VOLUNTARY ANNOUNCEMENT
SEIZURE OF DOCUMENTS AND SEALS OF THE COMPANY

This is a voluntary announcement made by China Greenfresh Group Co., Ltd. (the "**Company**").

It was noted that, during the Chinese New Year holiday, certain creditors of the Company entered the Company's representative office in Zhangzhou, Jiaomei by force and took away some goods, office supplies, a safe and several data cabinets, which contained the business certificate, the seal, official documents, financial documents and other relevant documents of the Company.

Upon discovery of the said incident, the Company immediately reported the case to the local police station in the first instance.

The directors of the Company took the view that the business and operation of the Company may be adversely affected if the business certificate and the seal of the Company were not recovered within reasonable time.

The Company will continue to use its best endeavour to communicate and negotiate with the creditors in order to recover the business certificate, the seal and other documents of the Company as soon as possible. The Company is now seeking legal opinion on the appropriate actions to be taken.
