The board of directors of the Company wishes to inform the shareholders of the Company and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 March 2021, the Group is expected to record an increase in profit of approximately 50% for the year ended 31 March 2021 as compared to that of approximately HK\$140 million for the year ended 31 March 2020.
