting for it to conduct any such stabilizing action. Such stabilizing activity, if commenced, will be done at the absolute discretion of the Stabilizing Manager and may be discontinued at any time.

Any such stabilizing activity is required to be brought to an end within 30 days of the last day for the lodging of applications under the Hong Kong Public Offering. The number of the Offer Shares that may be over-allocated will not exceed the number of the Shares that may be sold under the Over-allotment Option, namely, 54,782,700 Offer Shares, which is 15% of the number of Offer Shares initially available under the Global Offering, and cover such over-allocations by exercising the Over-allotment Option or by making purchases in the secondary market at prices that do not exceed the Offer Price or through stock borrowing arrangements or a combination of these means.

---

## STRUCTURE OF THE GLOBAL OFFERING

---

In Hong Kong, stabilizing activities must be carried out in accordance with the Securities and Futures (Price Stabilizing) Rules. Stabilizing actions permitted pursuant to the Securities and Futures (Price Stabilizing) Rules include:

- (a) over-allocating for the purpose of preventing or minimizing any reduction in the market price of our Shares;
- (b) selling or agreeing to sell the Shares so as to establish a short position in them for the purpose of preventing or minimizing any reduction in the market price of the Shares;
- (c) purchasing or subscribing for, or agreeing to purchase or subscribe for, our Shares pursuant to the Over-allotment Option in order to close out any position established under (a) or (b) above;
- (d) purchasing, or agreeing to purchase, any of the Shares for the sole purpose of preventing or minimizing any reduction in the market price;
- (e) selling or agreeing to sell any of our Shares in order to liquidate any position established as a result of those purchases; and
- (f) offering or attempting to do anything as described in (b), (c), (d) or (e) above.

Stabilizing actions by the Stabilizing Manager, or any person acting for it, will be entered into in accordance with the laws, rules and regulations in place in Hong Kong on stabilization.

As a result of effecting transactions to stabilize or maintain the market price of the Shares, the Stabilizing Manager, or any person acting for it, may maintain a long position in the Shares. The size of the long position, and the period for which the Stabilizing Manager, or any person acting for it, will maintain the long position is at the discretion of the Stabilizing Manager and is uncertain. In the event that the Stabilizing Manager liquidates this long position by making sales in the open market, this may lead to a decline in the market price of the Shares.

Stabilizing action by the Stabilizing Manager, or any person acting for it, is not permitted to support the price of the Shares for longer than the stabilizing period, which begins on the day on which trading of the Shares commences on the Hong Kong Stock Exchange and ends on the 30th day after the last day for the lodging of applications under the Hong Kong Public Offering. The stabilizing period is expected to end on Sunday, February 28, 2021. As a result, demand for the Shares, and their market price, may fall after the end of the stabilizing period. These activities by the Stabilizing Manager may stabilize, maintain or otherwise affect the market price of the Shares. As a result, the price of the Shares may be higher than the price that otherwise may exist in the

---

## STRUCTURE OF THE GLOBAL OFFERING

---

open market. Any stabilizing action taken by the Stabilizing Manager, or any person acting for it, may not necessarily result in the market price of the Shares staying at or above the Offer Price either during or after the stabilizing period. Bids for or market purchases of the Shares by the Stabilizing Manager, or any person acting for it, may be made at a price at or below the Offer Price and therefore at or below the price paid for the Shares by purchasers. A public announcement in compliance with the Securities and Futures (Price Stabilizing) Rules will be made within seven days of the expiration of the stabilizing period.

### STOCK BORROWING ARRANGEMENT

In order to facilitate the settlement of over-allocations in connection with the Global Offering, the Stabilizing Manager (or its affiliate(s)) may choose to borrow up to 54,782,700 Class B Shares from Reach Best and Ke Yong in aggregate, representing 15% of the Offer Shares initially being offered under the Global Offering, pursuant to the Stock Borrowing Agreement. If such Stock Borrowing Agreement is entered into, it will comply with the requirements set forth in Rule 10.07(3) of the Listing Rules and thus not subject to the restrictions of Rule 10.07(1) of the Listing Rules, and it will only be effected by the Stabilizing Manager for settlement of over-allocations in the International Offering. If the Over-allotment Option is exercised in full, 4,045,400 Class B Shares will be sold by the Option Grantors and 50,737,300 Class B Shares will be returned to Reach Best and Ke Yong. If the Over-allotment Option is not exercised, all 54,782,700 Class B Shares will be returned to Reach Best and Ke Yong.

### PRICING AND ALLOCATION

#### *Determining the Offer Price*

The International Underwriters will be soliciting from prospective investors' indications of interest in acquiring Offer Shares in the International Offering. Prospective professional and institutional investors will be required to specify the number of Offer Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price. This process, known as "book-building," is expected to continue up to, and to cease on or around, the last day for lodging applications under the Hong Kong Public Offering.

Pricing for the Offer Shares for the purpose of the various offerings under the Global Offering will be agreed on the Price Determination Date, which is expected to be on or about Friday, January 29, 2021 and in any event no later than Tuesday, February 2, 2021, by agreement between the Joint Representatives (for themselves and on behalf of the Underwriters) and our Company and the number of Offer Shares to be allocated under the various offerings will be determined shortly thereafter.

#### *Offer Price Range*

The Offer Price per Offer Share under the Hong Kong Public Offering will be identical to the Offer Price per Offer Share under the International Offering based on the Hong Kong dollar price per Offer Share, as determined by the Joint Representatives (for themselves and on behalf of the Underwriters) and our Company and the Controlling Shareholders.

---

## STRUCTURE OF THE GLOBAL OFFERING

---

The Offer Price will not be more than HK\$115.00 per Offer Share and is expected to be not less than HK\$105.00 per Offer Share, unless otherwise announced by the Company no later than the morning of the last day for lodging applications under the Hong Kong Public Offering, as further explained below. Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative Offer Price range stated in this prospectus.

### ***Price Payable on Application***

Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum Offer Price of HK\$115.00 per each Hong Kong Offer Share (plus 1% brokerage, 0.0027% SFC transaction levy and 0.005% Stock Exchange trading fee). If the Offer Price is less than HK\$115.00, appropriate refund payments (including the brokerage, SFC transaction levy and the Hong Kong Stock Exchange trading fee attributable to the surplus application monies, without any interest) will be made to successful applications.

If, for any reason, our Company and the Joint Representatives (for themselves and on behalf of the Underwriters) are unable to reach agreement on the Offer Price on or before Tuesday, February 2, 2021, the Global Offering will not proceed and will lapse.

### ***Reduction in Indicative Offer Price Range and/or Number of Offer Shares***

The Joint Representatives (for themselves and on behalf of the Underwriters) may, where considered appropriate, based on the level of interest expressed by prospective professional and institutional investors during the book-building process, and with the consent of our Company, reduce the number of Offer Shares and/or the indicative Offer Price range as stated in this prospectus at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such case, we will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the day which is the last day for lodging applications under the Hong Kong Public Offering, cause to be published in the South China Morning Post (in English) and Hong Kong Economic Times (in Chinese) and on the website of the Stock Exchange at [www.hkexnews.hk](http://www.hkexnews.hk) and the Company at [www.kuaishou.com](http://www.kuaishou.com), notices of the reduction. Upon issue of such a notice, the revised number of Offer Shares and/or indicative Offer Price range will be final and conclusive and the Offer Price, if agreed upon by the Joint Representatives, for themselves and on behalf of the Underwriters, and our Company, will be fixed within such a revised Offer Price range. Such notice will also include confirmation or revision, as appropriate, of the working capital statement and the Global Offering statistics as currently set out in the prospectus and any other financial information which may change materially as a result of such reduction.

---

## STRUCTURE OF THE GLOBAL OFFERING

---

Before submitting applications for the Hong Kong Offer Shares, applicants should have regard to the possibility that any announcement of a reduction in the number of Offer Shares and/or the indicative Offer Price range may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering. In the absence of any such notice so published, the number of Offer Shares will not be reduced and/or the Offer Price, if agreed upon by the Joint Representatives, for themselves and on behalf of the Underwriters, and our Company, will under no circumstances be set outside the Offer Price range as stated in this prospectus. However, if the number of Offer Shares and/or the Offer Price range is reduced, applicants under the Hong Kong Public Offering will be entitled to withdraw their applications unless positive confirmations from the applicants to proceed are received.

In the event of a reduction in the number of Offer Shares, the Joint Representatives (for themselves and on behalf of the Underwriters) may, at their discretion, reallocate the number of Offer Shares to be offered in the Hong Kong Public Offering and the International Offering, provided that the number of Offer Shares comprised in the Hong Kong Public Offering shall not be less than 2.5% of the total number of Offer Shares available under the Global Offering. The Offer Shares to be offered in the Hong Kong Public Offering and the Offer Shares to be offered in the International Offering may, in certain circumstances, be reallocated between these offerings at the discretion of the Joint Representatives (for themselves and on behalf of the Underwriters).

### *Announcement of Offer Price and Basis of Allocations*

The final Offer Price, the level of indications of interest in the Global Offering, the results of allocations and the basis of allotment of the Hong Kong Offer Shares are expected to be announced on Thursday, February 4, 2021 on the website of the Stock Exchange at [www.hkexnews.hk](http://www.hkexnews.hk) and on the website of our Company at [www.kuaishou.com](http://www.kuaishou.com).

## UNDERWRITING

The Hong Kong Public Offering is fully underwritten by the Hong Kong Underwriters under the terms of the Hong Kong Underwriting Agreement and is subject to our Company and the Joint Representatives, for themselves and on behalf of the Underwriters, agreeing on the Offer Price.

We expect to enter into the International Underwriting Agreement relating to the International Offering on the Price Determination Date.

These underwriting arrangements, and the Hong Kong Underwriting Agreement and the International Underwriting Agreement, are summarized in “Underwriting” in this prospectus.
