An explanatory statement as required under the Listing Rules to provide the requisite information of the Share Buy-back Mandate is set out in Appendix I to this circular.

APPENDIX I EXPLANATORY STATEMENT FOR THE SHARE BUY-BACK MANDATE

This appendix serves as an explanatory statement as required under the Listing Rules to provide the requisite information to you for consideration of the Share Buy-back Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the Company had 118,080,000 Shares in issue or an issued share capital of HK\$11,808,000. As at the Latest Practicable Date, there was outstanding share options granted under the Pre-IPO Share Option Scheme and Share Option Scheme entitling the holder of such options to subscribe for an aggregate of 8,290,000 Shares.

Subject to the passing of the proposed Ordinary Resolution 6 approving the Share Buy-back Mandate and on the basis that no Shares to be issued upon exercise of the options granted under the Pre-IPO Share Option Scheme or options which may be granted under the Share Option Scheme, and no further Shares will be allotted, issued or bought back by the Company prior to the AGM, the exercise of the Share Buy-back Mandate in full would result in up to a maximum of 11,808,000 Shares, representing 10% of the total number of issued shares as at the Latest Practicable Date, being bought back by the Company. The Share Buy-back Mandate will lapse during the period ending on the earlier of:

- (i) the conclusion of the next annual general meeting of the Company;
- (ii) the date by which the next annual general meeting of the Company is required to be held by law or the Articles; or
- (iii) the date upon which the Share Buy-back Mandate is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company.

REASONS FOR SHARE BUY-BACK

Although the Directors have no present intention of exercising the Share Buy-back Mandate, they believe that the flexibility afforded by the Share Buy-back Mandate would be beneficial to the Company and the Shareholders as a whole. At any time in the future when the Shares are trading at a discount to their underlying value, the ability of the Company to buy back the Shares will be beneficial to the Shareholders who retain their investment in the Company as their percentage interest in the assets of the Company would increase in proportion to the number of Shares bought back by the Company from time to time and thereby resulting in an increase in net assets and/or earnings per share of the Company. Such share buy-back will only be made when the Directors believe that such exercises will benefit the Company and the Shareholders as a whole.

FUNDING OF SHARE BUY-BACK

The Directors propose that the buy-back of Shares under the Share Buy-back Mandate would be financed from internal resources of the Company.

APPENDIX I EXPLANATORY STATEMENT FOR THE SHARE BUY-BACK MANDATE

In buying back the Shares, the Company may only apply funds legally available for such purposes in accordance with the Memorandum, the Articles and the applicable laws of the Cayman Islands. Under the laws of the Cayman Islands, shares buy-back by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of the profits or share premium account of the Company, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of the capital of the Company.

The exercise of the Share Buy-back Mandate in full will not have a material adverse impact on the working capital or the gearing level of the Company, as compared with the position disclosed in the latest published audited consolidated financial statements of the Group contained in the 2020 Annual Report.

The Directors do not propose to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or the gearing level of the Company, as compared with the position disclosed in the latest published audited consolidated financial statements of the Group contained in the 2020 Annual Report, which in the opinion of the Directors are from time to time appropriate for the Company. The number of the Shares to be bought back on any occasion and the price and other terms upon which the same are purchased will be decided by the Directors at the relevant time having regard to the then pertaining circumstances.

APPENDIX I EXPLANATORY STATEMENT FOR THE SHARE BUY-BACK MANDATE

Disclosure of interests

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Share Buy-back Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective Close Associates has any present intention, in the event that the Share Buy-back Mandate is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries (as defined in the Companies Ordinance (Chapter 622 of the Laws of Hong Kong)).

No Core Connected Person has notified the Company that he or she has a present intention to sell any Shares to the Company nor has undertaken not to sell any of the Shares held by him or her to the Company in the event that the Share Buy-back Mandate is approved by the Shareholders.

Takeovers Code

If a Shareholder's proportionate interest in the voting rights of the Company increases when the Company exercises its powers to buy back Shares pursuant to the Share Buy-back Mandate, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, the largest Shareholder and executive Director, Mr. Ding Peiji, was entitled to exercise or control the exercise of the voting right attached to 25,190,869 Shares in aggregate, representing approximately 21.35% of the issued share capital of the Company. In the event that the Directors exercise in full the power to buy back the Shares which is proposed to be granted pursuant to the Share Buy-back Mandate, the maximum percentage of voting right which Mr. Ding Peiji would be entitled to exercise or control the exercise of would be increased to approximately 23.70% of the voting right attached to all Shares then in issue.

The Directors are not aware of any consequence under the Takeovers Code that would result from the repurchase of Shares made under the Share Buy-back Mandate and have no present intention to exercise the power to repurchase Shares pursuant to the Repurchase Mandate to such an extent as to result in takeover obligations.

Public Float

The Listing Rules prohibit a company from making share buy-back of its Shares on the Stock Exchange if the result of the share buy-back would result in less than 25% (or such or prescribed minimum percentage as determined by the Stock Exchange) of the Company's issued share capital being in public hands. The Company will not buy back Shares if that share buy-back would result in the number of Shares which are in the hands of the public falling below 25% of the Company's issued share capital and the Directors have no present intention to exercise the Share Buy-back Mandate to the extent that less than 25% of the issued share capital of the Company will be held by the public.

There will be two Director vacancies to be filled at the AGM following the retirement by rotation of Mr. Ding Peiji and Mr. Chan Wai Wong, at the AGM. If there are more than three candidates standing for election at the AGM, each resolution proposing that a candidate be appointed as a Director will provide for a method to determine which three candidates shall be elected as Directors as follows:

“**THAT** subject to the number of net votes cast in relation to this resolution (net votes being votes cast in favour minus votes cast against this resolution) being among the three highest number of net votes cast on each of the resolutions for the appointment of a person as a director of the Company at the annual general meeting to be held on 28 May 2021 or on the date of its adjournment (where applicable) (the “**2021 AGM**”), name of candidate be and is hereby appointed as a director of the Company with effect from the conclusion of the 2021 AGM for a term of approximately three years expiring at the conclusion of the Company’s annual general meeting to be held in 2024, provided that if any two or more of such resolutions record the same number of net votes (the “**Tied Resolutions**”), the ranking of the Tied Resolutions from highest to lowest number of net votes shall be determined by the drawing of lots by the chairman of the meeting.”

If a resolution is passed (i.e. it has been carried by the majority of the votes cast on it), the candidate who is the subject of that resolution will be eligible to be elected a Director. On the other hand, if a resolution is not passed, the candidate who is the subject of that resolution will not be eligible to be elected a Director. If there are less than three resolutions passed by the majority of the votes cast, the Board may, pursuant to Article 83 of the Articles, appoint any person to fill the relevant vacancy or vacancies (as the case may be).

Assuming a resolution is passed by the majority of the votes cast on it, the candidate who is the subject of that resolution will be elected to one of the three positions on the Board if the net votes cast in favour of his/her resolution is among the top three resolutions passed in terms of net votes cast. Net votes cast are calculated by taking the votes cast in favour of a resolution and subtracting the votes cast against that resolution. In the event there is a tie in the net votes for two or more resolutions, the ranking of the tied resolutions from the highest to the lowest number of net votes cast shall be determined by the drawing of lots by the chairman of the meeting.

Therefore, if you wish to support a particular candidate, you should vote in favour of his/her resolution. If you do not wish to support a candidate, you may vote against his/her resolution or abstain from voting. If you abstain from voting, you should note that your votes will not be counted when calculating the net votes cast in respect of the resolution for such candidate that you do not wish to support.
