## PROFIT WARNING ANNOUNCEMENT

This announcement is made by Chinlink International Holdings Limited (the "**Company**", together with its subsidiaries, collectively the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders ("**Shareholders**") of the Company and potential investors that based on preliminary review by the Group's management of the unaudited management accounts of the Group for the year ended 31 March 2021 (the "**Year**"), the Group expects to record a consolidated loss of not less than HK$140.0 million for the Year. Such loss would be higher than the loss for the year ended 31 March 2020, mainly attributable to: (i) temporary suspension of international trading business; (ii) substantial decrease in gain on fair value change of investment properties; and (iii) increase in finance costs.

* *For identification only*

The Group's international trading business is basically dealing with electronic components for use in smartphone and digital storage. Due to the continuous trade dispute between The People's Republic of China ("**China**") and the United States of America and the global economic slowdown caused by the COVID-19 pandemic, demand for such components has substantially shrunken. The Group has adopted a cautious approach to the trading business by temporarily suspended this business line. Hence no revenue is recorded from this segment during the Year.

Under the continuing adverse impact caused by the COVID-19 pandemic, the Group's investment properties in Xi'an City and Hanzhong City of the Shaanxi Province, China only recorded a modest fair value gain during the Year.

As the Company is still in the process of finalizing the results of the Group for the Year, the information contained in this announcement is only a preliminary assessment by the Board with reference to the unaudited management accounts of the Group and is not based on any figures or information that have been audited or reviewed by the auditors of the Company. The actual results of the Group may be different from what is disclosed in this announcement. Shareholders and potential investors are advised to read carefully the final results announcement of the Group for the Year which is expected to be published before the end of June 2021.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
