## **POSITIVE PROFIT ALERT**

The announcement is made by Burwill Holdings Limited (Provisional Liquidators Appointed) (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities (the “**Listing Rules**”) on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “**SFO**”).

The Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors of the Company that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2021 (“**1H2021**”) and the information currently available to the board of directors of the Company (the “**Board**”) and the joint and several provisional liquidators of the Company (the “**Provisional Liquidators**”), the Group is expected to record an increase in operating profit\* in the range of 100% to 130% for 1H2021 as compared to the six months ended 30 June 2020. The aforementioned improvement in financial results was mainly due to the expansion in operating scale as the Group’s business gradually revives.

The Company is in the process of finalising the results of the Group for 1H2021. The information contained in this announcement is only based on (i) preliminary assessment of information currently available to the Board and the Provisional Liquidators; and (ii) the unaudited consolidated management accounts of the Group for 1H2021, which are subject to finalisation and adjustments (if any) and have not been reviewed by the audit committee of the Company nor the Company’s auditors. Details of the financial results of the Group for 1H2021 will be disclosed in the Group’s interim results announcement for 1H2021 which will be released as soon as practicable.

Pursuant to Rule 10 of The Hong Kong Code on Takeovers and Mergers (the “**Takeovers Code**”), the operating profit for 1H2021 constitutes a profit forecast and is required to be reported on by both the Company’s financial advisers and accountants. Since this announcement is required to be made pursuant to Rule 13.09(1) of the Listing Rules and the Inside Information Provisions under Part XIVA of the SFO, which requires the Company to issue the positive profit alert announcement as soon as practicable and given the time constraints faced by the Company when issuing this announcement, the Company has encountered genuine practical difficulties (time-wise or otherwise) in meeting the requirements set out in Rule 10.4 of the Takeovers Code. The Company would like to draw the attention of the Shareholders and potential investors of the Company that this announcement does not

meet the standard required by Rule 10 of the Takeovers Code. This announcement is normally required to be separately reported on by the Company's financial advisers and its accountants and such reports shall be contained in the next document to be sent to the Shareholders in connection with the Whitewash Waiver (as defined in the Company's announcement dated 5 May 2021) (the "**Shareholders' Document**"), unless the interim results announcement for 1H2021 has been published prior to the despatch of the Shareholders' Document to the Shareholders. In the event that the announcement of the interim results for 1H2021 is published prior to the release of the next Shareholders' Document, the "report-on" requirements under Rule 10.4 of the Takeovers Code will be superseded.

**Shareholders and potential investors of the Company should note that this announcement does not meet the standard required by Rule 10 of the Takeovers Code. Shareholders and potential investors of the Company should exercise caution in placing reliance on the forecast in assessing the merits and demerits of the proposed restructuring of the Company and the Whitewash Waiver.**

### **CONTINUED SUSPENSION OF TRADING IN THE SHARES**

Trading in the shares of the Company on the Stock Exchange has been suspended since 19 August 2019 and will continue to be suspended until further notice.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
