2. PROPOSED RE-ELECTION OF RETIRING DIRECTORS

In accordance with articles 84(1) and 84(2) of the Articles, Mr. Ming Zaiyuan, Mr. Yan Danhua and Dr. Liu Xiaofeng will retire as Directors by rotation at the AGM and, being eligible, they will offer themselves for re-election at the same meeting.

The nomination committee of the Company (the “**Nomination Committee**”) assists the Board in the selection and nomination process for the above retiring Directors. The nomination was made in accordance with the nomination procedures adopted by the Board and took into account the Board’s composition as well as the various diversity aspects as set out in the board diversity policy adopted by the Board (the “**Board Diversity Policy**”).

The Nomination Committee has evaluated the retiring Directors based on criteria including but not limited to their character and integrity, professional qualifications, skills, knowledge, experience and willingness and ability to devote adequate time to discharge duties as members of the Board and is of the view that the retiring Directors will bring to the Board perspectives, skills and experience as further described in their particulars below.

Based on the Board Diversity Policy, the Nomination Committee considers that the retiring Directors can contribute to the diversity of the Board. The Board comprises seven members. The Directors also have a balanced mix of knowledge, skills and experience, including overall management, information technology and investment etc. They obtained degrees in various majors including economics, business administration, commerce, engineering and petroleum geology. The Board has three independent non-executive Directors with different industry backgrounds, representing more than one-third of the Board members. The Board has a wide range of age, ranging from 53 years old to 63 years old. The Company has taken and will continue to take steps to promote gender diversity at all levels of the Group, including but without limitation at the Board and senior management levels. 3. PROPOSED RENEWAL OF GENERAL MANDATE TO REPURCHASE SHARES

At the 2020 AGM, a general mandate was granted to the Directors to exercise all powers of the Company to repurchase Shares. Such mandate will lapse at the conclusion of the AGM.

Such mandate will lapse at the conclusion of the AGM.

In order to give the Company the flexibility to issue Shares where appropriate, an ordinary resolution will be proposed at the AGM to approve the renewal of the Issuance Mandate to the Directors to allot, issue or deal with additional Shares or securities convertible into Shares and to make or grant offers, agreements or options (including but not limited to any warrants, bonds, notes and debentures conferring any rights to subscribe for or otherwise receive Shares) which would or might require the exercise of such power, during the period as set out in the ordinary resolution No. 6 in the notice of AGM of not exceeding 20% of the number of issued Shares as at the date of passing of the resolution in relation to the Issuance Mandate.

In addition, subject to a separate approval of the ordinary resolution No. 7, the number of Shares repurchased by the Company under ordinary resolution No. 5 will also be added to extend the 20% limit of the Issuance Mandate as mentioned in ordinary resolution No. 6 provided that such additional amount shall not exceed 10% of the number of issued Shares as at the date of passing the resolutions in relation to the Issuance Mandate and Share Repurchase Mandate. If the Company conducts a share consolidation or subdivision after the Issuance Mandate is granted, the maximum number of Shares that may be issued under the Issuance Mandate as a percentage of the total number of issued Shares as the date immediately before and after such consolidation or subdivision shall be the same.

The Directors wish to state that they have no immediate plan to issue any new Shares pursuant to the Issuance Mandate.

His appointment shall be subject to retirement by rotation and re-election in accordance with the Articles of Association. Dr. Liu is entitled to an annual remuneration of HK\$350,000, which was determined with reference to the duties and responsibilities of Dr. Liu with the Company, the Company's performance and the prevailing market condition.

Relationships

Dr. Liu does not have any other relationship with any Directors or senior management of the Company or substantial Shareholders or controlling Shareholders.

As at the Latest Practicable Date, Dr. Liu did not have any interest in any Shares or underlying Shares pursuant to Part XV of the SFO.

Matters that need to be brought to the attention of the Shareholders

Saved as disclosed above, there are no other matters concerning Dr. Liu that need to be brought to the attention of the Shareholders and there is no other information relating to Dr. Liu that is required to be disclosed pursuant to Rule 13.51(2)(h) to (v) of the Listing Rules.

The following is an explanatory statement providing all Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the proposed ordinary resolution No. 5 as set out in the notice of AGM in relation to the Share Repurchase Mandate. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules which is set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company of 3,393,582,395 Shares have been fully paid. As at the same date, there were outstanding Options granted under the Pre-IPO Share Option Scheme to subscribe for 1,734,440 Shares. There were no outstanding RSUs granted under the Post-IPO RSU Scheme.

Subject to the passing of ordinary resolution No. 5 as set out in the notice of AGM in respect of the approving the renewal of the Share Repurchase Mandate and on the basis that the number of issued Shares remains unchanged before the AGM, i.e. being 3,393,582,395 Shares, the Directors would be authorized under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, a maximum of 339,358,239 Shares, representing 10.0% of the number of Shares in issue as at the date of the AGM (assuming the number of issued Shares remains unchanged following the Latest Practicable Date and prior to the date of the AGM).

The Directors wish to state that they have no immediate plan to repurchase any Shares pursuant to the Share Repurchase Mandate.

2. REASONS FOR SHARE REPURCHASE

The Directors believe it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Company to repurchase Shares on the market. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

3. FUNDING OF REPURCHASE

The Company is empowered by its Articles to repurchase Shares. In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

4. IMPACT OF REPURCHASE

There might be a material adverse impact on the working capital of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended December 31, 2020) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period.

However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company which in the opinion of the Directors is from time to time appropriate for the Company.

5. TAKEOVERS CODE IMPLICATIONS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Share Repurchase Mandate in accordance with the Listing Rules, the Articles and any other applicable laws of Cayman Islands and Hong Kong.

If, as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The Listing Rules prohibit a company from making a repurchase on the Stock Exchange if the result of such repurchase would be less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the total number of issued Shares would be publicly held. The Directors do not intend to repurchase Shares to the extent that, after the consummation of any such repurchase, less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the total number of issued Shares would be publicly held.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, the following Shareholders have interests representing 5% or more of the issued share capital of the Company within the meaning of Part XV of the SFO:

Name of Shareholders	Number of Shares held	Percentage of Shareholding in the Company	
		As at the Latest Practicable Date	Exercise in full of the Share Repurchase Mandate
Ming Zaiyuan ⁽¹⁾	1,754,895,886	51.71%	57.45%
Weng Ming ⁽²⁾	604,989,379	17.49%	19.39%
Chongqing Three Gorges Gas (Group) Company Limited ⁽³⁾	180,833,000	5.33%	5.92%

Notes:

- (1) As at the Latest Practicable Date, Liming Holding Limited beneficially owned 1,752,871,886 Shares and is the wholly owned subsidiary of Sichuan Liming Energy Development Co., Ltd, the wholly owned subsidiary of Xinjiang Xintai Natural Gas Co., Ltd. Ming Zaiyuan held 35.78% equity interest of Xinjiang Xintai Natural Gas Co., Ltd., in addition, Mr. Ming is deemed to be interested in 2,024,000 shares held by his spouse for the purposes of the SFO. Therefore, Ming Zaiyuan was deemed to be interested in 1,754,895,886 Shares.
- (2) As at the Latest Practicable Date, Wisdom Treasure Holdings Inc. beneficially owned interests in 601,628,379 Shares. Wisdom Treasure Holdings Inc. was entirely controlled by Mr. Weng Ming, who beneficially owned interests in 3,361,000 Shares.
- (3) Shenzhen Tong Yu Energy Investment Co., Ltd beneficially owns 180,833,000 Shares. Chongqing Three Gorges Energy Co., Ltd holds 100% equity interest in Shenzhen Tong Yu Energy Investment Co., Ltd. Chongqing Three Gorges Gas (Group) Company Limited controls 37.68% equity interest in Chongqing Three Gorges Energy Co., Ltd. Therefore, Chongqing Three Gorges Gas (Group) Company Limited is deemed to be interested in 180,833,000 Shares.

In the event that the Share Repurchase Mandate is exercised in full and given that the Share Repurchase Mandate has been approved by the Shareholders, the interests of the above Shareholders will be increased to approximately the respective percentages shown in the last column above. As the interests deemed to be held by Mr. Ming would be increased from approximately 51.65% to approximately 57.45% upon exercise in full of the Share Repurchase Mandate, such increase will give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no present intention to exercise the Share Repurchase Mandate to such an extent as would result in takeover obligations.

Save as aforesaid, the Directors are not aware of any consequences of any purchases under the Share Repurchase Mandate which may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no intention to exercise the Share Repurchase Mandate to such an extent which will result in the aggregate number of Shares held by the public shareholders falling below the minimum requirement of public float by the Stock Exchange.

6. REPURCHASE OF SHARES MADE BY THE COMPANY

The Company has not purchased any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

7. INTENTION OF DIRECTORS AND CORE CONNECTED PERSONS TO SELL SHARES

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates have any present intention to sell any Shares to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Share Repurchase Mandate in accordance with the Listing Rules, the Articles and the applicable laws of the Cayman Islands.

The following is to provide Shareholders with information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution No. 8 as set out in the notice of AGM in respect of the approval of the Annual Mandate.

THE POST-IPO RSU SCHEME

At the 2020 AGM, a specific mandate was granted to the Directors to exercise all the powers of the Company to grant RSUs pursuant to the Post-IPO RSU Scheme in respect of the underlying Shares not exceeding 2% of the Shares in issue as at the date of the 2020 AGM (“**2020 Annual Mandate**”) during the period from the date of approving the 2020 Annual Mandate up to the conclusion of the AGM (the “**2020 Annual Mandate Applicable Period**”).

The Post-IPO RSU Scheme is the only share-based incentive scheme that the Company has in place to incentivize its employees after the Listing. Given that the Company is the leading independent CBM producer in China while such industry is becoming increasingly competitive in attracting talents and the base of the Company’s own talent pools continues to grow, there is a pressing need for the Company to grant RSUs to incentivize its Directors, senior management team and employees and to align their interest with that of the Company. The Post-IPO RSU Scheme may also assist the Company in retaining the management of potential targets in case of any mergers and acquisitions situations.

THE 2020 ANNUAL MANDATE

Pursuant to the 2020 Annual Mandate, the Directors were authorized to grant awards of RSUs pursuant to the Post-IPO RSU Scheme in respect of 67,871,647 Shares, which represents 2.0% of the Shares in issue on the date of the 2020 AGM (without taking into account any Shares to be allotted and issued upon the exercise of the options granted under the Pre-IPO Share Option Scheme).

Utilization

Assuming no RSUs will be granted from the Latest Practicable Date to the conclusion of the AGM, there were no RSUs granted under the Post-IPO RSU Scheme pursuant to the 2020 Annual Mandate during the 2020 Annual Mandate Applicable Period as at the date of the 2020 AGM.

The 2020 Annual Mandate will lapse at the conclusion of the AGM.

THE ANNUAL MANDATE TO BE SOUGHT AT THE AGM**Reason for renewal of the Annual Mandate**

The purpose of the Post-IPO RSU Scheme is to enable the Company to grant RSUs to Eligible Persons (as defined under the Post-IPO RSU Scheme) as incentives and/or rewards for their contribution to the Group, to better reward the personnel who have contributed to the development and success of the Group, to incentivize them to remain with the Group, to motivate them to strive for the future development and expansion of the Group, and to attract skilled and experienced personnel for the further development and expansion of the Group by providing them with the opportunity to acquire equity interests in the Company. As such, the renewal of the Annual Mandate will benefit the Group's future success by way of retention of capable talents and continuity of the experienced senior management team.

The Annual Mandate

As set out in the notice of AGM, a resolution will be proposed at the AGM to give the Directors a specific mandate to exercise all powers of the Company to grant RSUs in respect of a maximum number of the underlying Shares not exceeding 2.0% of the Shares in issue as at the date of passing such mandate, and to allot, issue and deal with the Shares underlying the RSUs granted pursuant to the Post-IPO RSU Scheme during the Applicable Period as and when such RSUs vest.

Subject to the passing of the proposed ordinary resolution No. 8 to approve the Annual Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Directors would be authorized to exercise the powers of the Company to grant RSUs in respect of a maximum number of 67,871,647 underlying Shares.

As at the Latest Practicable Date, no eligible person has been proposed or identified by the Board to be granted any RSUs under the Annual Mandate. Therefore, to the best of the Directors' knowledge, information and belief having made all reasonable enquiries as at the Latest Practicable Date, no other Shareholder has a material interest in the transactions contemplated under the Annual Mandate and is required to abstain from voting on the ordinary resolution at the AGM to approve the Annual Mandate.

Cost of Granting RSUs

The cost attributable to the grant of any RSUs under the Post-IPO RSU Scheme will be accounted for by reference to the market value of the Shares at the time of grant, adjusted to take into account the terms and conditions upon which Shares were granted.

The Directors consider that it is not appropriate or helpful to the Shareholders to state the value of all RSUs that can be granted under the Post-IPO RSU Scheme or the Annual Mandate being sought as if they had been granted on the Latest Practicable Date. The Directors believe that any statement regarding the value of all RSUs as at the Latest Practicable Date will not be

meaningful to the Shareholders, since the RSUs to be granted shall not be assignable, and no holder of the RSUs shall in any way sell, transfer, charge, mortgage, encumber or create any interest in favor of any third party over or in relation to any RSUs.

In addition, the calculation of the value of the RSUs is based on a number of variables such as vesting period and other relevant variables. The Directors believe that any calculation of the value of the RSUs as at the Latest Practicable Date based on a great number of speculative assumptions would not be meaningful and would be misleading to the Shareholders.

The Company will give due consideration to any financial impact arising from the grant of the RSUs under the Post-IPO RSU Scheme before exercising the Annual Mandate.

Listing Approval

An application will be made by the Company as soon as practicable to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the new Shares which may be allotted and issued to satisfy the RSUs which may be granted under the Post-IPO RSU Scheme pursuant to the Annual Mandate.
