PROFIT ALERT FOR THE RESULTS FOR THE SIX MONTHS ENDED 30 JUNE 2021

This announcement is made by China XLX Fertiliser Ltd. (the "**Company**", and its subsidiaries, collectively the "**Group**") pursuant to the requirements under Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform shareholders of the Company and potential investors that the net profit of the Group for the six months ended 30 June 2021 is expected to increase by no less than 200% as compared to that of the year before.

The increase in the net profit of the Group was mainly because: 1. the pandemic and the economy have recovered while the prices of energy and food have increased globally, pushing up the selling prices of the Group's fertiliser and chemical products; 2. the introduction of "peak carbon dioxide emissions and carbon neutrality" policy accelerated the exit of degraded productivity and the restructuring of the industry layout, which is beneficial to the development of the leading enterprises in the industry. The Group seized new opportunities against the backdrop and further expanded its market share; 3. Jiujiang Base was successfully put into operation and high-quality production capacity was thus released; and 4. the Group enhanced its profitability and its positioning in the industry by leveraging on its competitive advantage of "low-cost and differentiation".

Profit alert information contained above is based on a preliminary assessment by the Board with reference to the information currently available (including the management accounts of the Group) to the Company's management, which has not been reviewed or audited by the Company's auditors and is subject to possible adjustments arising from further review. As such, the above data is provided for the shareholders' and potential investors' reference only.

Shareholders of the Company and potential investors should exercise caution when dealing in the shares of the Company.

By Order of the Board
