### THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering as part of the Global Offering. The Global Offering comprises (subject to adjustment and the Over-allotment Option):

- (a) the Hong Kong Public Offering of 11,599,000 Shares (subject to adjustment as mentioned below) for subscription by the public in Hong Kong as described in “Structure of the Global Offering — The Hong Kong Public Offering” below; and
- (b) the International Offering of 104,385,500 Shares (subject to adjustment and the Over-allotment Option as mentioned below) outside the United States (including to professional and institutional investors within Hong Kong) in offshore transactions in reliance on Regulation S and in the United States only to QIBs in reliance on Rule 144A or any other available exemption from registration under the U.S. Securities Act as described in “— The International Offering” below.

Investors may apply for the Hong Kong Offer Shares under the Hong Kong Public Offering or indicate an interest, if qualified to do so, for the International Offer Shares under the International Offering, but may not do both.

The Offer Shares will represent approximately 17.11% of the enlarged issued share capital of our Company immediately after completion of the Global Offering without taking into account the exercise of the Over-allotment Option. If the Over-allotment Option is exercised in full, the additional International Offer Shares will represent approximately 2.50% of the enlarged issued share capital of our Company immediately after completion of the Global Offering and the exercise of the Over-allotment Option as set out in “— The International Offering — Over-allotment Option” below.

The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors in Hong Kong. The International Offering will involve selective marketing of the International Offer Shares to institutional and professional investors and other investors expected to have a sizeable demand for the International Offer Shares in Hong Kong and other jurisdictions outside the United States in reliance on Regulation S. The International Underwriters are soliciting from prospective investors’ indications of interest in acquiring the International Offer Shares under the International Offering. Prospective investors will be required to specify the number of International Offer Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price.

References in this prospectus to applications, Application Forms, application monies or the procedure for application relate solely to the Hong Kong Public Offering.

## THE STRUCTURE OF THE GLOBAL OFFERING

---

The number of Offer Shares to be offered under the Hong Kong Public Offering and the International Offering, respectively, may be subject to reallocation as described in “— The Hong Kong Public Offering — Reallocation” below.

### THE HONG KONG PUBLIC OFFERING

#### Number of Hong Kong Offer Shares Initially Offered

We are initially offering 11,599,000 Shares for subscription by the public in Hong Kong at the Offer Price, representing approximately 10.0% of the total number of the Offer Shares initially available under the Global Offering. Subject to the reallocation of the Offer Shares between the International Offering and the Hong Kong Public Offering, the Hong Kong Offer Shares will represent approximately 1.7% of the enlarged issued share capital of our Company immediately following the completion of the Global Offering (assuming the Over-allotment Option is not exercised).

The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors. Professional investors generally include brokers, dealers, and companies (including fund managers) whose ordinary business involves dealing in shares and other securities, and corporate entities which regularly invest in shares and other securities.

Completion of the Hong Kong Public Offering is subject to the conditions as set forth in “— Conditions of the Global Offering” below.

#### Allocation

Allocation of the Offer Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants. Such allocation could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than the others who have applied for the same number of the Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

For allocation purpose only, the total number of the Offer Shares initially available under the Hong Kong Public Offering (after taking into account any adjustment in the number of the Offer Shares allocated between the Hong Kong Public Offering and the International Offering) is to be divided into two pools: Pool A and Pool B. Accordingly, the maximum number of Hong Kong Offer Shares initially in Pool A and Pool B will be 5,799,500 and 5,799,500, respectively. The Hong Kong Offer Shares in Pool A will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with an aggregate price of HK\$5 million (excluding the brokerage, SFC transaction levy and the Hong Kong Stock Exchange trading fee payable) or less. The Hong Kong Offer Shares in Pool B will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with an aggregate price of more than HK\$5 million (excluding the brokerage, SFC transaction levy and the Hong Kong Stock Exchange trading fee payable).

---

## THE STRUCTURE OF THE GLOBAL OFFERING

---

Investors should be aware that applications in Pool A and applications in Pool B may receive different allocation ratios. If the Hong Kong Offer Shares in one (but not both) of the pools are under-subscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly. For the purpose of this paragraph only, the “price” for the Offer Shares means the price payable on application therein (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of the Hong Kong Offer Shares from either Pool A or Pool B but not from both pools.

Multiple or suspected multiple applications and any application for more than 5,799,500 Hong Kong Offer Shares (being 50% of the 11,599,000 Hong Kong Offer Shares initially available under the Hong Kong Public Offering) are liable to be rejected.

### **Reallocation**

The allocation of the Offer Shares between the Hong Kong Public Offering and the International Offering is subject to adjustment. Paragraph 4.2 of Practice Note 18 of the Listing Rules requires a clawback mechanism to be put in place which would have the effect of increasing the number of the Offer Shares under the Hong Kong Public Offering to a certain percentage of the International Offer Shares are fully subscribed or oversubscribed and the total number of the Offer Shares offered under the Global Offering if certain prescribed total demand levels are reached as further described below:

- if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 15 times or more but less than 50 times the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering so that the total number of Offer Shares available under the Hong Kong Public Offering will be 34,796,000 Shares, representing approximately 30% of the Offer Shares initially available under the Global Offering;
- if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 50 times or more but less than 100 times the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of Offer Shares to be reallocated to the Hong Kong Public Offering from the International Offering will be increased so that the total number of Offer Shares available under the Hong Kong Public Offering will be 46,394,000 Shares, representing approximately 40% of the Offer Shares initially available under the Global Offering; and
- if the number of Offer Shares validly applied for under the Hong Kong Public Offering represents 100 times or more the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of Offer Shares to be reallocated to the Hong Kong Public Offering from the International Offering will be increased so that the total number of Offer Shares available under the Hong Kong Public Offering will be 57,993,000 Shares, representing approximately 50% of the Offer Shares initially available under the Global Offering.

---

## THE STRUCTURE OF THE GLOBAL OFFERING

---

The Offer Shares to be offered in the Hong Kong Public Offering and the International Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Joint Representatives. In accordance with Guidance Letter HKEX-GL91-18 issued by the Hong Kong Stock Exchange, if such reallocation is done other than pursuant to Practice Note 18 of the Listing Rules for:

- if the International Offer Shares are fully subscribed or oversubscribed, and the number of Offer Shares validly applied for under the Hong Kong Public Offering represents less than 15 times the number of the Offer Shares initially available for subscription under the Hong Kong Public Offering
- if the International Offer Shares are undersubscribed, and the Hong Kong Offer Shares are fully subscribed or oversubscribed (irrespective of the extent of over-subscription)

the maximum total number of Shares that may be reallocated to the Hong Kong Public Offering shall be not more than 23,198,000 Shares, representing two times the number of Hong Kong Offer Shares initially available under the Hong Kong Public Offering and approximately 20% of the number of Offer Shares initially available under the Global Offering; and the final Offer Price shall be fixed at HK\$17.20 per Offer Share, the low-end of the Offer Price range stated in this prospectus.

Any such clawback and reallocation between the International Offering and the Hong Kong Public Offering will be completed prior to any adjustments of the number of the Offer Shares pursuant to the exercise of the Over-allotment Option, if any.

In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between Pool A and Pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Joint Representatives in their sole discretion consider appropriate.

### **Applications**

Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the Application Form submitted by him/her that he/she and any person(s) for whose benefit he/she is making the application have not applied for or taken up, or indicated an interest for, and will not apply for or take up, or indicate an interest for, any Offer Shares under the International Offering, and such applicant's application is liable to be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be) or it has been or will be placed or allocated Offer Shares under the International Offering.

Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum Offer Price of HK\$18.80 per Offer Share in addition to the brokerage, SFC transaction levy and the Hong Kong Stock Exchange trading fee payable on each Offer Share. If the Offer Price, as finally determined in the manner described in “— Pricing and Allocation” below, is less than the

---

maximum price of HK\$18.80 per Offer Share, appropriate refund payments (including the brokerage, SFC transaction levy and the Hong Kong Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. Further details are set out below in “How to Apply for Hong Kong Offer Shares.”

### THE INTERNATIONAL OFFERING

#### Number of International Offer Shares Initially Offered

Subject to reallocation as described in this section and the exercise of the Over-allotment Option, the International Offering will consist of an initial offering of 104,385,500 Offer Shares, representing approximately 90.0% of the total number of Offer Shares initially available under the Global Offering subject to the reallocation of Offer Shares between the International Offering and the Hong Kong Public Offering and assuming that the Over-allotment Option is not exercised.

#### Allocation

The International Offering will include selective marketing of the Offer Shares to institutional and professional investors and other investors anticipated to have a sizeable demand for such Offer Shares. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities. Allocation of the Offer Shares pursuant to the International Offering will be effected in accordance with the “book-building” process described in “— Pricing and Allocation” and based on a number of factors, including the level and timing of demand, the total size of the relevant investor’s invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further Offer Shares, and/or hold or sell its Offer Shares, after the listing of the Offer Shares on the Hong Kong Stock Exchange. Such allocation is intended to result in a distribution of the International Offer Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to the benefit of our Company and its Shareholders as a whole.

The Joint Representatives (for themselves and on behalf of the International Underwriters) may require any investor who has been offered the International Offer Shares under the International Offering, and who has made an application under the Hong Kong Public Offering, to provide sufficient information to the Joint Representatives so as to allow them to identify the relevant applications under the Hong Kong Public Offering and to ensure that they are excluded from any application of the Offer Shares under the Hong Kong Public Offering.

#### Reallocation

The total number of the Offer Shares to be issued or sold pursuant to the International Offering may change as a result of the reallocation arrangement described in “— The Hong Kong Public Offering — Reallocation,” the exercise of the Over-allotment Option in whole or in part and/or any

---

## THE STRUCTURE OF THE GLOBAL OFFERING

---

reallocation of unsubscribed Offer Shares originally included in the Hong Kong Public Offering to the International Offering.

### **Over-allotment Option**

Our Company expects to grant to the International Underwriters, exercisable in whole or in part by the Joint Representatives at their sole and absolute discretion (on behalf of the International Underwriters), the Over-allotment Option, which will be exercisable from the Listing Date until 30 days after the last day for the lodging of applications under the Hong Kong Public Offering, to require our Company to allot and issue, up to an aggregate of 17,397,500 Shares, representing no more than 15.0% of the Offer Shares initially available under the Global Offering, at the Offer Price, to cover over-allocations in the International Offering, if any. If the Over-allotment Option is exercised in full, the additional International Offer Shares will represent approximately 2.50% of our Company's enlarged issued share capital immediately following completion of the Global Offering and the exercise of the Over-allotment Option. In the event that the Over-allotment Option is exercised, we will make an announcement in due course.

### **STABILIZATION**

Stabilization is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilize, the underwriters may bid for, or purchase, the newly issued securities in the secondary market, during a specified period of time, to reduce and, if possible, prevent any decline in the market price of the securities below the offer price. In Hong Kong and a number of other jurisdictions, activity aimed at reducing the market price is prohibited, and the price at which stabilization is effected is not permitted to exceed the offer price.

In connection with the Global Offering, the Stabilizing Manager, its affiliates or any person acting for it, as stabilizing manager, on behalf of the Underwriters, may to the extent permitted by applicable laws of Hong Kong or elsewhere, over-allocate or effect transactions with a view to stabilizing or supporting the market price of the Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date. However, there is no obligation on the Stabilizing Manager, its affiliates or any persons acting for it, to conduct any such stabilizing action. Such stabilization action, if commenced, may be discontinued at any time, and is required to be brought to an end within 30 days after the last day for the lodging of applications under the Hong Kong Public Offering. Should stabilizing transactions be effected in connection with the Global Offering, this will be effected at the absolute discretion of the Stabilizing Manager, its affiliates or any person acting for it.

Stabilizing action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilizing) Rules (Chapter 571W of the Laws of Hong Kong), as amended, includes (i) over-allocation for the purpose of preventing or minimizing any reduction in the market price of the Shares, (ii) selling or agreeing to sell the Shares so as to establish a short position in them for the purpose of preventing or minimizing any reduction in the market price of the Shares, (iii) purchasing or subscribing for, or agreeing to purchase or subscribe for, the Shares pursuant to the Over-

---

## THE STRUCTURE OF THE GLOBAL OFFERING

---

allotment Option in order to close out any position established under (i) or (ii) above, (iv) purchasing, or agreeing to purchase, any of the Shares for the sole purpose of preventing or minimizing any reduction in the market price of the Shares, (v) selling or agreeing to sell any Shares in order to liquidate any position established as a result of those purchases and (vi) offering or attempting to do anything as described in paragraph (ii), (iii), (iv) or (v).

Specifically, prospective applicants for and investors in the Offer Shares should note that:

- the Stabilizing Manager, its affiliates or any person acting for it may, in connection with the stabilizing action, maintain a long position in the Shares;
- there is no certainty regarding the extent to which and the time or period for which the Stabilizing Manager, or any person acting for it, will maintain such a long position;
- liquidation of any such long position by the Stabilizing Manager, its affiliates or any person acting for it may have an adverse impact on the market price of the Shares;
- no stabilizing action can be taken to support the price of the Shares for longer than the stabilizing period which will begin on the Listing Date, and is expected to expire on the 30th day after the last day for the lodging of applications under the Hong Kong Public Offering. After this date, when no further stabilizing action may be taken, demand for the Shares, and therefore the price of the Shares, could fall;
- the price of the Shares cannot be assured to stay at or above the Offer Price by the taking of any stabilizing action; and
- stabilizing bids may be made or transactions effected in the course of the stabilizing action at any price at or below the Offer Price, which means that stabilizing bids may be made or transactions effected at a price below the price paid by applicants for, or investors in, the Shares.

Our Company will ensure or procure that an announcement in compliance with the Securities and Futures (Price Stabilizing) Rules (Chapter 571W of the Laws of Hong Kong) will be made within seven days of the expiration of the stabilization period.

### **Over-allocation**

Following any over-allocation of the Shares in connection with the Global Offering, the Joint Representatives, their affiliates or any person acting for it may cover such over-allocation by, amongst other methods, exercising the Over-allotment Option in full or in part, by using Shares purchased by the Stabilizing Manager, its affiliates or any person acting for it in the secondary market, or through the stock borrowing arrangement mentioned below or by a combination of these means. Any such purchases will be made in accordance with the laws, rules and regulations in place in Hong Kong on stabilization. The number of Shares which can be over-allocated will not exceed the number of the Shares which may be allotted and/or issued pursuant to the exercise in full of the Over-allotment Option, being 17,397,500 Shares, representing approximately 15.0% of the Offer Shares initially available under the Global Offering.

---

## THE STRUCTURE OF THE GLOBAL OFFERING

---

### STOCK BORROWING AGREEMENT

In order to facilitate the settlement of over-allocation in connection with the Global Offering, the Stabilizing Manager, or any person acting for it may choose to borrow up to 17,397,500 Shares from GL Trade Investment L.P. pursuant to the Stock Borrowing Agreement.

The stock borrowing arrangement under the Stock Borrowing Agreement complies with the requirements set forth in Rule 10.07(3) of the Listing Rules and thus is not subject to the restrictions of Rule 10.07(1) of the Listing Rules.

### PRICING AND ALLOCATION

The International Underwriters will be soliciting from prospective investors indications of interest in acquiring the Offer Shares in the International Offering. Prospective professional and institutional investors will be required to specify the number of Offer Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price. This process, known as “book-building,” is expected to continue up to, and to cease on or about, the last day for lodging applications under the Hong Kong Public Offering.

The Offer Price is expected to be fixed by agreement between our Company and the Joint Representatives (for themselves and on behalf of the Underwriters) on the Price Determination Date, which is expected to be on or about Wednesday, February 24, 2021 and in any event no later than Thursday, February 25, 2021 by agreement among the Joint Representatives (on behalf of the Underwriters) and our Company. The number of Offer Shares to be allocated under the various offerings will be determined shortly thereafter.

The Offer Price will not be more than HK\$18.80 per Offer Share and is expected to be not less than HK\$17.20 per Offer Share unless otherwise announced, as further explained below, not later than the morning of the last day for lodging applications under the Hong Kong Public Offering. **Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative Offer Price range stated in this prospectus.**

*If, for any reason, the Offer Price is not agreed between the Joint Representatives (for themselves and on behalf of the Underwriters) and us by Thursday, February 25, 2021 the Global Offering will not proceed and will lapse.*

### Reduction in Offer Price range and/or number of Offer Shares

If, based on the level of interest expressed by prospective institutional, professional and other investors during the book-building process, the Joint Representatives (on behalf of the Underwriters) considers it appropriate and together with our Company’s consent, the number of Offer Shares and/or the indicative Offer Price range may be reduced below that stated in this prospectus at any time prior to the morning of the last day for lodging applications under the Hong Kong Public Offering.

---

## THE STRUCTURE OF THE GLOBAL OFFERING

---

In such a case, our Company will as soon as practicable following the decision to make any such reduction, and in any event not later than the morning of the last day for lodging applications under the Hong Kong Public Offering:

- (a) issue a supplemental prospectus, as the relevant laws or government authority or regulatory authorities may require as soon as practicable following the decision to make the change, updating investors of the change in the indicative Offer Price together with an update of all financial and other information in connection with such change;
- (b) extend the period under which the Global Offering was open for acceptance to allow potential investors the sufficient time to consider their subscriptions or reconsider their existing subscriptions; and
- (c) give potential investors who had applied for the Offer Shares the right to withdraw their applications given the change in circumstances.

In the absence of the publication of any such notice, the Offer Price shall under no circumstances be set outside the Offer Price range indicated in this prospectus. If the number of Offer Shares and/or the indicative Offer Price range is reduced, applicants who have submitted an application under the Hong Kong Public Offering will be entitled to withdraw their applications unless positive confirmations from the applicants to proceed are received.

Before submitting applications for Hong Kong Offer Shares, applicants should have regard to the possibility that any announcement of a reduction in the indicative Offer Price range and/or number of Offer Shares may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering.

In the event of a reduction in the number of Offer Shares, the Joint Global Coordinators may, at their discretion, reallocate the number of Offer Shares to be offered in the Hong Kong Public Offering and the International Offering, provided that the number of Offer Shares comprised in the Hong Kong Public Offering shall not be less than 10.0% of the total number of Offer Shares available under the Global Offering. The Offer Shares to be offered in the Hong Kong Public Offering and the Offer Shares to be offered in the International Offering may, in certain circumstances, be reallocated between these offerings solely in the discretion of the Joint Representatives but the number of Offer Shares to be offered in the Hong Kong Public Offering shall not in any event be less than 10.0% of the total number of Offer Shares available under the Global Offering.

If applications for the Offer Shares have been submitted prior to the day which is the last day for lodging applications under the Hong Kong Public Offering, such applications can be subsequently withdrawn if the number of Offer Shares and/or the indicative Offer Price range is so reduced.

---

## THE STRUCTURE OF THE GLOBAL OFFERING

---

The net proceeds from the Global Offering accruing to us (after deduction of underwriting fees and estimated expenses payable by us in relation to the Global Offering) are estimated to be approximately HK\$1,950.4 million, assuming an Offer Price of HK\$18.00 per Offer Share, being the approximate mid-point of the proposed Offer Price range of HK\$17.20 to HK\$18.80.

The final Offer Price, the level of indications of interest in the International Offering, the level of applications in the Hong Kong Public Offering and the basis of allocations of Offer Shares under the Hong Kong Public Offering are expected to be announced on Tuesday, March 2, 2021 in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) and on the website of our Company ([www.sciclone.com](http://www.sciclone.com)) and the website of the Hong Kong Stock Exchange ([www.hkexnews.hk](http://www.hkexnews.hk)).

### HONG KONG UNDERWRITING AGREEMENT

The Hong Kong Public Offering is fully underwritten by the Hong Kong Underwriters under the terms of the Hong Kong Underwriting Agreement and is subject to agreement on the Offer Price between our Company and the Joint Representatives (for themselves and on behalf of the Underwriters) on the Price Determination Date.

We expect that our Company will enter into the International Underwriting Agreement relating to the International Offering on the Price Determination Date.

The underwriting arrangements under the Hong Kong Underwriting Agreement and the International Underwriting Agreement are summarized in the section headed “Underwriting.”

### CONDITIONS OF THE GLOBAL OFFERING

Acceptances of all applications for Offer Shares will be conditional on:

- (a) the Stock Exchange granting listing of, and permission to deal in, the Shares in issue and to be issued as described in this prospectus (including the additional Shares which may be issued pursuant to the exercise of the Over-allotment Option) and such approval not having been withdrawn;
- (b) the Offer Price having been agreed between our Company and the Joint Representatives (on behalf of the Underwriters) on the Price Determination Date;
- (c) the execution and delivery of the International Underwriting Agreement on or about the Price Determination Date; and
- (d) the obligations of the Underwriters under each of the respective Underwriting Agreements becoming and remaining unconditional and not having been terminated in accordance with the terms of the respective Underwriting Agreements,

## THE STRUCTURE OF THE GLOBAL OFFERING

---

In each case on or before the dates and times specified in the respective Underwriting Agreements (unless and to the extent such conditions are validly waived on or before such dates and times).

If, for any reason, the Offer Price is not agreed between our Company and the Joint Representatives (on behalf of the Underwriters) on or before Thursday, February 25, 2021, the Global Offering will not proceed and will lapse.

The consummation of each of the Hong Kong Public Offering and the International Offering is conditional upon, amongst other things, the other becoming unconditional and not having been terminated in accordance with its terms.

If the above conditions are not fulfilled or waived prior to the times and dates specified, the Global Offering will lapse and the Hong Kong Stock Exchange will be notified immediately. We will as soon as possible publish or cause to be published a notice of the lapse of the Hong Kong Public Offering in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) and on the website of our Company ([www.sciclone.com](http://www.sciclone.com)) and the website of the Hong Kong Stock Exchange ([www.hkexnews.hk](http://www.hkexnews.hk)). In such eventuality, all application monies will be returned, without interest, on the terms set forth “How to Apply for Hong Kong Offer Shares — 14. Dispatch/Collection of Share Certificates and Refund Monies.” In the meantime, all application monies will be held in a separate bank account(s) with the receiving banks or other bank(s) in Hong Kong licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong), as amended.

Share certificates issued in respect of the Hong Kong Offer Shares will only become valid at 8:00 a.m. on the Listing Date provided that the Global Offering has become unconditional in all respects (including the Underwriting Agreements not having been terminated in accordance with their terms) at any time prior to 8:00 a.m. on the Listing Date.

### APPLICATION FOR LISTING ON THE HONG KONG STOCK EXCHANGE

We have applied to the Stock Exchange for the listing of, and permission to deal in, the Shares in issue and to be issued pursuant to the Global Offering (including pursuant to the exercise of the Over-allotment Option) and as mentioned in this prospectus.

No part of our Company’s share or loan capital is listed on or dealt in on any other stock exchange and no such listing or permission to deal is being or proposed to be sought in the near future.

### SHARES WILL BE ELIGIBLE FOR ADMISSION INTO CCASS

All necessary arrangements have been made to enable the Shares to be admitted into CCASS. If the Hong Kong Stock Exchange grants the listing of, and permission to deal in, the Shares and we

Settlement of transactions between Exchange Participants (as defined in the Listing Rules) is required to take place in CCASS on the second business day after any trading day. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Investors should seek the advice of their stockbroker or other professional advisors for details of the settlement arrangements as such arrangements may affect their rights and interests.
