**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.**

This announcement is made by COSCO SHIPPING Holdings Co., Ltd.\* (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that the Group is expected to record a net profit attributable to the Shareholders for the six months ended 30 June 2021 (the “**Reporting Period**”) of approximately RMB37,093 million, as compared to that of approximately RMB1,137 million for the six months ended 30 June 2020; and the Group is expected to record a net profit (after deducting non-recurring profit and loss) attributable to the Shareholders for the Reporting Period of approximately RMB37,021 million, as compared to that of approximately RMB882 million for the six months ended 30 June 2020.

During the Reporting Period, the container shipping market continued to grow. The average value of the China Containerized Freight Index (CCFI) was 2066.64 points, representing an increase of 133.86% as compared to that of the same period of last year and an increase of 92.44% as compared to that of the second half of last year.

During the Reporting Period, the Company proactively started implementing the 14th Five-Year Plan, overcame the overlay effects from multiple factors including the COVID-19 pandemic, actively integrated into the development of domestic and international dual circulation, and fully played the supporting role of the supply chains of container logistics. By adhering to the customer-oriented philosophy and through the measures such as increasing shipping capacity, securing container supplies and enhancing service quality, the Company fully committed to ensuring the global transportation services and achieved an increase in both the amount and price in respect of such services, which resulted in a greater improvement in its overall financial results for the Reporting Period as compared to that for the same period of the last year.

The Company has yet to finalise the results of the Group for the Reporting Period. The information contained in this announcement is only a preliminary estimation made by the Company based on the Accounting Standard for Business Enterprises, which has not been reviewed or audited by the auditors of the Company. Details of the financial information of the Group for the Reporting Period to be disclosed in the 2021 interim report of the Company shall prevail over the information contained herein.
