ANNOUNCEMENT AND NOTICE OF THE PROPOSED CESSATION OF TRADING, TERMINATION, VOLUNTARY DEAUTHORISATION AND DELISTING AND NON- APPLICABILITY OF CERTAIN PROVISIONS OF THE CODE ON UNIT TRUSTS AND MUTUAL FUNDS

Terms not defined in this Announcement and Notice will have the meanings as are given to such terms in the prospectus of the Trust and the Sub-Fund published on 30 April 2021 (the “Prospectus”).

IMPORTANT: Investors are strongly advised to consider the contents of this Announcement and Notice. This Announcement and Notice is important and requires your immediate attention. It concerns the proposed cessation of trading of units of the Sub-Fund (the “Units”) on the SEHK, proposed termination and proposed Deauthorisation of the Sub-Fund, proposed Delisting of the Sub-Fund from the SEHK and the non-applicability of certain provisions of the Code on Unit Trusts and Mutual Funds (the “Code”) for the period from 21 June 2021 (the “Trading Cessation Date”) to the date of Deauthorisation of the Sub-Fund (the “Deauthorisation Date”). In particular, investors should note that:

- taking into account the relevant factors, including, in particular, the relatively small Net Asset Value of the Sub-Fund (see section 1 below), the Manager has decided to exercise its power under

Clause 35.7(a) of the trust deed dated 16 November 2001, as amended from time to time (the “Trust Deed”) and proposed to seek termination of the Sub-Fund with effect from the Termination Date (as defined in section 2.4 below);

- the Last Trading Day (as defined in section 2.4 below) of the Units will be 18 June 2021;
- the Units will cease trading from the Trading Cessation Date (as defined in section 2.4 below), 21 June 2021;
- the Manager will aim to realise all of the assets of the Sub-Fund from the Trading Cessation Date. Accordingly, from the Trading Cessation Date onwards, (i) there will be no further trading of Units and no further creation and redemption of Units; (ii) the Manager will start to realise all the assets of the Sub-Fund and the Sub-Fund will therefore cease to track the performance of its Index and will not be able to meet its investment objective of tracking the performance of such Index; (iii) the Sub-Fund will no longer be marketed or offered to the public; (iv) the Sub-Fund will mainly hold cash; and (v) the Sub-Fund will only be operated in a limited manner;
- the Manager, upon consultation with the Trustee and the auditors of the Sub-Fund (the “Auditors”) will declare a Distribution (as defined in section 2.2 below) to the investors who remain so as at 5 July 2021. The amount of Distribution (converted into HKD) will equal the total net assets of the Sub-Fund as at 5 July 2021, which will exclude (i) any taxes payable; and (ii) any expenses payable. The Distribution is expected to be payable on or around 2 August 2021;
- by the date when the Trustee and the Manager form an opinion that the Sub-Fund ceases to have any outstanding contingent or actual assets and liabilities, the Trustee and the Manager will commence the completion of the termination of the Sub-Fund (i.e. the Termination Date). The Manager expects the Termination Date will be on or around 18 August 2021. The Manager will publish an announcement on or shortly before the Termination Date about the termination and Deauthorisation of the Sub-Fund and Delisting of the Sub-Fund;
- from the Trading Cessation Date until the Termination Date, the Manager will maintain the Sub-Fund’s SFC authorisation status and SEHK listed status. Subject to the SEHK’s approval, Delisting should take effect at or around the same time as the Deauthorisation;
- the Manager will bear the costs and expenses associated with the termination of the Sub-Fund (other than normal operating expenses such as transaction costs, any costs involved in the conversion of liquidation proceeds from the base currency of the Sub-Fund to HKD and any taxes relating to the liquidation of assets of the Sub-Fund) from the date of this Announcement and Notice up to and including the Termination Date. The Manager will continue to charge a Management Fee up to and including the Distribution Record Date.
- the Manager expects that the Deauthorisation and Delisting of the Sub-Fund will take place either on the Termination Date or shortly after the Termination Date (please note that any fund documentation for the Sub-Fund previously issued to investors, including the Prospectus and the Product Key Facts Statement (the “KFS”), should be retained for personal use only and not for public circulation); and
- investors should pay attention to the risk factors set out in section 5.1 below (including liquidity risk, Units trading at a discount or premium and Market Makers’ inefficiency risk, fluctuation of base currency and HKD exchange rate risk, tracking errors during the period from the date of this Announcement and Notice to the Last Trading Day risk, Net Asset Value downward adjustment risk, failure to track the Sub-Fund Index risk and delay in distribution risk). Investors should exercise caution and consult their professional and financial advisers before dealing in the Units or otherwise deciding on the course of actions to be taken in relation to their Units.

Stockbrokers and financial intermediaries are urged to:

- forward a copy of this Announcement and Notice to their clients holding Units in the Sub-Fund, and inform them of the contents of this Announcement and Notice as soon as possible;
- facilitate their clients who want to dispose of Units in the Sub-Fund on or before the Last Trading Day; and
- inform their clients as soon as possible if any earlier dealing deadline, additional fees or charges, and/or other terms and conditions will be applicable in respect of the provision of their services in connection with any disposal of Units.

Stockbrokers and financial intermediaries are also urged to inform their clients of the distribution arrangements as set out in section 2.2 below and the possible impact on their clients in relation to such arrangements.

If investors are in doubt about the contents of this Announcement and Notice, they should contact their independent financial intermediaries or professional advisers to seek their professional advice, or direct their queries to the Manager (please refer to section 7 below).

1. Proposed Termination of the Sub-Fund, cessation of trading and realisation of assets

1.1. Proposed termination of the Sub-Fund

According to Clause 35.7(a) of the Trust Deed, the Sub-Fund may be terminated by the Manager in its absolute discretion by notice in writing to the Trustee if the aggregate Net Asset Value of all the Units in the Sub-Fund outstanding shall be less than HK\$150,000,000. The Trust Deed does not require investors' approval for terminating the Sub-Fund on the ground set out in Clause 35.7(a).

As at 17 May 2021, the Net Asset Value and the Net Asset Value per Unit of the Sub-Fund are as follows:

Net Asset Value	Net Asset Value per Unit
USD 9,928,222	USD 18.39

Having taken into account the relevant factors including the interests of the investors as a whole and the current relatively small Net Asset Value of the Sub-Fund, the Manager is of the view that the proposed termination of the Sub-Fund would be in the best interests of the investors of the Sub-Fund. Therefore, the Manager decided to exercise its power under Clause 35.7(a) of the Trust Deed by giving notice in writing to the Trustee of its proposal to terminate the Sub-Fund on the date on which the Trustee and the Manager form an opinion that the Sub-Fund ceases to have any outstanding contingent or actual assets and liabilities. The Manager has, pursuant to Clause 35.7(a) of the Trust Deed, given written notice to the Trustee notifying the Trustee of its proposal to terminate the Sub-Fund and to voluntarily seek the Deauthorisation and Delisting (the "Proposal"), and the Trustee does not object to such Proposal and acknowledges the non-applicability of certain provisions of the Code as referred to in this Announcement and Notice.

As required under Clause 35.10 of the Trust Deed, no less than three months' notice is hereby given to the investors, notifying them of the proposed termination of the Sub-Fund. Also, as required under Chapters 11.1A and 11.2 of the Code, no less than one month's notice is hereby given to the investors, notifying them that the Sub-Fund will cease to track the performance of the Index, and cease trading, from the Trading Cessation Date.

1.2. Proposed cessation of trading

The Manager will apply to SEHK to have the Units cease trading on the SEHK with effect from the Trading Cessation Date, i.e. 21 June 2021. The Manager will aim to realise all of the assets of the Sub-Fund effective from the Trading Cessation Date in exercise of its investment powers under Clause 9.5 of the Trust Deed.

The realisation of assets of the Sub-Fund will not incur any additional cost as compared to the costs associated with normal realisation of investments.

18 June 2021 will be the Last Trading Day when investors may buy or sell Units on the SEHK in accordance with the usual trading arrangements currently in place, and no creation and redemption of Units through Participating Dealers will be allowed after such date. Creation and redemption of Units by Participating Dealers will continue to be permitted until the Last Trading Day. Creations of Units will be limited to the creation of Units

by Participating Dealers for market making activities of market makers to provide liquidity of the trading of the Units on the SEHK. There will be no creation of Units for other purposes after this Announcement and Notice has been published.

Investors should note that they cannot create or redeem Units directly in the primary market. Only Participating Dealers may submit creation and redemption applications to the Manager. Participating Dealers may have their own application procedures for their clients and may set application cut-off times for their clients which are earlier than those set out in the Prospectus but in any event no later than the Last Trading Day. Investors are advised to check with the Participating Dealers as to the relevant timing deadlines and the client acceptance procedures and requirements.

1.3. Impact on the proposed termination and realisation of the assets

As disclosed in the Prospectus, where the Index is rebalanced and the Sub-Fund in turn rebalances its portfolio to bring it in line with the Index, any transaction costs and market exposure arising from such portfolio rebalancing will be borne directly by the Sub-Fund and its Unitholders. The next Index rebalancing date is expected to occur on 10 June 2021 (the “**June Rebalancing**”). Given that the assets of the Sub-Fund will be realised from the Trading Cessation Date, the Manager considers that it will not be in the best interest of the investors to rebalance the Sub-Fund following the June Rebalancing. As such, the Manager will not rebalance the portfolio of the Sub-Fund following the June Rebalancing, so as to not incur any transaction costs associated with the June Rebalancing and to avoid any potential market exposure arising from such portfolio rebalancing.

After the realisation of the assets of the Sub-Fund, the Sub-Fund will mainly hold cash (primarily consisting of the proceeds from the realisation of the assets of the Sub-Fund). It therefore follows that, from the Trading Cessation Date, the Sub-Fund will cease to track the Index, and will not be able to meet its investment objective of tracking the performance of such Index.

2. What will happen on or before the Last Trading Day and from the Trading Cessation Date?

2.1. Trading on the SEHK up to and including the Last Trading Day

On any trading day up to (and including) the Last Trading Day, an investor may continue to buy or sell its Units on the SEHK in accordance with the usual trading arrangements, during the trading hours of the SEHK and based on the prevailing market prices. The market makers of the Sub-Fund (collectively the “**Market Makers**”) will continue to perform their market making functions in accordance with the Trading Rules of the SEHK until the Trading Cessation Date.

Investors should note that stockbrokers or other financial intermediaries may impose brokerage fees on any sale of the Units on the SEHK on investors, and a transaction levy (at 0.0027% of the price of the Units of the Sub-Fund) and a trading fee (at 0.005% of the price of the Units of the Sub-Fund) will be payable by the buyer and the seller of the Units.

No charge to stamp duty will arise in Hong Kong in respect of sale or purchase of Units on the SEHK.

The trading price of Units may be below or above the Net Asset Value per Unit. Please see the risk factor in section 5.1 below.

Relevant Investors (as defined in section 2.2 below) are reminded to contact their stockbrokers or financial intermediaries to check whether there will be any fees or charges including custody fees that they may need to bear with regard to their holdings of Units during the period from the Trading Cessation Date up till the date on which they cease to hold Units.

2.2. Distribution(s)

For Relevant Investors who are still holding Units of the Sub-Fund after the Last Trading Day, the Manager will, after consulting the Trustee and the Auditors, declare a distribution (the “**Distribution**”) in respect of those investors who remain invested in the Sub-Fund as of the Distribution Record Date (the “**Relevant Investors**”). Such Distribution (converted into HKD) is expected to be made on or around 2 August 2021 (the “**Distribution Date**”).

Each Relevant Investor will be entitled to a Distribution (converted into HKD) of an amount equal to the Sub-Fund's then Net Asset Value in proportion to the Relevant Investor's Units in the Sub-Fund as at the Distribution Record Date. The Sub-Fund's then Net Asset Value will be the total value of the net proceeds from the realisation of the assets of the Sub-Fund as described in section 1.3 above (which exclude (i) any taxes payable, and (ii) any expenses payable). The net proceeds from the realisation of the assets of the Sub-Fund will be converted from the Sub-Fund's base currency to HKD based on the then prevailing market rate. Such conversion will be consistent with the best execution standards.

The Distribution (converted into HKD) payable to each Relevant Investor is expected to be paid on or around 2 August 2021, to the accounts of its financial intermediary or stockbroker maintained with CCASS as at the Distribution Record Date. The Manager will issue a further announcement to inform the Relevant Investors of the exact day of payment of the Distribution, together with the amount of Distribution per Unit in respect of the Sub-Fund in due course.

The Manager does not expect or anticipate there will be a further distribution after the Distribution. However, in the unlikely event there is a further distribution after the Distribution, the Manager will issue an announcement informing the Relevant Investors.

IMPORTANT NOTE: Investors should pay attention to the risk factors as set out in section 5.1 below and consult their professional and financial advisers before disposing of their Units. If an investor disposes of its Units at any time on or before the Last Trading Day, such investor will not in any circumstances be entitled to any portion of the Distribution or further distribution (if any) in respect of any Units so disposed. Investors should therefore exercise caution and consult their professional and financial advisers before dealing in their Units or otherwise deciding on any course of actions to be taken in relation to their Units.

2.3. Between the Trading Cessation Date and Termination Date

Following the realisation of the assets and the Distribution and further distribution (if any), on the day on which the Manager and the Trustee are of the opinion that the Sub-Fund ceases to have any outstanding contingent or actual assets and liabilities (the “**Termination Date**”), the Manager and the Trustee will proceed to terminate the Sub-Fund.

During the period from the Trading Cessation Date until the Termination Date, although the Sub-Fund will continue to be listed on the SEHK and will remain authorised by the SFC, the Sub-Fund will no longer be marketed or offered to the public and will only be operated in a limited manner because there will be no trading of Units and the Sub-Fund will have no investment activities from the Trading Cessation Date onwards. As such, pursuant to Chapter 8.6(t) of the Code and paragraph 13 of the ETF FAQs, the Sub-Fund will continue to maintain its authorisation status with the SFC without strictly complying with certain provisions of the Code for the period from and including the Trading Cessation Date up until the Deauthorisation Date, provided that the specific conditions and requirements imposed by the SFC are met. Such conditions and requirements are described in section 3 below.

The Deauthorisation and Delisting of the Sub-Fund will take place either on the Termination Date or shortly after the Termination Date, subject to the SFC’s and SEHK’s respective approvals.

The proposed termination and Deauthorisation of the Sub-Fund and the proposed Delisting of the Sub-Fund will be subject to the payment of all outstanding fees and expenses (please refer to section 4 below), discharge of all outstanding liabilities of Sub-Fund, as well as final approvals by the SFC and the SEHK respectively.

Following Deauthorisation, the Sub-Fund will no longer be subject to regulation by the SFC and will not be available for public distribution in Hong Kong. Any fund documentation previously issued to investors, including the Prospectus and the KFS, should be retained for personal use only and not for public circulation. Stockbrokers, financial intermediaries and investors must not circulate any marketing or other product information relating to the Sub-Fund to the public in Hong Kong as this may be in breach of the Securities and Futures Ordinance of Hong Kong (the “**SFO**”).

2.4. Important dates

Subject to the SFC’s and the SEHK’s respective approvals for the proposed arrangements set out in this Announcement and Notice, it is anticipated that the expected important dates in respect of the Sub-Fund will be as follows:

If there is any change to the dates mentioned set out in the table above, the Manager will issue an announcement to inform the Relevant Investors of the revised dates.

3. Non-applicability of certain provisions of the Code

3.1. Background

As set out in section 2.3 above, while the Units will cease trading effective from the Trading Cessation Date, because of certain outstanding contingent or actual assets and liabilities in relation to the Sub-Fund, the Sub-Fund will remain in existence after the Trading Cessation Date until the Termination Date. During such period, the Sub-Fund will remain authorised by the SFC and maintain its SEHK listed status, until the completion of the proposed termination, Deauthorisation and Delisting of the Sub-Fund.

Pursuant to Chapter 8.6(t) of the Code and paragraph 13 of the ETF FAQs, the Sub-Fund may not strictly comply with certain provisions of the Code for the period from and including the Trading Cessation Date up until the Deauthorisation Date, provided that the specific conditions and requirements imposed by the SFC are met. Such conditions and requirements are described in this section 3.

3.2. Publishing of the suspension of dealing

Under Chapter 10.7 of the Code, the Manager is required to: (a) immediately notify the SFC if dealing in Units of a Sub-Fund ceases or is suspended; and (b) publish the fact that dealing is suspended immediately following the decision to suspend and at least once a month during the period of suspension in an appropriate manner.

The Manager will continue to manage the Sub-Fund without strict compliance with Chapter 10.7 of the Code (for the period from the Trading Cessation Date to the Deauthorisation Date), subject to the condition that a statement shall be posted in a prominent position of the Sub-Fund's website from the Trading Cessation Date until the date of Deauthorisation to notify investors that the Units of the Sub-Fund have ceased trading on the SEHK from 21 June 2021 (i.e. the Trading Cessation Date), and draw investors' attention to this Announcement and Notice, the subsequent reminder announcements and all other relevant announcements.

As the Sub-Fund will maintain its listed status with SEHK during the period from and including the Trading Cessation Date up until the date of Delisting and Deauthorisation, investors may continue to access further announcements in relation to the Sub-Fund via the Manager's website www.blackrock.com/hk (this website has not been reviewed by the SFC) and HKEX's website during such period.

3.3. Provision of real time or near-real time indicative Net Asset Value per Unit and last Net Asset Value

Under 8.6(u)(i) and (ii) of the Code, the Manager is required to provide real time or near-real time indicative Net Asset Value per Unit of the Sub-Fund (updated at least every 15 seconds during trading hours) and last Net Asset Value per Unit and last Net Asset Value of the Sub-Fund (updated on a daily basis) on the Sub-Fund's website or such other channels as the SFC considers appropriate.

The Manager will continue to manage the Sub-Fund without strict compliance with Chapter 8.6(u)(i) and (ii) of the Code from the Trading Cessation Date to the Deauthorisation Date, subject to the following conditions and requirements imposed by the SFC and which the Manager has undertaken to meet:

- (A) the Manager shall ensure that the Net Asset Value per Unit as of 18 June 2021 (i.e. the Last Trading Day), which will be the latest Net Asset Value per Unit, will be published on the Manager's website www.blackrock.com/hk (this website has not been reviewed by the SFC); and
- (B) the Manager shall update the latest available Net Asset Value per Unit on the Manager's website www.blackrock.com/hk (this website has not been reviewed by the SFC) as soon as practicable should there be any other change to the Net Asset Value of the Sub-Fund, including but not limited to changes arising from (i) the payment of Distribution (please see further in section 2.2 above); (ii) further distribution (if any); (iii) any deduction of transaction costs or taxes relating to the realisation of the assets of the Sub-Fund; and (iv) any change in market value of the scrip dividend receivable by the Sub-Fund (if any) of the underlying investments.

3.4. Updating of the Prospectus and KFS

Under Chapters 6.1 and 11.1B of the Code, the Prospectus and the KFS in respect of the Sub-Fund must be up-to-date and must be updated to incorporate any relevant changes to the Sub-Fund.

The Manager will continue to manage the Sub-Fund without updating the Prospectus and the KFS in respect of the Sub-Fund as required under 6.1 and 11.1B of the Code from the Trading Cessation Date to the Deauthorisation Date, subject to the following conditions and requirements imposed by the SFC and which the Manager has undertaken to meet:

- (A) the Manager shall promptly notify investors of any changes to the Sub-Fund or to the Prospectus or the KFS by means of publishing the announcement(s) on the Manager's website www.blackrock.com/hk and the HKEX's websites (each, a "Relevant Future Announcement");
- (B) the Manager shall ensure that each Relevant Future Announcement shall include a statement to refer investors to read this Announcement and Notice together with the Prospectus, the KFS and any other Relevant Future Announcement(s); and
- (C) the Manager shall issue an updated Prospectus on the Deauthorisation Date to remove all references to the Sub-Fund.

3.5. Other related matter

The Manager confirms that, save for the particular provisions of the Code set out in sections 3.2 to 3.4 above, the Manager will continue to comply with all the other applicable provisions of the Code, the applicable provisions in the Trust Deed, the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited and other applicable laws and regulations in respect of the Sub-Fund.

4. Costs

4.1. Trading on the SEHK

As indicated in section 2.1 above, stockbrokers or financial intermediaries may levy certain fees and charges for any orders to dispose of Units on or before the Last Trading Day.

4.2. Creation and redemption by Participating Dealers

All creations and redemptions of Units in a Sub-Fund by the Participating Dealers will be subject to the fees and costs as set out in the Sub-Fund's Prospectus. The Participating Dealers may pass on to the relevant investors such fees and costs. The Participating Dealers may also impose fees and charges in handling any creation and redemption request which would also increase the cost of creation and redemption. Investors are advised to check with the Participating Dealers as to the relevant fees, costs and charges.

4.3. Ongoing charges

The ongoing charges over a year for the Sub-Fund as a percentage of Net Asset Value is 0.30%*.

** The ongoing charges figure is based on expenses for the year ended 31 December 2020 for the Sub-Fund.*

The Manager does not expect that the termination of the Sub-Fund will impact the figure disclosed above for ongoing charges. Please note for completeness the ongoing charges figures shown above are calculated in accordance with the guidance under the relevant SFC circular, and exclude the following costs and expenses associated with the termination of the Sub-Fund (which are to be borne by the Sub-Fund): (i) normal operating expenses such as transaction costs, (ii) any costs involved in the conversion of liquidation proceeds from the base currency of the Sub-Fund to HKD and (iii) any taxes relating to the liquidation of assets of the Sub-Fund.

The Sub-Fund does not have any unamortised preliminary expense or contingent liabilities (such as outstanding litigation) as at the date of this Announcement and Notice.

4.4. Cost of termination, Deauthorisation and Delisting

The Manager will bear all costs and expenses associated with the termination of the Sub-Fund (other than normal operating expenses such as transaction costs, any costs involved in the conversion of liquidation proceeds from the base currency of the Sub-Fund to HKD and any taxes relating to the liquidation of assets of the Sub-Fund) from the date of this Announcement and Notice up to and including the Termination Date. The Manager will continue to charge a Management Fee up to and including the Distribution Record Date.

5. Other matters

5.1. Other implications of the proposed cessation of trading, the proposed termination, Deauthorisation and Delisting

In consequence of this Announcement and Notice and the proposed cessation of trading of the Units on the SEHK, proposed termination, proposed Deauthorisation and the proposed Delisting of the Sub-Fund from the SEHK, investors should note and consider the following risks:

Liquidity risk – Trading of Units in the Sub-Fund on the SEHK from the date of this Announcement and Notice may become less liquid.

Fluctuation of base currency and HKD exchange rate risk – The liquidation proceeds of the Sub-Fund will be paid to Unitholders in HKD and not the base currency of the Sub-Fund (being USD). Accordingly, Unitholders will be exposed to exchange rate risk between USD and HKD.

Units trading at a discount or premium and Market Makers' inefficiency risk – The Units of the Sub-Fund may trade at a discount or premium of its Net Asset Value. Although the Manager expects that, up to (and including) the Last Trading Day, the Market Makers will continue to perform their market making functions in respect of the Sub-Fund in accordance with the Trading Rules of the SEHK, Units may trade at a discount compared to their Net Asset Value in extreme market situations. This is because many investors may want to sell their Units after the Proposal has been announced but there may not be many investors in the market who are willing to purchase such Units. On the other hand, it is also possible that the Units may trade at a premium, and consequently the divergence between the supply of and demand for the Units of the Sub-Fund may be larger than usual. In particular, should there be a large demand for Units before the Trading Cessation Date, the Market Makers may not be able to effectively perform its market making activities to provide liquidity of the trading of Units on the SEHK in these extreme market situations. As a result, the price volatility of the Units may be higher than usual from the date of this Announcement and Notice up to (and including) the Last Trading Day.

Tracking errors during the period from the date of this Announcement and Notice to the Last Trading Day risk – As mentioned in section 1.3 above, the Manager considers that it will not be in the best interest of the investors to rebalance the Sub-Fund following the June Rebalancing and will therefore not rebalance the portfolio of the Sub-Fund following the June Rebalancing to track the rebalanced Index, which may result in tracking error. In addition, it is possible that the size of the Sub-Fund may drop drastically before the Last Trading Day. This may impair the Manager's ability to fulfill the investment objective of the Sub-Fund and result in significant tracking error. In the extreme situation where the size of the Sub-Fund becomes so small that the Manager considers that it is not in the best interest of the Sub-Fund to continue to invest in the market, the Manager may decide to convert the whole or part of the investments of the Sub-Fund into cash or deposits in order to protect the interest of the investors of that Sub-Fund.

Net Asset Value downward adjustment risk – Changes in economic environment, consumption pattern and investors' expectations may have significant impact on the value of the investments and there may be significant drop in value of the investments. Such market movements may result in substantial downward adjustment of the Net Asset Value per Unit before the Last Trading Day.

Failure to track the Sub-Fund Index risk – All assets of the Sub-Fund, to the extent possible, will be liquidated with effect from the Trading Cessation Date. Thereafter, the Sub-Fund's assets will mainly be cash. The Sub-Fund will only be operated in a limited manner. It therefore follows that, from the Trading Cessation Date, the Sub-Fund will cease to track the performance of its Index, and will not be able to meet its investment objective of tracking the performance of such Index.

Delay in distribution risk – The Manager will aim to realise all of the assets of the Sub-Fund and proceed with the Distribution and further distribution (if any) as soon as practicable. However, the Manager may not be able to realise all the assets of the Sub-Fund in a timely manner during certain periods of time, for example, when trading on the relevant stock exchanges is restricted or suspended or when the official clearing and settlement depository of the relevant market is closed. In this case, the payment of Distribution or further distribution (if any) to the Relevant Investors may be delayed.

Investor attention is also drawn to the risk factors disclosed in the Prospectus.

5.2. Tax implications

Based on the Manager's understanding of the law and practice in force at the date of this Announcement and Notice, as the Trust and the Sub-Fund are collective investment schemes authorised under Section 104 of the SFO, profits of the Sub-Fund derived from realisation of its assets are exempt from Hong Kong profits tax. Notwithstanding that profits of the Sub-Fund derived from realisation of its assets are exempt from Hong Kong profits tax, the Sub-Fund may be subject to tax in certain jurisdictions where investments are made, on income or capital gains derived from such investments.

Distribution or further distribution (if any) to the extent of distribution of profits and/or capital of the Sub-Fund should generally not be subject to Hong Kong profits tax by Hong Kong investors (whether by way of withholding or otherwise). For investors carrying on a trade, profession or business in Hong Kong, profits derived in redemption or disposal of Units in the Sub-Fund may be subject to Hong Kong profits tax if the profits in question arise in or are derived from such trade, profession or business, sourced in Hong Kong, as well as the Units of the Sub-Fund are revenue assets of the investors.

Investors should consult their professional tax advisers for tax advice.

HSBC Limited may decide to dispose of all or part of their Units, either by selling the Units on the SEHK or by redeeming the Units in the primary market, after being informed of the Proposal via this Announcement and Notice. Any disposal of Units by HSBC Limited, which is beyond the control of the Manager, may significantly reduce the size of the Sub-Fund and impair the Manager's ability to fulfill the investment objectives of the Sub-Fund and result in significant tracking error. Please refer to "Tracking errors during the period from the date of this Announcement and Notice to the Last Trading Day risk" in section 5.1 above.*
